6616 ARTICLE IV. Compact Committee.

6617 § 6. Compact committee established.

6618 There is hereby created an interstate governmental entity to be known as the "compact committee," which
6619 shall be composed of one official from the racing commission or its equivalent in each party state who shall
6620 be appointed, serve, and be subject to removal in accordance with the laws of the party state he represents.
6621 Pursuant to the laws of his party state, each official shall have the assistance of his state's racing commission
6622 or the equivalent thereof in considering issues related to licensing of participants in live racing and in
6623 fulfilling his responsibilities as the representative from his state to the compact committee. If an official is
6624 unable to perform any duty in connection with the powers and duties of the compact committee, the racing
6625 commission or equivalent thereof from his state shall designate an alternate who shall serve in his place and
6626 represent the party state as its official on the compact committee until that racing commission or equivalent
6627 thereof determines that the original representative official is able once again to perform his duties as that
6628 party state's representative official on the compact committee. The designation of an alternate shall be
6629 communicated by the affected state's racing commission or equivalent thereof to the compact committee as
6630 the committee's bylaws may provide.

6631 § 7. Powers and duties of compact committee.

6632 In order to carry out the purposes of this compact, the compact committee is hereby granted the power
6633 and duty to:

6634 1. Determine which categories of participants in live racing, including but not limited to owners, trainers,
6635 jockeys, grooms, mutuel clerks, racing officials, veterinarians, and farriers, and which categories of
6636 equivalent participants in live racing with pari-mutuel wagering authorized in two or more of the party
6637 states, should be licensed by the committee, and establish the requirements for the initial licensure of
6638 applicants in each such category, the term of the license for each category, and the requirements for renewal
6639 of licenses in each category, provided, however, that with regard to requests for criminal records on the
6640 issuance or renewal of a license, the compact committee shall determine for each category of participants in
6641 live racing which licensure requirements for that category are, in its judgment, the most restrictive licensure
6642 requirements of any party state for that category and shall adopt licensure requirements for that category

6643 *that are, in its judgment, comparable to those most restrictive requirements.*

6644 *2. Investigate applicants for a license from the compact committee and, as permitted by federal and state*
6645 *law, gather information on such applicants, including criminal history record information from the Federal*
6646 *Bureau of Investigation and relevant state and local law-enforcement agencies, and, where appropriate, from*
6647 *the Royal Canadian Mounted Police and law-enforcement agencies of other countries, necessary to*
6648 *determine whether a license should be issued under the licensure requirements established by the committee*
6649 *as provided in subdivision 1. Only officials on, and employees of, the compact committee may receive and*
6650 *review such criminal history record information, and those officials and employees may use that information*
6651 *only for the purposes of this compact. No such official or employee may disclose or disseminate such*
6652 *information to any person or entity other than another official or employee of the compact committee. The*
6653 *fingerprints of each applicant for a license from the compact committee shall be taken by the compact*
6654 *committee, its employees, or its designee and, pursuant to Public Law 92-544 or Public Law 100-413, shall*
6655 *be forwarded to a state identification bureau, or an association of state officials regulating pari-mutuel*
6656 *wagering designated by the Attorney General of the United States, for submission to the Federal Bureau of*
6657 *Investigation for a criminal history records check. Such fingerprints may be submitted on a fingerprint card*
6658 *or by electronic or other means authorized by the Federal Bureau of Investigation or other receiving*
6659 *law-enforcement agency.*

6660 *3. Issue licenses to, and renew the licenses of, participants in live racing listed in subdivision 1 who are*
6661 *found by the committee to have met the licensure and renewal requirements established by the committee.*
6662 *The compact committee shall not have the power or authority to deny a license. If it determines that an*
6663 *applicant will not be eligible for the issuance or renewal of a compact committee license, the compact*
6664 *committee shall notify the applicant that it will not be able to process his application further. Such*
6665 *notification does not constitute and shall not be considered to be the denial of a license. Any such applicant*
6666 *shall have the right to present additional evidence to, and to be heard by, the compact committee, but the*
6667 *final decision on issuance or renewal of the license shall be made by the compact committee using the*
6668 *requirements established pursuant to subdivision 1.*

6669 *4. Enter into contracts or agreements with governmental agencies and with nongovernmental persons to*
6670 *provide personal services for its activities and such other services as may be necessary to effectuate the*
6671 *purposes of this compact.*

6672 5. Create, appoint, and abolish those offices, employments, and positions, including an executive director,
6673 as it deems necessary for the purposes of this compact, prescribe their powers, duties, and qualifications,
6674 hire persons to fill those offices, employments, and positions, and provide for the removal, term, tenure,
6675 compensation, fringe benefits, retirement benefits, and other conditions of employment of its officers,
6676 employees, and other positions.

6677 6. Borrow, accept, or contract for the services of personnel from any state, the United States, or any other
6678 governmental agency, or from any person, firm, association, corporation, or other entity.

6679 7. Acquire, hold, and dispose of real and personal property by gift, purchase, lease, license, or in other
6680 similar manner, in furtherance of the purposes of this compact.

6681 8. Charge a fee to each applicant for an initial license or renewal of a license.

6682 9. Receive other funds through gifts, grants, and appropriations.

6683 § 8. Voting requirements.

6684 A. Each official shall be entitled to one vote on the compact committee.

6685 B. All action taken by the compact committee with regard to the addition of party states as provided in §
6686 3, the licensure of participants in live racing, and the receipt and disbursement of funds shall require a
6687 majority vote of the total number of officials, or their alternates, on the committee. All other action by the
6688 compact committee shall require a majority vote of those officials, or their alternates, present and voting.

6689 C. No action of the compact committee may be taken unless a quorum is present. A majority of the
6690 officials, or their alternates, on the compact committee shall constitute a quorum.

6691 § 9. Administration and management.

6692 A. The compact committee shall elect annually from among its members a chairman, a vice-chairman,
6693 and a secretary/treasurer.

6694 B. The compact committee shall adopt bylaws for the conduct of its business by a two-thirds vote of the
6695 total number of officials, or their alternates, on the committee at that time and shall have the power by the
6696 same vote to amend and rescind such bylaws. The committee shall publish its bylaws in convenient form and
6697 shall file a copy thereof and a copy of any amendments thereto with the secretary of state or equivalent
6698 agency of each of the party states.

6699 C. The compact committee may delegate the day-to-day management and administration of its duties and
6700 responsibilities to an executive director and his support staff.

