**ORIGINAL**

**Bill Number:** SB986   **Patron:** Williams Graves  
**Bill Title:** Assault and battery; sports official; penalty.

**Bill Summary:** Makes it a Class 1 misdemeanor for a person to commit an assault or assault and battery against another knowing or having reason to know that such individual is a sports official, defined in the bill, for an entity sponsoring an interscholastic or intercollegiate sports event or any person performing services as a sports official for a public entity or a private, nonprofit organization that sponsors an amateur sports event who is engaged in the performance of his duties. The bill requires such person, upon conviction, be prohibited from attending any such sports event operated by the entity or organization that employed such sports official for a period of not less than six months as a term and condition of such sentence.

**Budget Amendment Necessary:** No                                       **Items Impacted:**  
**Explanation:** Indeterminate.

**Fiscal Summary:** There is not enough information available to reliably estimate the increase in jail population as a result of this proposal that creates an additional Class 1 misdemeanor.

**Fiscal Analysis:** The proposed legislation creates a new Class 1 misdemeanor for a person to commit an assault or assault and battery against a sports official, as defined in the bill. Anyone convicted of a Class 1 misdemeanor is subject to a sentence of up to 12 months in jail and a fine of not more than \$2,500, either or both.

There is not enough information available to reliably estimate the increase in jail population as a result of this proposal. However, any increase in jail population will increase costs to the state. The Commonwealth currently pays localities \$5.00 a day for each misdemeanant or otherwise local-responsible prisoner held in a jail. It also funds a large portion of the jails' operating costs, e.g., correctional officers. The state's share of these costs on a per prisoner, per day basis varies from locality to locality. However, according to the Compensation Board's most recent Jail Cost Report (November 2024), the estimated total state support for local jails averaged \$56.38 per inmate, per day in FY 2023.

**Other:** None.
