HOUSE BILL NO. 2467 Offered January 13, 2025

Prefiled January 8, 2025

A BILL to amend and reenact §§ 53.1-1, 53.1-2, 53.1-4, 53.1-5, 53.1-6, 53.1-6.1, 53.1-68, and 53.1-127 of the Code of Virginia and to amend the Code of Virginia by adding sections numbered 53.1-6.2 through 53.1-6.5, relating to the State Board of Local and Regional Jails; oversight of local and regional jails; powers and duties.

Patrons—Henson, Cherry, Gardner, Clark, Cole, Convirs-Fowler, Cousins, Feggans, Hope, Martinez, Mundon King and Seibold

Referred to Committee on Public Safety

Be it enacted by the General Assembly of Virginia:

1. That §§ 53.1-1, 53.1-2, 53.1-4, 53.1-5, 53.1-6, 53.1-6.1, 53.1-68, and 53.1-127 of the Code of Virginia are amended and reenacted and that the Code of Virginia is amended by adding sections numbered 53.1-6.2 through 53.1-6.5 as follows:

§ 53.1-1. Definitions.

As used in this title, unless the context requires a different meaning:

"Board" or "State Board" means the State Board of Local and Regional Jails.

"Community correctional facility" means any group home, halfway house or other physically unrestricting facility used for the housing, treatment or care of adult offenders established or operated with funds appropriated to the Department of Corrections from the state treasury and maintained or operated by any political subdivision, combination of political subdivisions or privately operated agency within the Commonwealth.

"Community supervision" means probation, parole, postrelease supervision, programs authorized under the Comprehensive Community Corrections Act for local responsible offenders, and programs authorized under Article 7 (§ 53.1-128 et seq.) of Chapter 3.

"Correctional officer" means a duly sworn employee of the Department of Corrections whose normal duties relate to maintaining immediate control, supervision and custody of prisoners confined in any state correctional facility.

"Department" means the Department of Corrections.

"Deputy sheriff" means a duly sworn officer appointed by a sheriff pursuant to § 15.2-1603 whose normal duties include, but are not limited to, maintaining immediate control, supervision and custody of prisoners confined in any local correctional facility and may include those duties of a jail officer.

"Director" means the Director of the Department of Corrections.

"Jail officer" means a duly sworn employee of a local correctional facility, except for deputy sheriffs, whose normal duties relate to maintaining immediate control, supervision and custody of prisoners confined in any local correctional facility. This definition in no way limits any authority otherwise granted to a duly sworn deputy sheriff whose duties may include those of a jail officer.

"Local correctional facility" means any jail, jail farm or other place used for the detention or incarceration of adult offenders, excluding a lock-up, which is owned, maintained, or operated by any political subdivision or combination of political subdivisions of the Commonwealth. For the purposes of subsection B E of § 53.1-68 and §§ 53.1-69, 53.1-69.1, and 53.1-127, "local correctional facility" also includes any facility owned, maintained, or operated by any political subdivision or combination of political subdivisions of the Commonwealth that is used for the detention or incarceration of people pursuant to a contract or third-party contract with the federal government or any agency or contractor thereof.

"Lock-up" means a facility whose primary use is to detain persons for a short period of time as determined by the Board.

"State correctional facility" means any correctional center or correctional field unit used for the incarceration of adult offenders established and operated by the Department of Corrections, or operated under contract pursuant to § 53.1-262. This term shall include "penitentiary" whenever used in this title or other titles of the Code.

§ 53.1-2. Appointment of members; qualifications; terms and vacancies.

There shall be a State Board of Local and Regional Jails, which shall consist of 44 19 residents of the Commonwealth appointed by the Governor and subject to confirmation by the General Assembly. In making appointments, the Governor shall endeavor to select appointees of such qualifications and experience that the membership of the Board shall include persons suitably qualified to consider and act upon the various matters under the Board's jurisdiction. Members of the Board shall be appointed as follows: (i) two members of the