6701 *D. Employees of the compact committee shall be considered governmental employees.*

6702 *§ 10. Immunity from liability for performance of official responsibilities and duties.*

6703 *No official of a party state or employee of the compact committee shall be held personally liable for any*
6704 *good faith act or omission that occurs during the performance and within the scope of his responsibilities and*
6705 *duties under this compact.*

6706 *ARTICLE V. Rights and Responsibilities of Each Party State.*

6707 *§ 11. Rights and responsibilities of each party state.*

6708 *A. By enacting this compact, each party state:*

6709 *1. Agrees (i) to accept the decisions of the compact committee regarding the issuance of compact*
6710 *committee licenses to participants in live racing pursuant to the committee's licensure requirements and (ii)*
6711 *to reimburse or otherwise pay the expenses of its official representative on the compact committee or his*
6712 *alternate.*

6713 *2. Agrees not to treat a notification to an applicant by the compact committee under subdivision 3 of § 7*
6714 *that the compact committee will not be able to process his application further as the denial of a license, or to*
6715 *penalize such an applicant in any other way based solely on such a decision by the compact committee.*

6716 *3. Reserves the right (i) to charge a fee for the use of a compact committee license in that state; (ii) to*
6717 *apply its own standards in determining whether, on the facts of a particular case, a compact committee*
6718 *license should be suspended or revoked; (iii) to apply its own standards in determining licensure eligibility,*
6719 *under the laws of that party state, for categories of participants in live racing that the compact committee*
6720 *determines not to license and for individual participants in live racing who do not meet the licensure*
6721 *requirements of the compact committee; and (iv) to establish its own licensure standards for the licensure of*
6722 *nonracing employees at horse racetracks and employees at separate satellite wagering facilities. Any party*
6723 *state that suspends or revokes a compact committee license shall, through its racing commission or the*
6724 *equivalent thereof or otherwise, promptly notify the compact committee of that suspension or revocation.*

6725 *B. No party state shall be held liable for the debts or other financial obligations incurred by the compact*
6726 *committee.*

6727 *ARTICLE VI. Construction and Severability.*

6728 *§ 12. Construction and severability.*

6729 *This compact shall be liberally construed so as to effectuate its purposes. The provisions of this compact*

6730 shall be severable, and if any phrase, clause, sentence, or provision of this compact is declared to be
6731 contrary to the Constitution of the United States or of any party state, or the applicability of this compact to
6732 any government, agency, person, or circumstance is held invalid, the validity of the remainder of this
6733 compact and the applicability thereof to any government, agency, person, or circumstance shall not be
6734 affected thereby. If all or some portion of this compact is held to be contrary to the constitution of any party

6741 **§ 29.5-614. Cooperation of departments, agencies, and officers of the Commonwealth.**

6742 All departments, agencies, and officers of the Commonwealth and its political subdivisions are hereby
6743 authorized to cooperate with the Compact Committee in furtherance of any of its activities pursuant to the
6744 Compact.

6745 *Article 3.*

6746 *Licenses and Permits.*

6747 **§ 29.5-615. Owner's and operator's license required.**

6748 A. No person shall construct, establish, or own a satellite facility where pari-mutuel wagering is
6749 permitted unless he has obtained an owner's license issued by the Commissioner in accordance with the
6750 provisions of this chapter.

6751 B. No person shall operate pari-mutuel wagering with his knowledge or acquiescence unless he has
6752 obtained an operator's license issued by the Commissioner in accordance with the provisions of this chapter.

6753 C. No license issued under the provisions of this chapter shall be transferable.

6754 **§ 29.5-616. Limited licenses; transfer of meet; taxation; authority to issue; limitations.**

6755 A. Notwithstanding the provisions of § 29.5-615 or 29.5-618 but subject to such regulations and criteria

6761 *track or place for holding races of any other organization or association licensed under this chapter upon the*
6762 *payment of any and all appropriate license fees. No such authority to transfer shall be granted without the*
6763 *express consent of the organization or association owning or leasing the track to which such transfer is*
6764 *made.*

6765 *C. For any such meeting the licensee shall retain and pay from the pool the tax as provided in Article 5 (§*

6804 *B. The Commissioner shall deny a license to an applicant if he finds that (i) for any reason, the issuance*

6806 *racing industry in the Commonwealth or would reflect adversely on the honesty and integrity of the horse*
6807 *racing industry in the Commonwealth or (ii) that the applicant, or any officer, partner, principal stockholder,*

6821 7. Is not qualified to do business in the Commonwealth or is not subject to the jurisdiction of the courts of
6822 the Commonwealth.

6823 C. The Commissioner shall deny a license to any applicant unless he finds:

6840 provided that, prior to making application for such license, (a) the facility has been approved by the Board
6841 and (b) the owner or operator of such facility has been granted tax-exempt status under § 501(c)(3) or (4) of
6842 the Internal Revenue Code.

6843 B. In deciding whether to grant any license pursuant to this section, the Commissioner shall consider (i)
6844 the results of, circumstances surrounding, and issues involved in any referendum conducted under the

6848 section.

6849 **§ 29.5-620. Refusal of owner's license.**

6860 A license issued under § 29.5-618 shall be for the period set by the Board, not to be less than 20 years,
6861 but shall be reviewed annually. The Board shall designate on the license the duration of such license, the
6862 location of such satellite facility or proposed satellite facility and such other information as it deems proper.
6863 The Board shall establish criteria and procedures for license renewal.

6864 The Board shall require (i) a bond with surety or (ii) a letter of credit, acceptable to the Board, and in an

6866 Commonwealth.

6867 **§ 29.5-622. Application for operator's license.**

6868 A. Any person desiring to operate a satellite facility shall file with the Commission an application for an

6877 *The Commissioner shall deny a license to any applicant, unless he finds:*

6878 *1. That such applicant is a corporation organized under Title 13.1 or comparable law of another state,*
6879 *and qualified to do business in the Commonwealth;*

6880 *2. That, if the corporation is a stock corporation, all principal stockholders have submitted to the*
6881 *jurisdiction of the courts of the Commonwealth and all nonresident principal stockholders have designated*
6882 *the Executive Secretary as their agent for process, and further, that an application shall also contain*
6883 *information as required by § 29.5-617;*

6884 *3. That the applicant's articles of incorporation provide that the corporation may, on vote of a majority of*
6885 *the stockholders or members, purchase at fair market value the entire membership interest of any*
6886 *stockholder, or require the resignation of any member, who is or becomes unqualified for such position under*
6887 *§ 29.5-620;*

6888 *4. That the applicant would be qualified for a license to own such satellite facility under the provisions of*
6889 *§§ 29.5-618 and 29.5-620;*

6890 *5. That the applicant has made provisions satisfactory to the Board for the detection and prosecution of*
6891 *any illegal, corrupt, or fraudulent act, practice, or conduct in connection with any race meeting or*

6894 *Thoroughbred Racing Protective Bureau or any other protective agency acceptable to the Commission and*
6895 *with the approval of the Racing Commission; and*

6896 *6. That the applicant has met the criteria established by the Board for the granting of an operator's*
6897 *license.*

6898 **§ 29.5-624. Duration, form of operator's license; bond.**

6899 *A license issued under § 29.5-623 shall be for a period of 20 years from the date of issuance, but shall be*
6900 *reviewed annually. The Board may, as it deems appropriate, change at the beginning of any year the dates on*
6901 *which the licensee is authorized to conduct pari-mutuel wagering. An applicant for renewal of a license may*
6902 *omit any information that in the opinion of the Commission is already available to it. The Board shall*
6903 *establish criteria and procedures for license renewal.*

6904 Any license issued under § 29.5-623 shall designate on its face (i) the type or types of pari-mutuel
6905 wagering for which it is issued, (ii) the location of the satellite facility where such wagering is to be
6906 conducted, (iii) the period during which such license is in effect, and (iv) such other information as the Board
6907 deems proper.

