Bill Number: HB1783

Patron: Orrock

Bill Title: Department of Education; career and technical education; definition of "career and technical student organization"; establishment of chapters of career and technical student organizations; requirements.

Bill Summary: Clarifies the criteria for establishing a chapter of a career and technical student organization, as that term is defined in the bill, in any public middle or high school by providing that any such public middle or high school may establish a chapter of a career and technical student organization, provided that such chapter (i) is established in compliance with and meets any criteria set forth in any applicable Board of Education regulations and policies and (ii) meets any requirements set forth in the regulations, bylaws, or constitution of the applicable state or national unit for such career and technical student organization.

Budget Amendment Necessary: No

Items Impacted: None

Explanation: There is no anticipated state fiscal impact as a result of the provisions of this bill. Any impact to local school divisions is indeterminate.
