The writing shall document the basis for this determination. The Authority shall issue a written notice stating that 161 only one source was determined to be practicably available and identifying that which is being procured, the 162 contractor selected, and the date on which the contract was or will be awarded. This notice shall be posted 163 on the Department of General Services' central electronic procurement website or the Authority's website and 164 165 may be published in a newspaper of general circulation on the day the public body awards or announces its 166 decision to award the contract, whichever occurs first. 167
