**§ 24.2-404. Duties of Department of Elections.**

A. The Department of Elections shall provide for the continuing operation and maintenance of a central recordkeeping system, the Virginia voter registration system, for all voters registered in the Commonwealth.

In order to operate and maintain the system, the Department shall:

1. Maintain a complete, separate, and accurate record of all registered voters in the Commonwealth. Such system shall automatically register a person who has preregistered pursuant to § 24.2-403.1 upon that person becoming eligible for registration under § 24.2-403 or reaching 18 years of age, whichever comes first. Such system shall also assign a unique identifier to each voter registered in the system.

2. Require the general registrars to enter the names of all registered voters into the system and to change or correct registration records as necessary.

3. Provide to each general registrar voter confirmation documents for newly registered voters, including voters who were automatically registered pursuant to subdivision 1, and for notice to registered voters on the system of changes and corrections in their registration records and polling places.

4. Require the general registrars to delete from the record of registered voters the name of any voter who (i) is deceased, (ii) is no longer qualified to vote in the county or city where he is registered due to removal of his residence, (iii) has been convicted of a felony, (iv) has been adjudicated incapacitated, (v) is known not to be a United States citizen by reason of reports from the Department of Motor Vehicles, *the clerks of circuit courts of the Commonwealth, the Department of Wildlife Resources, or the Milk Commission* pursuant to § 24.2-410.1 or from the Department of Elections based on information received from the Systematic Alien Verification for Entitlements Program (SAVE Program) pursuant to subsection E, or (vi) is otherwise no longer qualified to vote as may be provided by law. Such action shall be taken no later than 30 days after notification from the Department. The Department shall promptly provide the information referred to in this subdivision, upon receiving it, to general registrars.

5. Retain on the system for four years a separate record for registered voters whose names have been deleted, with the reason for deletion.

6. Retain on the system permanently a separate record for information received regarding deaths, felony convictions, and adjudications of incapacity pursuant to §§ 24.2-408 through 24.2-410.

7. Provide to each general registrar, at least 16 days prior to a general or primary election and three days prior to a special election, an alphabetical list of all registered voters in each precinct or portion of a precinct in which the election is being held in the county, city, or town. These precinct lists shall be used as the official lists of qualified voters and shall constitute the pollbooks. The Department shall provide instructions for the division of the pollbooks and precinct lists into sections to accommodate the efficient processing of voter lines at the polls. Prior to any general, primary, or special election, the Department shall provide any general registrar, upon his request, with a separate electronic list of all registered voters in the registrar's county or city. If electronic pollbooks are used in the locality or electronic voter registration inquiry devices are used in precincts in the locality, the Department shall provide a regional or statewide list of registered voters to the general registrar of the locality. The Department shall determine whether regional or statewide data is provided. 11. Reprint and impose a reasonable charge for the sale of any part of Title 24.2, lists of precincts and polling places, statements of election results by precinct, and any other items required of the Department by law. Receipts from such sales shall be credited to the Board for reimbursement of printing expenses.

B. The Department shall be authorized to provide for the production, distribution, and receipt of information and lists through the Virginia voter registration system by any appropriate means including, but not limited to, paper and electronic means. The State Board shall promulgate rules and regulations governing the use of the immigration status and citizenship status information received from the SAVE Program.

**§ 24.2-653.01. Provisional ballots; electoral boards to make determination as to validity.**

A. The electoral board shall meet on the day following the election and determine whether each person having submitted a provisional vote pursuant to § 24.2-653 was entitled to do so as a qualified voter in the precinct in which he offered the provisional vote. In the case of persons voting provisionally pursuant to § 24.2-653.3, the electoral board shall determine of which district the person is a qualified voter. At the meeting, the voter may request an extension of the determination of the provisional vote in order to provide information to prove that the voter is entitled to vote in the precinct pursuant to § 24.2-401. The electoral board shall have the authority to grant such extensions that it deems reasonable to determine the status of a provisional vote.

If the board is unable to determine the validity of all the provisional ballots offered in the election, or has granted any voter who has offered a provisional ballot an extension, the meeting shall stand adjourned, not to exceed 10 calendar days from the date of the election, until the board has determined the validity of all provisional ballots offered in the election.

B. The electoral board shall permit one authorized representative of each political party or independent candidate in a general or special election or one authorized representative of each candidate in a primary election to remain in the room in which the determination is being made as an observer so long as he does not participate in the proceedings and does not impede the orderly conduct of the determination. Each authorized representative shall be a qualified voter of any jurisdiction of the Commonwealth. Each representative, who is not himself a candidate or party chairman, shall present to the electoral board a written statement designating him to be a representative of the party or candidate and signed by the county or city chairman of his political party, the independent candidate, or the primary candidate, as appropriate. If the county or city chairman is unavailable to sign such a written designation, such a designation may be made by the state or district chairman of the political party. However, no written designation made by a state or district chairman shall take precedence over a written designation made by the county or city chairman. Such statement, bearing the chairman's or candidate's original signature, may be photocopied and such photocopy shall be as valid as if the copy had been signed.

Notwithstanding the provisions of the Virginia Freedom of Information Act (§ 2.2-3700 et seq.), attendance at meetings of the electoral board to determine the validity of provisional ballots shall be permitted only for the authorized representatives provided for in this subsection, for the persons whose provisional votes are being considered and their representative or legal counsel, and for appropriate staff and legal counsel for the electoral board.

C. If the electoral board determines that such person was not entitled to vote as a qualified voter in the precinct or district in which he offered the provisional vote, is unable to determine his right to vote, or has not been provided one of the forms of identification specified in subsection B of § 24.2-643, or the signed statement that the voter is the named registered voter he claims to be, the envelope containing his ballot shall not be opened and his vote shall not be counted. The general registrar shall notify in writing pursuant to § 24.2-114 those persons found not properly registered or whose provisional vote was not counted.

The provisional vote shall be counted if (i) such person is entitled to vote in the precinct pursuant to § 24.2-401 or (ii) the Department of Elections or the voter presents proof that indicates the voter submitted an application for registration to a state-designated voter registration agency or the voter's information was

transmitted by (a) the Department of Motor Vehicles to the Department of Elections pursuant to § 24.2-411.3 or (b) the clerks of the circuit courts of the Commonwealth, the Department of Wildlife Resources, or the Milk Commission pursuant to § 24.2-411.4, 24.2-411.5, or 24.2-411.6 prior to the close of registration pursuant to § 24.2-416 and the registrar determines that the person was qualified for registration based upon the application for registration submitted by the person pursuant to subsection B of § 24.2-652.

If the electoral board determines that such person was entitled to vote, the name of the voter shall be entered in a provisional votes pollbook and marked as having voted, the envelope shall be opened, and the ballot shall be placed in a ballot container without any inspection further than that provided for in § 24.2-646.

D. On completion of its determination, the electoral board shall proceed to count such ballots and certify the results of its count. Its certified results shall be added to those found pursuant to § 24.2-671. No adjustment shall be made to the statement of results for the precinct in which the person offered to vote. However, any voter who cast a provisional ballot and is determined by the electoral board to have been entitled to vote shall have his name included on the list of persons who voted that is submitted to the Department of Elections pursuant to § 24.2-406.

E. The certification of the results of the count together with all ballots and envelopes, whether open or unopened, and other related material shall be delivered by the electoral board to the clerk of the circuit court and retained by him as provided for in §§ 24.2-668 and 24.2-669.