6908 The Board shall require a bond with surety acceptable to it, and in an amount determined by it to be
6909 sufficient to cover any indebtedness incurred by such licensee during the days allotted for racing.

6910 **§ 29.5-625. Denial of license final.**

6911 The denial of an owner's or operator's license by the Commissioner shall be final unless appealed under §
6912 29.5-608.

6913 **§ 29.5-626. Suspension or revocation of license final.**

6914 A. After a hearing with 15 days' notice, the Commissioner may (i) suspend or revoke any license or (ii)
6915 fine the holder of such license a sum not to exceed \$100,000 in any case where he has reason to believe that
6916 any provision of this chapter, or any regulation or condition of the Board, has not been complied with or has
6917 been violated. The Commissioner may revoke a license if he finds that facts not known by him at the time he
6918 considered the application indicate that such license should not have been issued.

6919 B. The Commissioner shall revoke any license issued under § 29.5-623 for the operation of a satellite
6920 facility if the licensee, within one year of issuance of the satellite facility license, fails to conduct (i) live
6921 racing at a racetrack licensed pursuant to § 29.5-623 or (ii) the live racing days assigned to the licensee by
6922 the Racing Commission without the permission of the Racing Commission.

6923 C. The Commissioner may summarily suspend any license for a period of not more than 90 days pending
6924 a hearing and final determination by the Board if he determines that emergency action is required to protect
6925 the public health, safety, and welfare including revenues due the Commonwealth, localities, and the
6926 horsemen's purse account. The Board shall (i) schedule a hearing within 14 business days after the license is
6927 summarily suspended and (ii) notify the licensee not less than five business days before the hearing of the
6928 date, time, and place of the hearing.

6929 D. Deliberations of the Board pursuant to this section shall be conducted pursuant to the provisions of the
6930 Virginia Freedom of Information Act (§ 2.2-3700 et seq.). If any such license is suspended or revoked, the
6931 Commissioner shall state his reasons for doing so, which shall be entered of record. Such action shall be
6932 final unless appealed in accordance with § 29.5-608. Suspension or revocation of a license by the

6933 *Commissioner for any violation shall not preclude criminal liability for such violation.*

6934 **§ 29.5-627. Acquisition of interest in licensee.**

6935 *A. The Commission shall require any person desiring to become a partner, member, or principal*
6936 *stockholder of any licensee to apply to the Commission for such approval and may demand such information*
6937 *of the applicant as it finds necessary. The Commissioner shall consider such application forthwith and shall*
6938 *approve or deny the application within 60 days of receipt. The Commissioner shall approve an application*
6939 *that meets the criteria set forth in this chapter. The Commissioner shall deny an application if in his judgment*
6940 *the acquisition by the applicant would be detrimental to the public interest or to the honesty, integrity, and*
6941 *reputation of horse racing. The Commissioner shall approve an application to acquire actual control of a*
6942 *licensee only if he finds that the applicant meets the criteria set forth in subsection B.*

6943 *B. If an applicant proposes to acquire actual control of a licensee, such person shall, pursuant to*
6944 *subsection A, submit to the Commission (i) its proposal for the future operation of any existing or planned*
6945 *satellite facility owned or operated by the licensee, (ii) such additional information as it desires, and (iii)*
6946 *such information as may be required by the Board to assure the Commissioner that the licensee, under the*
6947 *actual control of such person, will have the experience, expertise, financial responsibility, and commitment to*
6948 *comply with (a) the provisions of this chapter, (b) Board regulations and orders, (c) the requirements for the*
6949 *continued operation of the licensee pursuant to the terms and conditions in effect on the date of the*
6950 *application of all licenses held by the licensee, (d) any existing contract with a recognized majority*
6951 *horseman's group, and (e) any proposal submitted to the Commission by such person. The provisions of this*
6952 *subsection shall apply regardless of whether the control acquired is direct or indirect or whether its*
6953 *acquisition is accomplished individually or in concert with others.*

6954 *C. Any such acquisition of control without prior approval of the Commissioner shall be voidable by the*
6955 *Commission and, in such instance, the Commissioner may revoke any license he has issued to such licensee,*
6956 *order compliance with this section, or take such other action as may be appropriate within his authority.*

6957 **§ 29.5-628. Permit required; exception.**

6958 *A. No participant shall engage in any horse racing subject to the jurisdiction of the Commission or in the*
6959 *conduct of a race meeting or pari-mutuel wagering thereon, including as a horse owner, trainer, jockey,*
6960 *exercise rider, groom, stable foreman, valet, veterinarian, agent, pari-mutuel employee, concessionaire or*
6961 *employee thereof, track employee, or other position the Commission deems necessary to regulate to ensure*

6962 *the integrity of horse racing in Virginia, unless such person (i) possesses a permit therefor from the*
6963 *Commission and (ii) complies with the provisions of this chapter and all Board regulations. No permit issued*
6964 *under the provisions of this chapter shall be transferable.*

6965 *B. The Commissioner may waive the permit requirement for any person who possesses a valid permit or*
6966 *license to participate in the conduct of horse racing in another racing jurisdiction and participates in horse*
6967 *racing in Virginia on nonconsecutive racing days.*

6968 *C. Once a horse is entered to run in Virginia, all participants shall come under the jurisdiction of the*
6969 *Commission and its stewards and shall be subject to regulations of the Board and sanctions it or its stewards*
6970 *may impose.*

6971 **§ 29.5-629. Application for permit.**

6972 *Any person desiring to obtain a permit as required by this chapter shall submit an application on a form,*
6973 *and accompanied by a fee, as prescribed by the Board and verified by the oath or affirmation of the*
6974 *applicant.*

6975 **§ 29.5-630. Consideration of application.**

6976 *A. The Commissioner shall promptly consider any application for a permit and issue or deny such permit*
6977 *based on the information in the application and all other information before him, including any investigation*
6978 *he deems appropriate. If an application for a permit is approved, the Commissioner shall issue a permit,*
6979 *which shall contain such information as the Board deems appropriate. Such permit shall be valid for one*
6980 *year; however, the permit of a licensee's employee shall expire automatically when such permit holder leaves*
6981 *the employment of the licensee or at the end of one year, whichever occurs first. The licensee shall promptly*
6982 *notify the Commission when a permit holder leaves the employment of the licensee. The Board shall establish*
6983 *criteria and procedures for permit renewal.*

6984 *B. The Commissioner shall deny the application and refuse to issue the permit, which denial shall be final*
6985 *unless an appeal is taken under § 29.5-608, if he finds that the issuance of such permit to such applicant (i)*
6986 *would not be in the interests of the people of the Commonwealth or the horse racing industry of the*
6987 *Commonwealth, or would reflect on the honesty and integrity of the horse racing industry in the*
6988 *Commonwealth, or (ii) that the applicant:*

6989 *1. Has knowingly made a false statement of a material fact in the application, or has deliberately failed to*
6990 *disclose any information requested by the Commission;*

6991 2. Is or has been found guilty of any corrupt or fraudulent practice or conduct in connection with horse
6992 racing in this or any other state;

6993 3. Has knowingly failed to comply with the provisions of this chapter or the regulations of the Board;

6994 4. Has had a permit to engage in activity related to horse racing denied for just cause, suspended, or
6995 revoked in any other state, and such denial, suspension, or revocation is still in effect; or

6996 5. Is unqualified to perform the duties required for the permit sought.

