Bill Number: HB1273H1 **Patron:** Glass
Bill Title: Transportation network companies; requirements; civil penalties.

Bill Summary: Adds various additional requirements for (i) transportation network companies, including providing riders with the option to opt in to audio recording of each prearranged ride and that TNC partners have the option to opt in to audio and video recording of each prearranged ride and the adoption of additional policies; (ii) TNC partners, including increased frequency of background checks, additional circumstances that disqualify them from acting as TNC partners, verification of identity, and prohibitions on sharing digital platform accounts or credentials; and (iii) the Department of Motor Vehicles in its control, supervision, and regulation of transportation network companies and TNC partners, including limitations on certificates of fitness and notification of transportation network companies of the revocation of the authorization of an individual to act as a TNC partner under certain circumstances. The bill imposes civil penalties for transportation network companies or TNC partners who violate certain requirements to which they are subject and provides that the funds for such civil penalties be paid to the Department of Motor Vehicles for the administration of certain requirements of the bill. The bill includes a reenactment clause.

Budget Amendment Necessary: No **Items Impacted:** None
Explanation: N/A

Fiscal Summary: The bill creates civil penalties for transportation network company (TNC) or TNC partner violations of law. These civil penalties will be paid to the Department of Motor Vehicles to support the administration of such requirements. Any unanticipated fiscal impact that may result from this proposal is expected to be absorbed with existing resources.
