§ 32.1-261. New certificate of birth established on proof of adoption, legitimation, or determination of paternity, or change of sex.

A. The State Registrar shall establish a new certificate of birth for a person born in the Commonwealth upon receipt of the following:

1. An adoption report as provided in § 32.1-262, a report of adoption prepared and filed in accordance with the laws of another state or foreign country, or a certified copy of the decree of adoption together with the information necessary to identify the original certificate of birth and to establish a new certificate of birth; except that a new certificate of birth shall not be established if so requested by the court decreeing the adoption, the adoptive parents, or the adopted person if 18 years of age or older.

2. A request that a new certificate be established and such evidence as may be required by regulation of the Board proving that such person has been legitimated or that a court of the Commonwealth has, by final order, determined the paternity of such person. The request shall state that no appeal has been taken from the final order and that the time allowed to perfect an appeal has expired.

3. An order entered pursuant to subsection D of § 20-160. The order shall contain sufficient information to identify the original certificate of birth and to establish a new certificate of birth in the names of the intended parents.

4. A surrogate consent and report form as authorized by § 20-162. The report shall contain sufficient information to identify the original certificate of birth and to establish a new certificate of birth in the names of the intended parents.

6. Nothing in this section shall deprive the circuit court of equitable jurisdiction to adjudicate, upon application of a person, that the sex of such person residing within the territorial jurisdiction of the circuit court has been changed. In such an action, the person may petition for the application of the standard of the person's jurisdiction of birth; otherwise, the requirements of this section shall apply.

B. When a new certificate of birth is established pursuant to subsection A, the actual place and date of birth shall be shown. It shall be substituted for the original certificate of birth. Thereafter, the original certificate and the evidence of adoption, paternity or legitimation shall be sealed and filed and not be subject to inspection except upon request by the adult adopted person pursuant to § 63.2-1246, upon order of a court of the Commonwealth, or in accordance with § 32.1-252. However, upon receipt of notice of a decision or order granting an adult adopted person access to identifying information regarding his birth parents from the Commissioner of Social Services or a circuit court, and proof of identification and payment, the State Registrar shall mail an adult adopted person a copy of the original certificate of birth.

C. Upon receipt of a report of an amended decree of adoption, the certificate of birth shall be amended as provided by regulation.