HB2467 2 of 9

Senate who are not members of the same political party, to be appointed by the Senate Committee on Rules; (ii) two members of the House of Delegates who are not members of the same political party, to be appointed by the Speaker of the House of Delegates; and (iii) the following nonlegislative citizen members to be appointed by the Governor and subject to confirmation by the General Assembly: (a) one former sheriff; (ii) (b) one former superintendent of a regional jail facility; $\frac{1}{1}$ (c) two individuals employed by a public mental health services agency with training in or clinical, managerial, or other relevant experience working with individuals subject to the criminal justice system who have mental illness; (iv) (d) one individual with experience overseeing a correctional facility's or mental health facility's compliance with applicable laws, rules, and regulations; (v) (e) one physician licensed in the Commonwealth; (v) (f) one individual with experience in administering educational or vocational programs in state or local correctional facilities; (vii) (g) one individual with experience in financial management or performing audit investigations; (viii) (h) one citizen member who represents community interests; and (ix) (i) two individuals with experience in conducting criminal, civil, or death investigations; (j) one representative of a nonprofit organization that provides training or rehabilitation programs for incarcerated inmates; (k) one male citizen and one female citizen who were formerly incarcerated within the Commonwealth for a term of imprisonment of three years or more within the 10 years immediately preceding their appointments, provided that such citizens have had their civil rights restored by the Governor; and (1) one person who is a grandparent, parent, child, sibling, or spouse or domestic partner of a person currently incarcerated within the Commonwealth who is serving a term of incarceration of three years or more. In making the nonlegislative appointments, the Governor shall endeavor to select appointees of such qualifications and experience that the membership of the Board shall include persons suitably qualified to consider and act upon the various matters under the Board's jurisdiction

Members of the Board shall serve at the pleasure of the Governor and shall be appointed for terms of four years and nonlegislative members shall serve at the pleasure of the Governor. A vacancy other than by expiration of a term shall be filled by the Governor for the unexpired term.

No person shall be eligible to serve more than two full consecutive four-year terms.

§ 53.1-4. Meetings; quorum; officers; main office.

The Board shall meet at least six times each calendar year and at other times as it deems appropriate. Five Nine members of the Board shall constitute a quorum. The Board shall select a chairman and secretary from its membership. The main office of the Board shall be in Richmond. The Board shall also hold at least two public hearings each year to present, review, and discuss the Board's inspections, findings, reports, and recommendations set forth in the Board's annual report.

§ 53.1-5. Powers and duties of Board.

The Board shall have the following powers and duties:

- 1. To develop and establish operational and fiscal standards governing the operation of local, regional, and community correctional facilities;
 - 2. To advise the Governor and Director on matters relating to corrections;
- 3. To make, adopt and promulgate such rules and regulations as may be necessary to carry out the provisions of this title and other laws of the Commonwealth pertaining to local, regional, and community correctional facilities. The Board, when promulgating regulations and adopting any policy or guidance document related to the enforcement of any minimum standards applicable to local, regional, and community correctional facilities, shall expressly and specifically include such items in its published agenda for meetings of the Board or any of its subcommittees. No standard, policy, or guidance document may be promulgated, amended, or rescinded in entirety or in part without compliance with this article;
- 4. To ensure the development of programs to educate citizens and elicit public support for the activities of the Department Board;
- 5. To develop and implement policies and procedures for the review of the death of any inmate that the Board determines warrants review that occurs in any local, regional, or community correctional facility. Such policies and procedures shall incorporate the Board's authority under § 53.1-6 to ensure the production of evidence necessary to conduct a thorough review of any such death. Notwithstanding any other provision of law, the Board shall adhere to procedures of the Administrative Process Act (§ 2.2-4000 et seq.) in promulgating such policies and procedures;
- 6. To establish minimum standards for health care services, including medical, dental, pharmaceutical, and behavioral health services, in local, regional, and community correctional facilities and procedures for enforcing such minimum standards, with the advice of and guidance from the Commissioner of Behavioral Health and Developmental Services and State Health Commissioner or their designees. Notwithstanding any other provision of law, the Board shall adhere to procedures of the Administrative Process Act (§ 2.2-4000 et seq.) in promulgating such policies and procedures. Such minimum standards shall require that each local, regional, and community correctional facility submit a standardized quarterly continuous quality improvement report documenting the delivery of health care services, along with any improvements made to those services, to the Board. The Board shall make such reports available to the public on its website. The

Board may determine that any local, regional, or community correctional facility that is accredited by the American Correctional Association or National Commission on Correctional Health Care meets such minimum standards solely on the basis of such facility's accreditation status; however, without exception, the requirement that each local, regional, and community correctional facility submit a standardized quarterly continuous quality improvement report to the Board shall be a mandatory minimum standard; and

7. To provide information, as appropriate, to inmates, family members, representatives of inmates, and local, regional, and community correctional facility employees and contractors and others regarding the rights of inmates;