6997 C. The Commissioner shall deny the application and refuse to issue the permit if, within the five years
6998 immediately preceding the date of the application for the permit sought, the applicant has been convicted of a
6999 crime involving the unlawful conduct of wagering, fraudulent use of a credential, unlawful transmission of
7000 information, touting, bribery, or administration or possession of drugs or any felony considered by the
7001 Commission to be detrimental to horse racing in the Commonwealth; the denial shall be final unless an
7002 appeal is taken under § 29.5-608. Additionally, the Commissioner may deny the application and refuse to
7003 issue any permit if the applicant has been convicted of any such crime committed prior to the five years
7004 immediately preceding the date of his application.

7005 D. The Commissioner may refuse to issue the permit if for any reason he feels the granting of such permit
7006 is not consistent with the provisions of this chapter or his responsibilities hereunder.

7007 § 29.5-631. *Suspension or revocation of permit; fine.*

7008 A. The Commissioner, acting by and through his stewards or at a Board meeting at which a quorum is
7009 present, may (i) suspend or revoke a permit issued under this chapter or fine the holder of such permit a sum
7010 not to exceed \$10,000 or (ii) suspend a permit issued by this chapter and fine the holder of such permit a sum
7011 not to exceed \$10,000 after a hearing for which proper notice has been given to the permittee, in any case
7012 where it determines by a preponderance of the evidence that any provision of this chapter, or any regulation
7013 or condition of the Board, has not been complied with or has been violated. The Commissioner may revoke
7014 such permit, after such hearing, if he finds that facts not known by him at the time he was considering the
7015 application indicate that such permit should not have been issued. Deliberations of the Commission under
7016 this section shall be conducted pursuant to the provisions of the Virginia Freedom of Information Act (§
7017 2.2-3700 et seq.). If any permit is suspended or revoked, the Commissioner shall state his reasons for doing
7018 so, which shall be entered of record. Such action shall be final unless an appeal is taken in accordance with §
7019 29.5-608. Suspension or revocation of a permit by the Commissioner for any violation shall not preclude

7020 *criminal liability for such violation.*

7021 *B. The Commissioner, acting by and through his stewards, or at a Board meeting at which a quorum is*
7022 *present, may summarily suspend the permit of a person for a period of not more than 90 days pending a*
7023 *hearing and final determination by the Commissioner or his stewards, if the Commissioner or his stewards*
7024 *determine the protection of the integrity of horse racing requires emergency action. The Commissioner or his*
7025 *stewards shall (i) schedule a hearing within 14 business days after the permit is summarily suspended and (ii)*
7026 *notify the permit holder, not less than five business days before the hearing, of the date, time, and place of the*

7581 *authorized to act as a lottery sales agent.*

7582 *B. The rules and regulations of the Department shall provide for an initial licensing fee and an annual*
7583 *license review fee to be collected from each lottery sales agent. Such fee, as promulgated by rule and*

7585 *operational costs borne by the Department in providing services to the agent.*

7586 **§ 29.5-711. Meaning of "gross receipts."**

7587 *A. Notwithstanding the provisions of Chapter 37 (§ 58.1-3700 et seq.) of Title 58.1 or § 29.5-812 relating*

7596 *The Director may suspend, revoke, or refuse to renew, after notice and a hearing, any license issued*
7597 *pursuant to this subtitle. Such license may, however, be temporarily suspended by the Director without prior*

7599 *license may be suspended, revoked, or refused renewal by the Director for one or more of the following*

7600 reasons:

7601 1. Failure to properly account for lottery tickets received or the proceeds of the sale of lottery tickets;

7602 2. Failure to file a bond if required by the Director or to comply with instructions and rules and
7603 regulations of the Department concerning the licensed activity, especially with regard to the prompt payment
7604 of claims;

7605 3. Conviction of any offense referenced in subsection C of § 29.5-709 subsequent to licensure;

7606 4. Failure to file any return or report, to keep records, or to pay any fees or other charges required by this
7607 subtitle;

7608 5. Any act of fraud, deceit, misrepresentation, or conduct prejudicial to public confidence in the
7609 Commonwealth lottery;

7610 6. If the number of lottery tickets sold by the lottery sales agent is insufficient to meet administrative costs
7611 and public convenience is adequately served by other licensees;

7612 7. A material change, since issuance of the license, with respect to any matters required to be considered
7613 by the Director under this subtitle; or

7614 8. Other factors established by Department regulation.

7615 **§ 29.5-713. Prohibited actions; penalty.**

7616 Any person who wrongfully and fraudulently uses, disposes of, conceals, or embezzles any public money
7617 or funds associated with the operation of the lottery is guilty of a Class 3 felony. Any person who wrongfully
7618 and fraudulently tampers with any equipment or machinery used in the operation of the lottery is guilty of a
7619 Class 3 felony. Any person who makes inaccurate entries regarding a financial accounting of the lottery in
7620 order to conceal the truth, defraud the Commonwealth, and obtain money to which he is not entitled is guilty
7621 of a Class 3 felony.

7622 **§ 29.5-714. License required for "instant ticket" games or contests; penalty.**

7623 No person who owns or is employed by any retail establishment in the Commonwealth shall use any
7624 "instant ticket" game or contest for the purpose of promoting or furthering the sale of any product without
7625 first obtaining a license to do so from the Director. For the purposes of this section, an "instant ticket" game
7626 or contest means a game of chance played on a paper ticket or card where (i) a person may receive gifts,
7627 prizes, or gratuities and (ii) winners are determined by preprinted concealed letters, numbers, or symbols
7628 which, when exposed, reveal immediately whether the player has won a prize or entry into a prize drawing,

7629 *but shall not include any "instant ticket" game or contest licensed by the Virginia Gaming Commission*
7630 *pursuant to Chapter 2 (§ 29.5-200 et seq.). The fact that no purchase is required in order to participate shall*
7631 *not exclude such game or contest from the provisions of this section; however, nothing in this section shall*
7632 *prohibit any retail establishment from using a Virginia lottery ticket to promote or further the sale of any*
7633 *products except those having both a federal and state excise tax placed on them. Any person convicted of a*
7634 *violation of this section is guilty of a Class 3 misdemeanor.*

7635 **§ 29.5-715. Unclaimed prizes.**

7636 *A. Unclaimed prizes for a winning ticket or share shall be retained by the Director for the person entitled*
7637 *thereto for 180 days after the drawing in which the prize was won in the case of a drawing prize and for 180*
7638 *days after the announced end of the lottery game in the case of a prize determined in any manner other than*
7639 *by means of a drawing. If no claim is made for the prize within the 180 days, the Director shall deem such*
7640 *prize forfeited by the person entitled to claim such winnings.*

