Bill Number: SB 805

Patron: Surovell

Bill Title: Child support; updates amounts in the schedule of basic support obligations

Bill Summary: The proposed legislation changes the amounts in the schedule of basic child support obligations based upon gross monthly income and calculates such obligations for specific amounts up to a gross monthly income of \$42,500. Under current law, such child support obligations are calculated up to a gross monthly income of \$35,000.

Budget Amendment Necessary: No

Items Impacted: None

Fiscal Summary: The bill is expected to have minimal fiscal impact on impacted agencies.

Fiscal Analysis: The bill could increase the monthly child support obligation for noncustodial parents, no significant fiscal impact is expected for the Department of Social Services. Any costs necessary program and systems updates are expected to be minimal and can be absorbed within existing resources.

Should any fiscal impact on courts be determined, this statement will be updated.