8. To monitor conditions of confinement in local, regional, and community correctional facilities and assess compliance with applicable federal, state, and local rules, regulations, policies, and best practices as related to the health, safety, welfare, and rehabilitation of inmates;

9. To provide technical assistance to support inmate participation in self-advocacy;

10. To provide technical assistance to local governments in the creation of correctional facility oversight bodies, as requested, to the extent resources are available to provide such assistance;

11. To establish policies for a statewide uniform reporting system to collect and analyze data related to complaints received in or about local, regional, and community correctional facilities and that may include data related to (i) deaths, suicides, and suicide attempts in custody; (ii) physical and sexual assaults in custody; (iii) the number of inmates placed in restorative housing, solitary confinement, suicide watch, or conditions more restrictive than the general population; (iv) the number of facility lockdowns lasting longer than 24 hours; (v) the number of staff vacancies at each facility; (vi) the inmate-to-staff ratios at each facility; (vii) staff tenure, turnover, and compensation; (viii) the number of in-person visits to inmates that were made and denied at each facility; (ix) the number of inmate complaints or grievances submitted to each facility, the resolution of such complaints or grievances, and how long it took to resolve each complaint or grievance; and (x) any covered issue as specified in § 53.1-6.4;

12. To establish procedures to gather stakeholder input into the Board's activities and priorities;

13. To inspect each local correctional facility as required pursuant to § 53.1-68;

14. To monitor, document, review, and report on facility conditions in local, regional, and community facilities;

15. To monitor, document, review, and report on the operation of stores and commissaries in local correctional facilities and systems for providing electronic visitation and messaging and telephone calls, including monitoring, documenting, reviewing, and reporting on the fees charged for items sold in such stores and commissaries and for such services and any contracts that local correctional facilities have entered into with private companies for the provision of such items and services;

16. To review, monitor, and report on the administrative remedy process of local, regional, and community correctional facilities, including the availability of any complaint and grievance forms at such facilities, the accessibility of the remedy process to inmates and their representatives at each facility, and the timely, unbiased resolution of complaints or grievances by the facilities;

17. To review, monitor, and report and make recommendations on policies related to (i) attorney access to clients for calls and visitation; (ii) access to voting for incarcerated individuals who are eligible to vote; and (iii) the collection of data on suicides, suicide attempts, and self-harm in custody; and

18. To report annually on or before December 1 to the General Assembly and the Governor on the (i) results of the inspections and audits of local, regional, or community correctional facilities conducted pursuant to § 53.1-68 and the; (ii) reviews of the deaths of inmates that occur in any local, regional, or community correctional facility conducted pursuant to § 53.1-69.1; and (iii) results of the investigations of any complaints conducted pursuant to § 53.1-6.3. The report shall include (i) (a) a summary of the results of such inspections, audits, and reviews, and investigations, including any trends identified by such inspections, audits, and reviews, and investigations and the frequency of violations of each standard established for local, regional, or community correctional facilities, (b) a characterization of the conditions of confinement at each facility; (c) a summary of the review of the operation of stores and commissaries in local correctional facilities and systems for providing electronic visitation and messaging and telephone calls, including a review of fees charged for items sold in such stores and commissaries and for such services and any contracts that local correctional facilities have entered into with private companies for the provision of such items and services; (d) a summary of (1) available educational and rehabilitative programming, drug and mental health treatment, and inmate jobs and vocational training at each facility; (2) visitation policies and procedures at each facility; (3) medical facilities and medical policies and procedures at each facility; (4) the lockdowns reviewed by the Board; (5) staffing at each facility; and (6) physical or sexual assaults reviewed by the Board; (e) a summary of the review of and any recommendations on policies related to (1) attorney access to clients for calls and visitation; (2) access to voting for incarcerated individuals who are eligible to vote; and (3) the collection of data on suicides, suicide attempts, and self-harm in custody; and (ii) (f) any recommendations for changes to the laws or standards established for local, regional, or community correctional facilities or the policies and procedures for conducting reviews of the death of inmates to

HB2467 4 of 9

improve the operations, safety, and security of local, regional, or community correctional facilities. Such report shall be made available to the public online.

§ 53.1-6. Board access to facilities and records; authorization to administer oaths, conduct hearings, and issue subpoenas.

