141 investigation and discipline, if any, of teachers in other member states upon request. Any member state
142 receiving such information or files shall protect and maintain the security and confidentiality thereof, in at
143 least the same manner that it maintains its own investigatory or disciplinary files and information. Prior to
144 disclosing any disciplinary or investigatory information received from another member state, the disclosing
145 state shall communicate its intention and purpose for such disclosure to the member state that originally
146 provided that information.

147 Article VII. Establishment of the Interstate Teacher Mobility Compact Commission.

148 A. The Compact member states hereby create and establish a joint public agency known as the Interstate
149 Teacher Mobility Compact Commission:

150 1. The Commission is a joint interstate governmental agency comprised of states that have enacted the
151 Interstate Teacher Mobility Compact.

152 2. Nothing in this Compact shall be construed to be a waiver of sovereign immunity.

154 1. Each member state shall have and be limited to one delegate to the Commission, who shall be given the
155 title of commissioner.

156 2. The commissioner shall be the primary administrative officer of the state licensing authority or their

166 as set forth in the bylaws.

167 7. The Commission shall establish by rule a term of office for commissioners.

178 granted hereunder, then such an action by the Commission shall be invalid and have no force and effect of
179 law;

186 appropriate authority to carry out the purposes of the Compact, and establish the Commission's personnel
187 policies and programs relating to conflicts of interest, qualifications of personnel, and other related
188 personnel matters;
- 189 11. Lease, purchase, accept appropriate gifts or donations of, or otherwise own, hold, improve, or use,

204 Compact consistent with the state regulation of teacher licensure; and
- 205 20. Determine whether a state's adopted language is materially different from the model Compact
206 language such that the state would not qualify for participation in the Compact.
- 207 D. The executive committee of the Interstate Teacher Mobility Compact Commission.
- 208 1. The executive committee shall have the power to act on behalf of the Commission according to the
209 terms of this Compact.
- 210 2. The executive committee shall be composed of eight voting members:
- 211 a. The Commission chair, vice chair, and treasurer; and

216 rules.
- 217 4. The executive committee shall meet at least once annually.
- 218 5. The executive committee shall have the following duties and responsibilities:
- 219 a. Recommend to the entire Commission changes to the rules or bylaws, changes to the Compact
220 legislation, fees paid by Compact member states such as annual dues, and any Compact fee charged by the
221 member states on behalf of the Commission;

232 shall discuss:
- 233 a. Non-compliance of a member state with its obligations under the Compact;
- 234 b. The employment, compensation, discipline, or other matters, practices, or procedures related to
235 specific employees or other matters related to the Commission's internal personnel practices and procedures;
- 236 c. Current, threatened, or reasonably anticipated litigation;
- 237 d. Negotiation of contracts for the purchase, lease, or sale of goods, services, or real estate;
- 238 e. Accusing any person of a crime or formally censuring any person;

- 243 i. Disclosure of information related to any investigative reports prepared by or on behalf of or for use of

244 the Commission or other committee charged with responsibility of investigation or determination of
245 compliance issues pursuant to the Compact;

246 j. Matters specifically exempted from disclosure by federal or member state statute; or

247 k. Others matters as set forth by Commission bylaws and rules.

248 3. If a meeting, or portion of a meeting, is closed pursuant to this provision, the Commission's legal
249 counsel or designee shall certify that the meeting may be closed and shall reference each relevant exempting
250 provision.

251 4. The Commission shall keep minutes of Commission meetings and shall provide a full and accurate
252 summary of actions taken, and the reasons therefore, including a description of the views expressed. All
253 documents considered in connection with an action shall be identified in such minutes. All minutes and
254 documents of a closed meeting shall remain under seal, subject to release by a majority vote of the
255 Commission or order of a court of competent jurisdiction.

256 F. Financing of the Commission.

257 1. The Commission shall pay, or provide for the payment of, the reasonable expenses of its establishment,
258 organization, and ongoing activities.

259 2. The Commission may accept all appropriate donations and grants of money, equipment, supplies,
260 materials, and services, and receive, utilize, and dispose of the same, provided that at all times the
261 Commission shall avoid any appearance of impropriety or conflict of interest.

262 3. The Commission may levy on and collect an annual assessment from each member state or impose fees
263 on other parties to cover the cost of the operations and activities of the Commission, in accordance with the
264 Commission rules.

265 4. The Commission shall not incur obligations of any kind prior to securing the funds adequate to meet
266 the same; nor shall the Commission pledge the credit of any of the member states, except by and with the
267 authority of the member state.