7641 *B. All prizes deemed forfeited pursuant to subsection A shall be paid into the Literary Fund. The Director*
7642 *may develop procedures, to be approved by the Auditor of Public Accounts, for estimating the cumulative*
7643 *total of such unclaimed prizes in any lottery game in lieu of specifically identifying unclaimed prizes where*
7644 *such specific identification would not be cost effective. The Director, within 60 days after the end of each*
7645 *180-day retention period, shall report the total value of prizes forfeited at the end of such period to the*
7646 *Comptroller, who shall promptly transfer the total of such prizes to the Literary Fund. The total value of*
7647 *prizes forfeited during the fiscal year shall be audited by the Auditor of Public Accounts in accordance with §*
7648 *29.5-719. In the case of a prize payable over time on one or more winning tickets, if one or more winning*
7649 *tickets is not claimed within the 180-day redemption period, the Department shall transfer the then current*
7650 *monetary value of such portion of the prize remaining unclaimed to the Literary Fund in accordance with*
7651 *procedures approved by the State Treasurer. "Current monetary value" shall be determined by the net*
7652 *proceeds from the sale of that portion of jackpot securities allocated to the unclaimed winner plus the amount*
7653 *of the initial cash payment.*

7654 *C. Subsection B shall not apply to prizes of \$25 or less resulting from any lottery game other than a*
7655 *lottery game in which a drawing determined the prize. The Board shall adopt regulations for the disposition*
7656 *of all such unclaimed prizes of \$25 or less not resulting from a drawing. Such disposition shall be directed in*
7657 *whole or in part to either the Virginia Lottery Fund or to other forms of compensation to licensed sales*

7658 *agents.*

7659 *D. For purposes of this section, "prize" refers to a cash prize. In the case of a prize payable over time and*
7660 *not as a lump sum payment, "prize" means the present cash value of the prize, not the value paid over time.*

7661 *E. In accordance with the provisions of the Soldiers' and Sailors' Civil Relief Act of 1940 (50 App.*
7662 *U.S.C.A. § 525), any person whose unclaimed prize was deemed forfeited pursuant to subsection A while he*
7663 *was in active military service may claim such forfeited prize by presenting his winning ticket to the Director*
7664 *no later than 180 days after his discharge from active military service. Within 30 days of such presentation,*
7665 *the Director shall verify the claim and report the verification to the Comptroller. The Comptroller shall*
7666 *promptly pay the verified claim first from funds available in the Unclaimed Property Trust Fund; if such*
7667 *funds are insufficient, then, from any undesignated, unreserved year-end balance of the general fund. All*
7668 *verified claims shall be paid in accordance with the Board's rules and regulations then in effect regarding the*
7669 *manner of payment of prizes to the holders of winning tickets or shares.*

7670 **§ 29.5-716. Deposit of moneys received by agents; performance of functions, etc., in connection with**
7671 **operation of lottery; compensation of agents.**

7672 *A. The Director shall require all lottery sales agents to deposit to the credit of the Virginia Lottery Fund*
7673 *in banks, designated by the State Treasurer, all moneys received by such agents from the sale of lottery*
7674 *tickets or shares, less any amount paid as prizes or retained as compensation to agents for the sale of the*
7675 *tickets or shares, and to file with the Director, or his designated agents, reports of their receipts,*
7676 *transactions, and disbursements pertaining to the sale of lottery tickets in such form and containing such*
7677 *information as he may require. Such deposits and reports shall be submitted at such times and within such*
7678 *intervals as shall be prescribed by rule and regulation of the Department. The Director may arrange for any*
7679 *person, including a bank, to perform such functions, activities, or services in connection with the operation of*
7680 *the lottery as he may deem advisable pursuant to this subtitle and the rules and regulations of the*
7681 *Department, and such functions, activities, and services shall constitute lawful functions, activities, and*
7682 *services of the person.*

7683 *B. The rules and regulations of the Department shall provide for a service charge to the licensed agent if*
7684 *any payor bank dishonors a check or draft tendered for deposit to the credit of the Virginia Lottery Fund by a*
7685 *licensed agent or for an electronic transfer of funds to the Virginia Lottery Fund from the account of a*
7686 *licensed agent for money received from the sale of lottery tickets.*

7687 *The regulations of the Department shall provide for a service charge and penalty to a licensed agent if*
7688 *any payor bank dishonors a check or draft from the account of a licensed agent tendered for payment of any*
7689 *prize by a licensed agent to any claimant. Any such charge or penalty so collected by the Department shall be*
7690 *used first to reimburse the claimant for any charges or penalties incurred by him as a result of the licensed*
7691 *agent's dishonored check tendered as payment of any prize and the remainder to offset the Department's*
7692 *administrative costs.*

7693 *C. A licensed agent shall be charged interest as provided in § 58.1-15 on the money that is not timely paid*
7694 *to the Virginia Lottery Fund in accordance with the rules and regulations of the Department and shall in*
7695 *addition thereto pay penalties as provided by rules and regulations of the Department.*

7696 *D. Should the Department refer the debt of any licensed agent to the Attorney General, the Department of*
7697 *Taxation as provided in the Setoff Debt Collection Act (§ 58.1-520 et seq.), or any other central collection*
7698 *unit of the Commonwealth, an additional service charge shall be imposed in the amount necessary to cover*
7699 *the administrative costs of the Department and agencies to which such debt is referred.*

7700 *E. Notwithstanding the provisions of Chapter 5 (§ 8.01-257 et seq.) of Title 8.01, in any action for the*
7701 *collection of a debt owed by any licensed agent to the lottery, venue shall lie in the City of Richmond.*

7702 *F. All proceeds from the sale of lottery tickets or shares received by a person in the capacity of a sales*
7703 *agent shall constitute a trust fund until deposited into the Virginia Lottery Fund either directly or through the*
7704 *Department's authorized collection representative. Proceeds shall include cash proceeds of the sale of any*
7705 *lottery products, less any amount paid as prizes or retained as compensation to agents for the sale of the*
7706 *tickets or shares. Sales agents shall be personally liable for all proceeds.*

7707 *G. If the Director determines that the deposit or collection from any sales agent of any moneys or*
7708 *proceeds under this section is or will be jeopardized or will otherwise be delayed, he may adjust either the*
7709 *time or the interval or both for such deposits or collections of any sales agent; require that all such moneys*
7710 *or proceeds shall be kept separate and apart from all other funds and assets and shall not be commingled*
7711 *with any other funds or assets prior to their deposit or collection under this section; and require such other*
7712 *security of any sales agent as he may deem advisable to ensure the timely deposit or collection of moneys or*
7713 *proceeds to the credit of the Virginia Lottery Fund.*

7714 *Collection of moneys or proceeds "is or will be jeopardized or will otherwise be delayed" when (i) a*
7715 *check, draft, or electronic funds transfer to the credit of the Virginia Lottery Fund is dishonored as described*