- A. The Board, in the exercise and performance of its functions, duties, and powers under the provisions of this title, is authorized to hold and conduct hearings, issue subpoenas requiring the attendance of witnesses and the production of records, memoranda, papers, and other documents, administer oaths, and take testimony thereunder.
- B. When a review is ordered by the Board concerning any correctional facility subject to the Board's jurisdiction or concerning the conduct of persons connected therewith, the chairman of the Board, by order of the Board, may issue a summons directed to the sheriff of the county or city in which such institution is located commanding him to summon any person to be present on a certain day at such place within such county or city as may be designated by the Board to give evidence before the Board. The Board shall have like powers to issue a summons directed to the sheriff and to direct the sheriff to enforce such summons. Local, regional, or community correctional facility employees may have counsel or a representative from their employee organization present during testimony.
- C. The chairman of the Board shall make the entry required of the clerk by § 17.1-612 concerning the amount any witness is to be paid as if the attendance of the witness was before a court. The sum to which the witness is entitled shall be paid out of the funds appropriated to the Board.
- D. The Board, including the executive director and his staff, shall have reasonable access, upon request in person or in writing and with or without prior notice, to all local, regional, and community correctional facilities, including all areas that are used by inmates, all areas that are accessible to inmates, and programs for inmates, at reasonable times, which at a minimum shall include normal working and visiting hours. This access includes the opportunity to conduct an interview with any inmate or local, regional, or community correctional facility employee or contractor or other person. This access may be used to (i) provide information about individual rights and the services available from the Board, including the name, address, and telephone number of the Board facilities or staff; (ii) conduct official inspections pursuant to § 53.1-68; (iii) conduct an official investigation as provided in § 53.1-6.3; and (iv) inspect, view, photograph, and record by video all areas of the facility that are used by inmates or are accessible to inmates. However, Board members may not visit incarcerated family members outside of local, regional, or community correctional facility visitation policies and procedures. The Board shall preserve the confidentiality of any information obtained from a local, regional, or community correctional facility in accordance with applicable state and federal laws.
- E. Access to inmates includes the opportunity to meet and communicate privately and confidentially with individuals regularly, with or without prior notice, both formally and informally, by telephone, mail, and electronic communication and in person. In the case of communications with inmates, these communications shall not be monitored by, recorded by, or conducted in the presence of employees or contractors of the local, regional, or community correctional facility. Meetings with inmates may be recorded by members of the Board at their discretion and with the inmate's consent. Any such recordings are subject to the provisions of § 53.1-6.2.
- F. The Board shall provide a statewide toll-free telephone number, website, and mailing address for the receipt of complaints and inquiries.
- G. The Board shall have the right to access, inspect, and copy all relevant information, records, or documents in the possession or control of the local, regional, or community correctional facility, with the exception of confidential employee files, that the Board considers necessary in an investigation of a complaint filed under this article, and the local, regional, or community correctional facility shall assist the Board in obtaining the necessary releases for those documents that are specifically restricted or privileged for use by the Board. The Board shall preserve the confidentiality of any information obtained from the local, regional, or community correctional facility in accordance with applicable state and federal laws.
- H. Access to local, regional, or community correctional facility employees or contractors includes the opportunity to meet and communicate privately and confidentially with individuals during inspections or normal working hours, with or without prior notice, both formally and informally, by telephone, mail, and electronic communication and in person. Meetings with local, regional, or community correctional facility employees or contractors may be recorded by members of the Board at their discretion and with the individual's consent.
- I. Following notification from the Board of a written request for access to local, regional, or community correctional facility records, the designated local, regional, or community correctional facility staff shall provide the Board with access to the requested documentation not later than 20 days after receipt of the written request. If the records requested pertain to (i) an inmate death; (ii) threats of bodily harm, including sexual or physical assaults; or (iii) the denial of necessary medical treatment, the records shall be provided within five days unless the Board consents to an extension.
 - J. The Board shall work with the local, regional, or community correctional facilities to minimize

disruption to operations of such facilities due to an investigation by the Board. The Board shall comply with security processes of such facilities, provided these processes do not impede the investigation or resulting activities of the Board.

§ 53.1-6.1. Executive director; staff; compensation.

The Board may appoint and employ an executive director and such other persons as it deems necessary to assist it in carrying out its duties. The Board may determine the duties of such staff and fix their salaries or compensation within the amounts appropriate therefor. The duties of the executive director shall include management of (i) inspections and audits of local, regional, or community correctional facilities conducted pursuant to § 53.1-68 and; (ii) reviews of the deaths of inmates that occur in any local, regional, or community correctional facility conducted pursuant to § 53.1-69.1; and (iii) the statewide uniform reporting system to collect and analyze data related to complaints received by local, regional, and community correctional facilities established by the Board pursuant to § 53.1-5. The executive director shall (a) attend each hearing conducted by the Board and provide any testimony, documents, data, or information requested by Board members; (b) meet at least twice each year with the Chair of the Board and the Governor to report on the work and findings of the Board; and (c) provide testimony before the relevant committees of the General Assembly upon request from any committee chairman or vice-chairman.

