Bill Number: HB2055

Patron: Reaser

Bill Title: Student health and safety; responsibility to contact parent of student at imminent risk of suicide; provision of suicide prevention materials required.

Bill Summary: Requires any person licensed as administrative or instructional personnel by the Board of Education and employed by a local school board who in the scope of his employment has reason to believe, as a result of direct communication from a student, that such student is at imminent risk of suicide to, in addition to contacting at least one of such student's parents to provide notice of the student's mental state, provide to the parent materials on suicide prevention that (i) shall include information on the requirements set forth in current law relating to the safe storage of firearms in the presence of minors and (ii) may include guidance on best practices and strategies for limiting a student's access to lethal means, including firearms and medications. The bill requires any such materials on suicide prevention to be selected in accordance with the guidelines developed by the Board pursuant to applicable law and to include materials that have been pre-approved for such use by the Board.