7716 *in subsection B; (ii) an independent auditor states that the lottery sales agent's financial condition raises*
7717 *substantial doubt about its ability to continue as a going concern; or (iii) the lottery sales agent (a) closes for*
7718 *business or fails to maintain normal business hours without reasonable explanation, (b) has a credit record*
7719 *reflecting recent actions that cast doubt as to its creditworthiness, (c) states it has or may have cash flow*
7720 *problems or may be unable to meet its financial obligations, (d) states it may seek the protection of the*
7721 *federal bankruptcy or state insolvency law, (e) refuses to purchase additional lottery tickets or returns tickets*
7722 *ordered without good cause, or (f) does any other act tending to prejudice or to render wholly or partially*
7723 *ineffectual proceedings to collect moneys or proceeds that are or will become due and payable to the*
7724 *Virginia Lottery Fund.*

7725 **§ 29.5-717. Virginia Lottery Fund.**

7726 *A. All moneys received from the sale of lottery tickets or shares, less payment for prizes and compensation*
7727 *of agents as authorized by regulation and any other revenues received under this subtitle, shall be placed in a*
7728 *special fund known as the "Virginia Lottery Fund." Notwithstanding any other provisions of law, interest*
7729 *earned from moneys in the Virginia Lottery Fund shall accrue to the benefit of such Fund.*

7730 *B. The total costs for the operation and administration of the lottery shall be funded from the Virginia*
7731 *Lottery Fund and shall be in such amount as provided in the general appropriation act. Appropriations to the*
7732 *Department during any fiscal year beginning on and after July 1, 1989, exclusive of agent compensation,*
7733 *shall at no time exceed 10 percent of the total annual estimated gross revenues to be generated from lottery*
7734 *sales. However, should it be anticipated at any time by the Director that such operational and administrative*
7735 *costs for a fiscal year will exceed the limitation provided herein, the Director shall immediately report such*
7736 *information to the Board, the Governor, and the Chairmen of the Senate Committee on Finance and*
7737 *Appropriations and the House Committee on Appropriations. From the moneys in the Fund, the Comptroller*
7738 *shall establish a special reserve fund in such amount as shall be provided by regulation of the Department*
7739 *for (i) operation of the lottery, (ii) use if the game's pay-out liabilities exceed its cash on hand, or (iii)*
7740 *enhancement of the prize pool with income derived from lending securities held for payment of prize*
7741 *installments, which lending of securities shall be conducted in accordance with lending programs approved*
7742 *by the Department of the Treasury.*

7743 *C. The Comptroller shall transfer to the Lottery Proceeds Fund established pursuant to § 29.5-718, less*
7744 *the special reserve fund, the audited balances of the Virginia Lottery Fund at the close of each fiscal year.*

7745 *The transfer for each year shall be made in two parts: (i) on or before June 30, the Comptroller shall transfer*

7747 *Lottery, and (ii) no later than 10 days after receipt of the annual audit report required by § 29.5-719, the*
7748 *Comptroller shall transfer to the Lottery Proceeds Fund the remaining audited balances of the Virginia*
7749 *Lottery Fund for the fiscal year. If such annual audit discloses that the actual revenue is less than the*
7750 *estimate on which the transfer was based, the State Comptroller shall transfer the difference between the*
7751 *actual revenue and the estimate from the Lottery Proceeds Fund to the Virginia Lottery Fund.*

7752 *D. In addition to such other funds as may be appropriated, 100 percent of the lottery revenues transferred*
7753 *to the Lottery Proceeds Fund shall be appropriated entirely and solely for the purpose of public education in*
7754 *the Commonwealth unless otherwise redirected pursuant to Article X, Section 7-A of the Constitution of*

8089 administers taxes for a county, city, or town shall not disclose information to such entity unless he has
8090 obtained a written acknowledgement by such entity that the confidentiality and nondisclosure obligations of
8091 and penalties set forth in subsection A apply to such entity and that such entity agrees to abide by such

8189 representative of a condominium unit owners' association, property owners' association or real estate
8190 cooperative association, or to the owner of property governed by any such association, the names and
8191 addresses of parties having a security interest in real property governed by any such association; however,
8192 such information shall be released only upon written request stating the reason for such request, which reason
8193 shall be limited to proposing or opposing changes to the governing documents of the association, and any
8194 information received by any person under this subsection shall be used only for the reason stated in the
8195 written request. The treasurer or other local assessing official may require any person requesting information
8196 pursuant to clause (iii) of this subsection to pay the reasonable cost of providing such information. Any
8197 person to whom tax information is divulged pursuant to this subsection shall be subject to the prohibitions
8198 and penalties prescribed herein as though he were a tax official.

8199 Notwithstanding the provisions of subsection A or B or any other provisions of this title, the treasurer or
8200 other collector of taxes for a county, city or town is authorized to provide information relating to any motor
8201 vehicle, trailer or semitrailer obtained by such treasurer or collector in the course of performing his duties to
8202 the commissioner of the revenue or other assessing official for such jurisdiction for use by such
8203 commissioner or other official in performing assessments.

8204 This section shall not be construed to prohibit a local tax official from imprinting or displaying on a motor

8206 particular motor vehicle for which that local license decal is assigned.

8207 E. Notwithstanding any other provisions of law, state agencies and any other administrative or regulatory
8208 unit of state government shall divulge to the Tax Commissioner or his authorized agent, upon written request,

8209 the name, address, and social security number of a taxpayer, necessary for the performance of the
8210 Commissioner's official duties regarding the administration and enforcement of laws within the jurisdiction of

8220 this subsection is guilty of a Class 1 misdemeanor.

8221 **§ 58.1-439. Major business facility job tax credit.**

8222 A. For taxable years beginning on and after January 1, 1995, but before July 1, 2025, a taxpayer shall be
8223 allowed a credit against the taxes imposed by Articles 2 (§ 58.1-320 et seq.), 6 (§ 58.1-360 et seq.), and 10 (§
8224 58.1-400 et seq.) of Chapter 3; Chapter 12 (§ 58.1-1200 et seq.); Article 1 (§ 58.1-2500 et seq.) of Chapter
8225 25; or Article 2 (§ 58.1-2620 et seq.) of Chapter 26 as set forth in this section.

8226 B. For purposes of this section, the amount of any credit attributable to a partnership, electing small
8227 business corporation (S corporation), or limited liability company shall be allocated to the individual partners,
8228 shareholders, or members, respectively, in proportion to their ownership or interest in such business entities.

8229 C. A "major business facility" is a company that satisfies the following criteria:

8230 1. Subject to the provisions of subsections K or L, the establishment or expansion of the company shall
8231 result in the creation of at least 50 jobs for qualified full-time employees; the first such 50 jobs shall be
8232 referred to as the "threshold amount"; and

8233 2. The company is engaged in any business in the Commonwealth, except a retail trade business if such
8234 trade is the principal activity of an individual facility in the Commonwealth. Examples of types of major
8235 business facilities that are eligible for the credit provided under this section include, but are not limited to, a
8236 headquarters, or portion of such a facility, where company employees are physically employed, and where the
8237 majority of the company's financial, personnel, legal or planning functions are handled either on a regional or

8238 national basis. A company primarily engaged in the Commonwealth in the business of manufacturing or
8239 mining; agriculture, forestry or fishing; transportation or communications; or a public utility subject to the
8240 corporation income tax shall be deemed to have established or expanded a major business facility in the
8241 Commonwealth if it meets the requirements of subdivision 1 during a single taxable year and such facilities
8242 are not retail establishments. A major business facility shall also include facilities that perform central
8243 management or administrative activities, whether operated as a separate trade or business, or as a separate
8244 support operation of another business. Central management or administrative activities include, but are not
8245 limited to, general management; accounting; computing; tabulating; purchasing; transportation or shipping;
8246 engineering and systems planning; advertising; technical sales and support operations; central administrative
8247 offices and warehouses; research, development and testing laboratories; computer-programming, data-
8248 processing and other computer-related services facilities; and legal, financial, insurance, and real estate
8249 services. The terms used in this subdivision to refer to various types of businesses shall have the same
8250 meanings as those terms are commonly defined in the Standard Industrial Classification Manual.