§ 53.1-6.2. Communications; confidentiality.

- A. Unless otherwise part of the public record, the following records shall be kept confidential from the general public and not subject to the Virginia Freedom of Information Act (§ 2.2-3700 et seq.):
- 1. Complaints received by the Board, as well as statements, documentation, and other evidence received or maintained by the Board or its agents in connection with complaints made to or investigations undertaken pursuant to the Board's powers under §§ 53.1-68 and 53.1-6.3, including the identities of recipients of Board services, complainants, and individuals from whom information is acquired.
- 2. Photographs or video recordings taken within a local, regional, or community correctional facility pursuant to subsection D of § 53.1-6, if the Board determines that such photographs or video recordings contain information that is not otherwise publicly available and their dissemination to the public would jeopardize the safety or security of inmates or employees of the local, regional, or community correctional facility, or they can be used to identify inmates.
 - 3. Personal identifying information about corrections staff received during the course of an investigation.
- B. The Board shall establish rules and procedures to ensure the confidentiality of such information gathered and maintained by the Board. The Board shall not reveal to (i) correctional facility employees or contractors or (ii) other inmates the identity of a complainant before, during, or after an investigation to the greatest extent practicable, except as is necessary to effectively carry out an investigation.
- C. Notwithstanding anything else in this section, the Board shall disclose information as needed to prevent reasonably certain death or substantial bodily harm.
- D. The Board shall keep confidential all matters under investigation, including the identities of recipients of Board services, complainants, and individuals from whom information is acquired, unless disclosure is necessary for the performance of its duties. If the Board receives personal identifying information about corrections staff during the course of an investigation that is unnecessary or unrelated to the subject of the investigation or related recommendation, the Board shall not further disclose such information. Prior to the disclosure of any such information, the Board shall provide notice to the applicable staff person and the sheriff, jail superintendent or other jail administrator, or other person in charge of the facility.
- E. Upon receipt of information that is confidential or privileged, the Board shall maintain the confidentiality of such information and shall not further disclose or disseminate the information except as provided by applicable state or federal law or as authorized by this section.

§ 53.1-6.3. Authority to investigate complaints.

- A. The Board may initiate and attempt to resolve an investigation upon its own initiative, or upon receipt of a complaint from an inmate, a family member or representative of an inmate, or a local, regional, or community correctional facility employee or contractor, or others, regarding (i) abuse or neglect; (ii) conditions of confinement; (iii) decisions or administrative actions by a local, regional, or community correctional facility; (iv) inactions or omissions of a local, regional, or community correctional facility policies, rules, or procedures; or (vi) alleged violations of law by local, regional, or community correctional facility employees or contractors that may adversely affect the health, safety, welfare, or rights of inmates.
- B. The Board may decline to investigate any complaint. Upon declining to investigate a complaint, the Board shall notify the complainant in writing of the decision not to investigate and shall include the reasons for such decision. If the complainant is an inmate, the Board shall inform the inmate that the inmate is entitled to use the local, regional, or community correctional facility policies regarding resolution of inmate grievances and shall provide information and a complete set of forms to the inmate to complete the resolution of inmate grievances. The local, regional, or community correctional facility shall toll any procedural deadlines imposed on inmates for filing a grievance or complaint as part of the administrative remedy

HB2467 6 of 9

process until five business days after the inmate received the information and forms from the Board by inmate legal mail process. The Board shall decline to investigate a complaint if the inmate has failed to first use the local, regional, or community correctional facility policies regarding resolution of inmate grievances, unless the inmate provides evidence that the complaint is legitimate and the inmate made a good faith attempt to exhaust the administrative remedy process and was impeded or procedurally defaulted by no fault of his own. If the Board finds that inmates repeatedly assert their inability to utilize the administrative remedy process despite their good faith efforts, the Board may conduct an unannounced inspection of the facility in question to determine whether the facility is making the administrative process and grievance forms accessible to inmates.

