10	Be it enacted by the General Assembly of Virginia:
11	1. That the Code of Virginia is amended by adding a section numbered 2.2-4311.3 as follows:
12	§ 2.2-4311.3. Compliance with state law; contract terms inconsistent with state law.
13	A. As used in this section, "information technology goods and services" means communications,
14	telecommunications, automated data processing, applications, databases, data networks, management
15	information systems, and other related goods and services.
16	B. No term or provision in any public contract for the acquisition of information technology goods or
17	services shall be valid or enforceable to the extent that it is in conflict with Virginia law. A public contract
18	containing such a term or provision shall otherwise remain enforceable.
19	C. Any term or provision in such a public contract that (i) makes the public contract subject to, governed
20	by, or interpreted under the laws of another state or country or (ii) requires or permits any litigation or other
21	dispute resolution proceeding arising from the public contract to be conducted in another state or country
22	shall be void. Such public contract shall instead be deemed to provide for the application of the law of the
23	Commonwealth of Virginia, without regard to such contract's choice of law provisions, and to provide for
24	jurisdiction in the courts of the Commonwealth.
25	2. That the provisions of this act shall apply to any public contract that becomes effective or is renewed
26	or amended on or after July 1, 2025.

2. That the provisions of this act shall apply to any public contract that becomes effective or is renewed or amended on or after July 1, 2025.