8251 D. For purposes of this section, the "credit year" is the first taxable year following the taxable year in
8252 which the major business facility commenced or expanded operations.

8253 E. The Department of Taxation shall make all determinations as to the classification of a major business
8254 facility in accordance with the provisions of this section.

8255 F. A "qualified full-time employee" means an employee filling a new, permanent full-time position in a
8256 major business facility in the Commonwealth. A "new, permanent full-time position" is a job of an indefinite
8257 duration, created by the company as a result of the establishment or expansion of a major business facility in
8258 the Commonwealth, requiring a minimum of 35 hours of an employee's time a week for the entire normal
8259 year of the company's operations, which "normal year" shall consist of at least 48 weeks, or a position of
8260 indefinite duration which requires a minimum of 35 hours of an employee's time a week for the portion of the
8261 taxable year in which the employee was initially hired for, or transferred to, the major business facility in the
8262 Commonwealth. Seasonal or temporary positions, or a job created when a job function is shifted from an
8263 existing location in the Commonwealth to the new major business facility and positions in building and
8264 grounds maintenance, security, and other such positions which are ancillary to the principal activities
8265 performed by the employees at a major business facility shall not qualify as new, permanent full-time
8266 positions.

8267 G. For any major business facility, the amount of credit earned pursuant to this section shall be equal to
8268 \$1,000 per qualified full-time employee, over the threshold amount, employed during the credit year. The
8269 credit shall be allowed ratably, with one-third of the credit amount allowed annually for three years beginning
8270 with the credit year. However, for taxable years beginning on or after January 1, 2009, one-half of the credit
8271 amount shall be allowed each year for two years. The portion of the \$1,000 credit earned with respect to any
8272 qualified full-time employee who is employed in the Commonwealth for less than 12 full months during the
8273 credit year will be determined by multiplying the credit amount by a fraction, the numerator of which is the
8274 number of full months that the qualified full-time employee worked for the major business facility in the
8275 Commonwealth during the credit year, and the denominator of which is 12. A separate credit year and a
8276 three-year allowance period shall exist for each distinct major business facility of a single taxpayer, except
8277 for credits allowed for taxable years beginning on or after January 1, 2009, when a two-year allowance period
8278 shall exist for each distinct major business facility of a single taxpayer.

8279 H. The amount of credit allowed pursuant to this section shall not exceed the tax imposed for such taxable
8280 year. Any credit not usable for the taxable year the credit was allowed may be, to the extent usable, carried
8281 over for the next 10 succeeding taxable years. No credit shall be carried back to a preceding taxable year. In
8282 the event that a taxpayer who is subject to the tax limitation imposed pursuant to this subsection is allowed
8283 another credit pursuant to any other section of the Code of Virginia, or has a credit carryover from a
8284 preceding taxable year, such taxpayer shall be considered to have first utilized any credit allowed which does
8285 not have a carryover provision, and then any credit which is carried forward from a preceding taxable year,
8286 prior to the utilization of any credit allowed pursuant to this section.

8287 I. No credit shall be earned pursuant to this section for any employee (i) for whom a credit under this
8288 section was previously earned by a related party as defined by Internal Revenue Code § 267(b) or a trade or
8289 business under common control as defined by Internal Revenue Code § 52(b); (ii) who was previously
8290 employed in the same job function in Virginia by a related party as defined by Internal Revenue Code §
8291 267(b) or a trade or business under common control as defined by Internal Revenue Code § 52(b); (iii) whose
8292 job function was previously performed at a different location in Virginia by an employee of the taxpayer, a
8293 related party as defined by Internal Revenue Code § 267(b), or a trade or business under common control as
8294 defined by Internal Revenue Code § 52(b); or (iv) whose job function previously qualified for a credit under
8295 this section at a different major business facility on behalf of the taxpayer, a related party as defined by

8296 Internal Revenue Code § 267(b), or a trade or business under common control as defined by Internal Revenue
8297 Code § 52(b).

8298 J. Subject to the provisions of subsections K or L, recapture of this credit, under the following
8299 circumstances, shall be accomplished by increasing the tax in any of the five years succeeding the taxable
8300 year in which a credit has been earned pursuant to this section if the number of qualified full-time employees
8301 decreases below the average number of qualified full-time employees employed during the credit year. Such
8302 tax increase amount shall be determined by (i) recomputing the credit which would have been earned for the
8303 original credit year using the decreased number of qualified full-time employees and (ii) subtracting such
8304 recomputed credit from the amount of credit previously earned. In the event that the average number of
8305 qualifying full-time employees employed at a major business facility falls below the threshold amount in any
8306 of the five taxable years succeeding the credit year, all credits earned with respect to such major business
8307 facility shall be recaptured. No credit amount will be recaptured more than once pursuant to this subsection.
8308 Any recapture pursuant to this section shall reduce credits earned but not yet allowed, and credits allowed but
8309 carried forward, before the taxpayer's tax liability may be increased.

8310 K. In the event that a major business facility is located in an economically distressed area or in an
8311 enterprise zone as defined in Chapter 49 (§ 59.1-538 et seq.) of Title 59.1 during a credit year, the threshold
8312 amount required to qualify for a credit pursuant to this section and to avoid full recapture shall be reduced
8313 from 50 to 25 for purposes of subdivision C 1 and subsection J. An area shall qualify as economically
8314 distressed if it is a city or county with an unemployment rate for the preceding year of at least 0.5 percent
8315 higher than the average statewide unemployment rate for such year. The Virginia Economic Development
8316 Partnership shall identify and publish a list of all economically distressed areas at least annually.

8317 L. For taxable years beginning on or after January 1, 2004, but before January 1, 2006, in the event that a
8318 major business facility is located in a severely economically distressed area, the threshold amount required to
8319 qualify for a credit pursuant to this section and to avoid full recapture shall be reduced from 100 to 25 for
8320 purposes of subdivision C 1 and subsection J. However, the total amount of credit allowable under this
8321 subsection shall not exceed \$100,000 in aggregate. An area shall qualify as severely economically distressed
8322 if it is a city or county with an unemployment rate for the preceding year of at least twice the average
8323 statewide unemployment rate for such year. The Virginia Economic Development Partnership shall identify
8324 and publish a list of all severely economically distressed areas at least annually.