- C. The Board shall not investigate any complaints relating to an inmate's underlying criminal arrest, charge, or conviction. The Board may refer the complainant and others to the appropriate resources or state or federal agencies.
 - D. The Board may not levy any fees for the submission or investigation of complaints.
- E. At the conclusion of an investigation, the Board shall render a decision on the merits of each complaint. The Board shall communicate the decision to the complainant and to the local, regional, or community correctional facility. The Board shall state its recommendations and reasoning if the Board determines that the local, regional, or community correctional facility, or any employee or contractor thereof, should (i) consider the matter further; (ii) modify or cancel any action; (iii) alter a rule, practice, or ruling; (iv) explain in detail the administrative action in question; or (v) rectify an omission. Upon request of the Board, the local, regional, or community correctional facility shall inform the Board in writing about any action taken on the recommendations or the reasons for not complying with such recommendations. Aggregated information related to complaints received and complaint resolutions shall be made publicly available pursuant to § 53.1-5.
- F. If the Board believes that there has been or continues to be a significant issue with inmate health, safety, welfare, or rehabilitation, the Board shall report the finding to the Governor, the Attorney General, the Senate Committee on Rehabilitation and Social Services, the House Committee on Public Safety, and the sheriff, jail superintendent or other jail administrator, or other person in charge of the facility.
- G. In the event that a local, regional, or community correctional facility conducts its own internal disciplinary investigation and review of one or more staff members as a result of the investigation of the Board, such disciplinary investigation and review may be subject to additional investigation and review by the Board to ensure a fair and objective process.
- H. Prior to announcing a conclusion or recommendation, the Board shall consult with the local, regional, or community correctional facility or any person individually named in the conclusion or recommendation. The Board may request to be notified, within a specified time, by the local, regional, or community correctional facility of any action taken on any recommendation presented.
- I. The local, regional, or community correctional facility and any employees or contractors thereof shall not discharge, retaliate against, or in any manner discriminate against any person because such person has filed any complaint or instituted or caused to be instituted any proceeding pursuant to this article. Any alleged discharge, retaliation against, or discrimination against a complainant may be considered by the Board as an appropriate subject for investigation.

§ 53.1-6.4. Inmate and family support services.

A. For the purposes of this section:

"Covered issue" includes (i) sanitation in correctional facilities; (ii) access to proper nutrition and clean and adequate water supplies; (iii) habitable temperatures in correctional facilities; (iv) physical or sexual abuse from fellow inmates; (v) physical or sexual abuse from staff, contractors, or volunteers; (vi) credible threats against self from other inmates, staff, or contractors; (vii) neglect of staff or contractors that results in physical or sexual trauma; (viii) denial or violation of rights; (ix) access to visitation and communication with family and legal representation; (x) access to medical or mental health care or substance abuse treatment; (xi) access to educational and rehabilitative programming, drug and mental health treatment, and inmate jobs and vocational training; (xii) access to the local, regional, or community correctional facility's administrative remedies process for inmates and their representatives, including the availability of complaint and grievance forms and the timely, unbiased resolution of grievances; and (xiii) adequate and qualified staffing in each local, regional, or community correctional facility.

"Family member" means a grandparent, parent, sibling, spouse or domestic partner, child, parent's sibling, cousin, sibling's child, grandchild, or any other person related by blood, adoption, marriage, or a fostering relationship.

B. The Board shall provide a statewide toll-free telephone number, a mailing address, and paper and electronic forms for inmates, family members, friends, and advocates to submit complaints and inquiries regarding covered issues on behalf of an inmate incarcerated in a local, regional, or community correctional facility. Upon receipt of a complaint or inquiry, the Board shall (i) confirm receipt of such complaint or injury and (ii) make a determination and notify the complainant as to whether an investigation is warranted.

Paper forms shall be made available to all inmates and shall be provided to inmates upon request to a local, regional, or community correctional facility employee or contractor, including when the inmate is in administrative segregation or solitary confinement. Local, regional, or community correctional facility employees and contractors must treat such paper forms as confidential and privileged in the same manner as legal correspondence or communication. All incoming and outgoing inmate mail is subject to the local, regional, or community correctional facility security screening processes and procedures. The Board and sheriff, jail superintendent or other jail administrator, or other person in charge of the facility shall guarantee that calls made by inmates, employees, and contractors to file complaints and inquiries with the Board regarding covered issues are confidential and are not monitored or recorded.