268 5. The Commission shall keep accurate accounts of all receipts and disbursements. The receipts and
269 disbursements of the Commission shall be subject to accounting procedures established under Commission
270 bylaws. All receipts and disbursements of funds of the Commission shall be reviewed annually in accordance
271 with Commission bylaws, and a report of the review shall be included in and become part of the annual
272 report of the Commission.

273 G. Qualified immunity, defense, and indemnification.

274 1. The members, officers, executive director, employees, and representatives of the Commission shall be
275 immune from suit and liability, either personally or in their official capacity, for any claim for damage to or
276 loss of property or personal injury or other civil liability caused by or arising out of any actual or alleged
277 act, error, or omission that occurred, or that the person against whom the claim is made had a reasonable
278 basis for believing occurred within the scope of Commission employment, duties, or responsibilities, provided
279 that nothing in this subdivision shall be construed to protect any such person from suit or liability for any
280 damage, loss, injury, or liability caused by the intentional or willful or wanton misconduct of that person.

281 2. The Commission shall defend any member, officer, executive director, employee, or representative of
282 the Commission in any civil action seeking to impose liability arising out of any actual or alleged act, error,
283 or omission that occurred within the scope of Commission employment, duties, or responsibilities, or that the
284 person against whom the claim is made had a reasonable basis for believing occurred within the scope of
285 Commission employment, duties, or responsibilities, provided that nothing herein shall be construed to
286 prohibit that person from retaining his or her own counsel, and provided further, that the actual or alleged
287 act, error, or omission did not result from that person's intentional or willful or wanton misconduct.

288 3. The Commission shall indemnify and hold harmless any member, officer, executive director, employee,
289 or representative of the Commission for the amount of any settlement or judgment obtained against that
290 person arising out of any actual or alleged act, error, or omission that occurred within the scope of
291 Commission employment, duties, or responsibilities, or that such person had a reasonable basis for believing
292 occurred within the scope of Commission employment, duties, or responsibilities, provided that the actual or
293 alleged act, error, or omission did not result from the intentional or willful or wanton misconduct of that
294 person.

295 Article VIII. Rulemaking.

296 A. The Commission shall exercise its rulemaking powers pursuant to the criteria set forth in this chapter
297 and the rules adopted thereunder. Rules and amendments shall become binding as of the date specified in
298 each rule or amendment.

299 B. The Commission shall promulgate reasonable rules to achieve the intent and purpose of this Compact.
300 In the event the Commission exercises its rulemaking authority in a manner that is beyond purpose and intent
301 of this Compact, or the powers granted hereunder, then such an action by the Commission shall be invalid
302 and have no force and effect of law in the member states.

303 C. If a majority of the legislatures of the member states rejects a rule, by enactment of a statute or
304 resolution in the same manner used to adopt the Compact within four years of the date of adoption of the

305 rule, then such rule shall have no further force and effect in any member state.

306 D. Rules or amendments to the rules shall be adopted or ratified at a regular or special meeting of the
307 Commission in accordance with Commission rules and bylaws.

308 E. Upon determination that an emergency exists, the Commission may consider and adopt an emergency
309 rule with 48 hours' notice, with opportunity to comment, provided that the usual rulemaking procedures shall
310 be retroactively applied to the rule as soon as reasonably possible, in no event later than 90 days after the
311 effective date of the rule. For the purposes of this provision, an emergency rule is one that shall be adopted
312 immediately in order to:

313 1. Meet an imminent threat to public health, safety, or welfare;

314 2. Prevent a loss of Commission or member state funds;

315 3. Meet a deadline for the promulgation of an administrative rule that is established by federal law or
316 rule; or

317 4. Protect public health and safety.

318 Article IX. Facilitating Information Exchange.

319 A. The Commission shall provide for facilitating the exchange of information to administer and implement
320 the provisions of this Compact in accordance with the rules of the Commission, consistent with generally
321 accepted data protection principles.

322 B. Nothing in this Compact shall be deemed or construed to alter, limit, or inhibit the power of a member
323 state to control and maintain ownership of its licensee information or alter, limit, or inhibit the laws or
324 regulations governing licensee information in the member state.

325 Article X. Oversight, Dispute Resolution, and Enforcement.

326 A. Oversight.

327 1. The executive and judicial branches of state government in each member state shall enforce this
328 Compact and take all actions necessary and appropriate to effectuate the Compact's purposes and intent. The
329 provisions of this Compact shall have standing as statutory law.