8325 M. The Tax Commissioner shall promulgate regulations, in accordance with the Administrative Process
8326 Act (§ 2.2-4000 et seq.), relating to (i) the computation, carryover, and recapture of the credit provided under
8327 this section; (ii) defining criteria for (a) a major business facility, (b) qualifying full-time employees at such
8328 facility, and (c) economically distressed areas; and (iii) the computation, carryover, recapture, and redemption
8329 of the credit by affiliated companies pursuant to subsection S.

8330 N. The provisions of this section shall apply only in instances where an announcement of intent to
8331 establish or expand a major business facility is made on or after January 1, 1994. An announcement of intent
8332 to establish or expand a major business facility includes, but is not limited to, a press conference or extensive
8333 press coverage, providing information with respect to the impact of the project on the economy of the area
8334 where the major business facility is to be established or expanded and the Commonwealth as a whole.

8335 O. The credit allowed pursuant to this section shall be granted to the person who pays taxes for the
8336 qualified full-time employees pursuant to Chapter 5 (§ 60.2-500 et seq.) of Title 60.2.

8337 P. No person shall claim a credit allowed pursuant to this section and the credit allowed pursuant to §
8338 58.1-439.2. Any qualified business firm receiving an enterprise zone job creation grant under § 59.1-547 shall
8339 not be eligible to receive a major business facility job tax credit pursuant to this section for any job used to
8340 qualify for the enterprise zone job creation grant.

8341 Q. No person operating a business in the Commonwealth pursuant to Chapter ~~29~~ 6 (§ ~~59.1-364~~ 29.5-600
8342 et seq.) of Title ~~59.1~~ 29.5 shall claim a credit pursuant to this section.

8343 R. Notwithstanding subsection O, a taxpayer may, for the purpose of determining the number of qualified
8344 full-time employees at a major business facility, include the employees of a contractor or a subcontractor if
8345 such employees are permanently assigned to the taxpayer's major business facility. If the taxpayer includes
8346 the employees of a contractor or subcontractor in its total of qualified full-time employees, it shall enter into a
8347 contractual agreement with the contractor or subcontractor prohibiting the contractor or subcontractor from
8348 also claiming these employees in order to receive a credit given under this section. The taxpayer shall provide
8349 evidence satisfactory to the Department of Taxation that it has entered into such a contract.

8350 S. For purposes of satisfying the criteria of subdivision C 1, two or more affiliated companies may elect to
8351 aggregate the number of jobs created for qualified full-time employees as the result of the establishment or
8352 expansion by the individual companies in order to qualify for the credit allowed pursuant to this section. For
8353 purposes of this subsection, "affiliated companies" means two or more companies related to each other such

8354 that (i) one company owns at least 80 percent of the voting power of the other or others or (ii) at least 80
8355 percent of the voting power of two or more companies is owned by the same interests.

8356 T. The General Assembly of Virginia finds that modern business infrastructure allows businesses to locate
8357 their administrative or manufacturing facilities with minimal regard to the location of markets or the
8358 transportation of raw materials and finished goods, and that the economic vitality of the Commonwealth
8359 would be enhanced if such facilities were established in Virginia. Accordingly, the provisions of this section
8360 targeting the credit to major business facilities and limiting the credit to those companies which establish a
8361 major business facility in Virginia are integral to the purpose of the credit earned pursuant to this section and
8362 shall not be deemed severable.

8363 U. For taxable years beginning on and after January 1, 2019, and notwithstanding the provisions of §
8364 58.1-3 or any other provision of law, the Department of Taxation, in consultation with the Virginia Economic
8365 Development Partnership, shall publish the following information by November 1 of each year for the
8366 12-month period ending on the preceding December 31:

- 8367 1. The location of sites used for major business facilities for which a credit was claimed;
- 8368 2. The North American Industry Classification System codes used for the major business facilities for
8369 which a credit was claimed;
- 8370 3. The number of qualified full time employees for whom a credit was claimed; and
- 8371 4. The total cost to the Commonwealth's general fund of the credits claimed.

8372 Such information shall be published by the Department, regardless of how few taxpayers claimed the tax
8373 credit, in a manner that prevents the identification of particular taxpayers, reports, returns, or items.

8410 year and when such film, series or commercial is processed, edited, and marketed outside the
8411 Commonwealth. Every such individual or corporation shall, immediately subsequent to the filming of such

8412 portion of the film, series or commercial filmed in the Commonwealth, file with the Commissioner on forms
8413 furnished the Department, a list of the names and social security account numbers of each actor or crew

8575 provision of law, the Board shall develop, implement, and administer a paid leave program, which may
8576 include annual, personal, and sick leave or any combination thereof. All other leave benefits shall be
8577 administered in accordance with Chapter 11 (§ 51.1-1100 et seq.) of Title 51.1 of the Code of Virginia,

8581 Consumer Services, the Virginia Lottery, and the Virginia Racing Commission (relevant state
8582 agencies). The Commission shall issue a written notice to all persons whose employment at such
8583 relevant state agencies will be transferred to the Commission. The date upon which such written notice
8584 is issued shall be referred to herein as the "Option Date." In order to facilitate an orderly and efficient
8585 transition and ensure the continuation of operations during the transition from the relevant state

8586 agencies to the Commission, the Commission shall have discretion, subject to the time limitations
8587 contained herein, to determine the date upon which any employee's employment with the relevant state
8588 agencies will end or be transferred to the Commission. This date shall be stated in the written notice
8589 and shall be referred to herein as the "Transition Date." No Transition Date shall occur prior to July
8590 1, 2025, without the mutual agreement of the employee and the Commission. No Transition Date shall
8591 be set beyond July 1, 2026. Each person whose employment will be transferred to the Commission may,
8592 by written request made within 120 days of the Option Date, elect not to become employed by the

8603 transferred to the Commission as a result of this act and who is a member of any plan for providing
8604 health insurance coverage pursuant to Chapter 28 (§ 2.2-2800 et seq.) of Title 2.2 of the Code of
8605 Virginia shall continue to be a member of such health insurance plan under the same terms and

8619 the reduction of manual processes and standardizing similar processes, such as licensing, auditing, and
8620 case management, across the different types of gaming that are overseen and regulated by the
8621 Commission.

8622 20. That the provisions of §§ 18.2-325, 18.2-326, and 18.2-334.2 through 18.2-334.5 of the Code of
8623 Virginia, as amended by this act, are declarative of existing law.

8624 21. That the provisions of this act shall not be construed to diminish or infringe upon any right
8625 protected under the First Amendment or the Fourteenth Amendment to the Constitution of the United
8626 States or under the Constitution of Virginia.

8627 22. That, notwithstanding any other provision of this act, nothing within this act shall be construed to
8628 create any jurisdiction over any other form of gaming, authorized by law, beyond that specifically
8629 enumerated and defined herein.

8630 23. That the provisions of this section shall not supersede or interfere with any state law or local
8631 ordinance that prohibits a person under the age of 21 from entering a place of public accommodation.

8633 appropriation is \$0 for periods of imprisonment in state adult correctional facilities and cannot be
8634 determined for periods of commitment to the custody of the Department of Juvenile Justice.