- C. The provisions of subsection I of \S 53.1-6.3 shall apply to complaints or inquiries made pursuant to this section.
- D. The executive director of the Board shall develop a short-term and long-term strategic plan that (i) is informed by visits to local, regional, or community correctional facilities, at least two public meetings, consultation with stakeholders, and review of best practices in other states; (ii) includes procedures for coordination with existing employees at the Board and local, regional, or community correctional facilities, in collaboration with those employees and with the goal of complementing existing efforts; and (iii) includes potential options and recommendations for legislation and budget actions that would support its short-term and long-term goals. The Board shall provide a report on its initial activities and strategic plan to the Governor and the General Assembly on or before November 15, 2026.

§ 53.1-6.5. Exhaustion of remedies.

Any action or lack of action by the Board on a complaint made pursuant to this article shall not be deemed an administrative procedure required for exhaustion of remedies before bringing an action pursuant to 42 U.S.C. § 1997(e).

§ 53.1-68. Minimum standards for local correctional facilities and lock-ups; health inspections, behavioral health services inspections, and personnel.

A. The Board shall establish minimum standards for the construction, equipment, administration, and operation of local correctional facilities, whether heretofore or hereafter established. However, no minimum standard shall be established that includes square footage requirements in excess of accepted national standards. The Board or its agents shall conduct at least one unannounced inspection of each local facility annually. However, in those years in which a certification audit of a facility is performed and the facility is in compliance with all the standards, the Board may elect to suspend the unannounced inspection based upon that certification audit and the history of compliance of the facility with the standards promulgated in accordance with this section, except in any year in which there is a change in the administration of a local or regional jail. The Board shall also establish minimum standards for the construction, equipment, and operation of lock-ups, whether heretofore or hereafter established. However, no minimum standard shall be established that includes square footage requirements in excess of accepted national standards. *An inspection of any facility may include an assessment of the following:*

- 1. Any policies and procedures related to the care of inmates;
- 2. Conditions of confinement;
- 3. Availability of educational and rehabilitative programming, drug and mental health treatment, and inmate jobs and vocational training;
 - 4. Any policies and procedures related to visitation;
- 5. Operation of stores and commissaries and systems for providing electronic visitation and messaging and telephone calls, including the fees charged for items and services and any contracts that the local correctional facility has entered into with private companies for the provision of such items and services;
 - 6. Any medical facilities and medical policies and procedures;
- 7. Any lockdowns at the facility in the time since the last inspection or, in the instance of the initial inspection, any lockdowns at the facility within the previous three years;
- 8. Staffing at the facility, including the number of staff, job assignments, the ratio of staff to inmates, and the number of staff vacancies;
- 9. Physical or sexual assaults at the facility in the time since the last inspection or, in the instance of the initial inspection, any physical or sexual assaults within the previous three years;
- 10. Inmate or staff deaths at the facility in the time since the last inspection or, in the instance of the initial inspection, any inmate or staff deaths within the previous three years;
- 11. Any policies and procedures related to correctional facility staff recruitment, training, supervision, and discipline;
- 12. Availability of complaint and grievance forms at the facility and the accessibility of the administrative remedies process to inmates and their representatives; and
- 13. Any other aspect of the operation of the facility that the Board determines is necessary to assess or that relates to a covered issue as specified in § 53.1-6.4.
 - B. Upon completion of an inspection, the Board shall produce a report to be made available to the public

HB2467 8 of 9

online and to be delivered to the Governor, the Attorney General, the Senate Committee on Rehabilitation and Social Services, the House Committee on Public Safety, and the sheriff, jail superintendent or other jail administrator, or other person in charge of the facility. The report shall include a summary of all the factors listed in subsection A, any recommendations and a safety and compliance classification with a recommended timeline for the next inspection, and the sheriff's, jail superintendent's or other jail administrator's, or other person in charge of the facility's response to the inspection.

C. The levels of classification shall be as follows:

- 1. A Tier I classification means that the facility has clear violations of rights, risks to the safety of inmates, or a severe lack of quality programming necessary for the successful rehabilitation of individuals. Such classification shall require a subsequent inspection within 12 months.
- 2. A Tier II classification means that the facility has violations of rights, substandard conditions of confinement, or substandard programming options. Such classification shall require a subsequent inspection within 18 to 36 months.
- 3. A Tier III classification means that the facility has adequate conditions of confinement and programming options. Such classification shall require a subsequent inspection within 36 months.
- D. The correctional facility shall respond in writing to each inspection report issued by the Board within 30 days of the issuance of the report and in its response shall include a corrective action plan. The Board shall monitor the correctional facility's compliance with the corrective action plan and may conduct further inspections or investigations as necessary to ensure such compliance.
- E. Standards concerning sanitation in local correctional facilities and procedures for enforcing these standards shall be promulgated by the Board with the advice and guidance of the State Health Commissioner. The Board, in conjunction with the Board of Health, shall establish a procedure for the conduct of at least one unannounced annual health inspection by the State Health Commissioner or his agents of each local correctional facility. The Board and the State Health Commissioner may authorize such other announced or unannounced inspections as they consider appropriate.
- C. F. The Board shall establish minimum standards for behavioral health services in local correctional facilities and procedures for enforcing such minimum standards, with the advice of and guidance from the Commissioner of Behavioral Health and Developmental Services and the State Inspector General.

