Bill Number: HB2083

Patron: Shin

Bill Title: Virginia Health Benefit Exchange; special enrollment period for pregnancy.

Bill Summary: Requires the Virginia Health Benefit Exchange to provide for a special enrollment period for a pregnant qualified individual to enroll in a qualified health plan, as defined in existing law, at any time after the commencement of the pregnancy, as certified by a health care practitioner.

Budget Amendment Necessary: No.

Items Impacted: None

Explanation: Not applicable

Fiscal Summary: The fiscal impact estimate on the State Corporation Commission is preliminary, but it is expected to be minimal.

General Fund Expenditure Impact: None

Nongeneral Fund Expenditure Impact: None

Position Impact: None

Fiscal Analysis: The bill directs the Virginia Health Benefit Exchange of the State Corporation Commission to provide for a special enrollment period for a pregnant qualified individual to enroll in a qualified health plan at any time after the commencement of the pregnancy, as certified by a health care practitioner.

This bill, as introduced, will require minimal system changes. These changes and any potential increase in calls to the consumer assistance helpline can be managed with existing resources.

Other: None