330 2. Venue is proper and judicial proceedings by or against the Commission shall be brought solely and
331 exclusively in a court of competent jurisdiction where the principal office of the Commission is located. The
332 Commission may waive venue and jurisdictional defenses to the extent it adopts or consents to participate in
333 alternative dispute resolution proceedings. Nothing herein shall affect or limit the selection or propriety of
334 venue in any action against a licensee for professional malpractice, misconduct, or any such similar matter.

335 3. All courts and all administrative agencies shall take judicial notice of the Compact, the rules of the
336 Commission, and any information provided to a member state pursuant thereto in any judicial or quasi-
337 judicial proceeding in a member state pertaining to the subject matter of this Compact, or that may affect the
338 powers, responsibilities, or actions of the Commission.

339 4. The Commission shall be entitled to receive service of process in any proceeding regarding the
340 enforcement or interpretation of the Compact and shall have standing to intervene in such a proceeding for
341 all purposes. Failure to provide the Commission service of process shall render a judgment or order void as
342 to the Commission, this Compact, or promulgated rules.

343 B. Default, technical assistance, and termination.

344 1. If the Commission determines that a member state has defaulted in the performance of its obligations or
345 responsibilities under this Compact or the promulgated rules, the Commission shall:

346 a. Provide written notice to the defaulting state and other member states of the nature of the default, the
347 proposed means of curing the default, or any other action to be taken by the Commission; and

348 b. Provide remedial training and specific technical assistance regarding the default.

349 2. If a state in default fails to cure the default, the defaulting state may be terminated from the Compact
350 upon an affirmative vote of a majority of the commissioners of the member states, and all rights, privileges,
351 and benefits conferred on that state by this Compact may be terminated on the effective date of termination. A
352 cure of the default does not relieve the offending state of obligations or liabilities incurred during the period
353 of default.

354 3. Termination of membership in the Compact shall be imposed only after all other means of securing
355 compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the Commission
356 to the governor, the majority and minority leaders of the defaulting state's legislature, the state licensing
357 authority, and each of the member states.

358 4. A state that has been terminated is responsible for all assessments, obligations, and liabilities incurred
359 through the effective date of termination, including obligations that extend beyond the effective date of
360 termination.

361 5. The Commission shall not bear any costs related to a state that is found to be in default or that has
362 been terminated from the Compact, unless agreed upon in writing between the Commission and the
363 defaulting state.

364 6. The defaulting state may appeal the action of the Commission by petitioning the U.S. District Court for
365 the District of Columbia or the federal district where the Commission has its principal offices. The prevailing

366 party shall be awarded all costs of such litigation, including reasonable attorney fees.

367 C. Dispute resolution.

368 1. Upon request by a member state, the Commission shall attempt to resolve disputes related to the
369 Compact that arise among member states and between member and non-member states.

370 2. The Commission shall promulgate a rule providing for both binding and non-binding alternative
371 dispute resolution for disputes as appropriate.

372 D. Enforcement.

373 1. The Commission, in the reasonable exercise of its discretion, shall enforce the provisions and rules of
374 this Compact.

375 2. By majority vote, the Commission may initiate legal action in the U.S. District Court for the District of
376 Columbia or the federal district where the Commission has its principal offices against a member state in
377 default to enforce compliance with the provisions of the Compact and its promulgated rules and bylaws. The
378 relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary,
379 the prevailing party shall be awarded all costs of such litigation, including reasonable attorney fees. The
380 remedies herein shall not be the exclusive remedies of the Commission. The Commission may pursue any
381 other remedies available under federal or state law.

382 Article XI. Effectuation, Withdrawal, and Amendment.

383 A. The Compact shall come into effect on the date on which the Compact statute is enacted into law in the
384 tenth member state.

385 1. On or after the effective date of the Compact, the Commission shall convene and review the enactment
386 of each of the charter member states to determine if the statute enacted by each such charter member state is
387 materially different from the model Compact statute.

388 2. A charter member state whose enactment is found to be materially different from the model Compact
389 statute shall be entitled to the default process set forth in Article X.

390 3. Member states enacting the Compact subsequent to the charter member states shall be subject to the
391 process set forth in subdivision C 20 of Article VII to determine if their enactments are materially different
392 from the model Compact statute and whether they qualify for participation in the Compact.

393 B. If any member state is later found to be in default, or is terminated or withdraws from the Compact, the