Such standards shall include:

- 1. Requirements for behavioral health services provided in jails, including requirements for (i) behavioral health screening of individuals committed to local correctional facilities; (ii) referral of individuals committed to local correctional facilities for whom a behavioral health screening indicates reason to believe the person may have mental illness to a behavioral health service provider for a behavioral health assessment; and (iii) the provision of behavioral health services in local correctional facilities, as well as regulations directing the sharing of medical and mental health information and records in accordance with § 53.1-133.03. Requirements related to behavioral health screenings and assessments shall include a requirement that in cases in which there is reason to believe an individual is experiencing acute mental health distress or is at risk for suicide, (a) staff of the local correctional facility shall consult with the behavioral health service provider to implement immediate interventions and shall provide ongoing monitoring to ensure the safety of the individual and (b) the behavioral health assessment shall be completed within 72 hours of completion of the behavioral health screening, except that if the 72-hour period ends on a day that is a Saturday, Sunday, or legal holiday;
- 2. Requirements for discharge planning for individuals with serious mental illness assessed as requiring behavioral health services upon release from the local correctional facility, which shall include (i) creation of a discharge plan, as soon as practicable after completion of the assessment required pursuant to subdivision 1, and (ii) coordination of services and care with community providers, community supervision agencies, and, as appropriate, the individual's family in accordance with the discharge plan until such time as the individual has begun to receive services in accordance with the discharge plan or for a period of 30 days following release from the local correctional facility, whichever occurs sooner. Discharge plans shall ensure access to the full continuum of care for the individual upon release from the local correctional facility and shall include provisions for (a) linking the individual for whom the discharge plan has been prepared to the community services board in the jurisdiction in which he will reside following release and to other supports and services necessary to meet his service needs and (b) communication of information regarding the individual's treatment needs and exchange of treatment records among service providers;
- 3. A requirement for at least one unannounced annual inspection of each local correctional facility by the Board or its agents to determine compliance with the standards for behavioral health services established pursuant to this subsection and such other announced or unannounced inspections as the Board may deem necessary to ensure compliance with the standards for behavioral health services established pursuant to this subsection; and
 - 4. Provisions for the billing of the sheriff in charge of a local correctional facility or superintendent of a

regional correctional facility by and payment by such sheriff or superintendent to a community services board that provides behavioral health services in the local correctional facility, in accordance with § 53.1-126.

E. H. The superintendent of a regional jail or jail farm shall establish minimum performance standards and management practices to govern the employees for whom the superintendent is responsible.

§ 53.1-127. Who may enter interior of local correctional facilities; searches of those entering.

A. Members of the local governing bodies that participate in the funding of a local correctional facility may go into the interior of that facility. The Governor, and members of the General Assembly, and agents of the Board may go into the interior of any local correctional facility. In addition, (i) Department of Corrections staff and state and local health department staff shall, in the performance of their duties, have access to the interior of any local correctional facility subject to the standards promulgated pursuant to subsections A and B E of § 53.1-68 and (ii) the Board and agents of the Board, including the executive director of the Board and his staff, shall have access to all local, regional, and community correctional facilities pursuant to §§ 53.1-6 and 53.1-68. Attorneys shall be permitted in the interior of a local correctional facility to confer with prisoners who are their clients and with prisoners who are witnesses in cases in which they are involved. Except for the announced or unannounced inspections authorized pursuant to subsections A and B E of § 53.1-68 or, a review conducted pursuant to § 53.1-69.1, or any access by the Board and agents of the Board, including the executive director of the Board and his staff, pursuant to §§ 53.1-6 and 53.1-68, the sheriff, jail administrator, or other person in charge of the facility shall prescribe the time and conditions under which attorneys and other persons may enter the local correctional facility for which he is responsible.

B. Any person seeking to enter the interior of any local correctional facility shall be subject to a search of his person and effects. Such search shall be performed in a manner reasonable under the circumstances and may be a condition precedent to entering a local correctional facility.
