352 *or any private police department that is not a contributing private police department.*

353 **§ 9.1-400.1. Line of Duty Death and Health Benefits Trust Fund.**

354 A. There is hereby established a permanent and perpetual fund to be known as the Line of Duty Death and  
355 Health Benefits Trust Fund, consisting of such moneys as may be appropriated by the General Assembly; ;  
356 contributions or reimbursements from participating and nonparticipating employers, *from contributing*  
357 *nonprofit private institutions of higher education, and from contributing private police departments*; gifts,  
358 bequests, endowments, or grants from the United States government or its agencies or instrumentalities; ; net  
359 income from the investment of moneys held in the Fund; ; and any other available sources of funds, public  
360 and private. Any moneys remaining in the Fund at the end of a biennium shall not revert to the general fund  
361 but shall remain in the Fund. Interest and income earned from the investment of such moneys shall remain in  
362 the Fund and be credited to it. The moneys in the Fund shall be (i) deemed separate and independent trust  
363 funds, (ii) segregated and accounted for separately from all other funds of the Commonwealth, and (iii)  
364 administered solely in the interests of the persons who are covered under the benefits provided pursuant to  
365 this chapter. Deposits to and assets of the Fund shall not be subject to the claims of creditors.

366 B. The Virginia Retirement System shall invest, reinvest, and manage the assets of the Fund as provided

367 in § 51.1-124.39 and shall be reimbursed from the Fund for such activities as provided in that section.

368 C. The Fund shall be used to provide the benefits under this chapter related to disabled persons, deceased  
 369 persons, eligible dependents, and eligible spouses on behalf of participating employers, *contributing*  
 370 *nonprofit private institutions of higher education, and contributing private police departments* and to pay  
 371 related administrative costs.

372 D. Each participating employer, *contributing nonprofit private institution of higher education, and*  
 373 *contributing private police department* shall make annual contributions to the Fund and provide information  
 374 as determined by VRS. The amount of the contribution for each participating employer, *contributing*  
 375 *nonprofit private institution of higher education, and contributing private police department* shall be  
 376 determined on a current disbursement basis in accordance with the provisions of this section. For purposes of  
 377 establishing contribution amounts for participating employers, a member of any fire company or department  
 378 or rescue squad that has been recognized by an ordinance or a resolution of the governing body of any  
 379 locality of the Commonwealth as an integral part of the official safety program of such locality shall be  
 380 considered part of the locality served by the company, department, or rescue squad. If a company,  
 381 department, or rescue squad serves more than one locality, the affected localities shall determine the basis  
 382 and apportionment of the required covered payroll and contributions for each company, department, or rescue  
 383 squad.

384 If any participating employer, *contributing nonprofit private institution of higher education, or*  
 385 *contributing private police department* fails to remit contributions or other fees or costs associated with the  
 386 Fund, VRS shall inform the State Comptroller and the affected participating employer, *contributing nonprofit*  
 387 *private institution of higher education, or contributing private police department* of the delinquent amount. In  
 388 calculating the delinquent amount, VRS may impose an interest rate of one percent per month of  
 389 delinquency. The State Comptroller shall forthwith transfer such delinquent amount, plus interest, from any  
 390 moneys otherwise distributable to such participating employer. *In the case of a contributing nonprofit private*  
 391 *institution of higher education or a contributing private police department, VRS may employ reasonable*  
 392 *methods to collect the delinquent amount, including the procedures set forth in the Virginia Debt Collection*  
 393 *Act (§ 2.2-4800 et seq.).*

394 **§ 9.1-401. Continued health insurance coverage for disabled persons, eligible spouses, and eligible**  
 395 **dependents.**

396 A. Disabled persons, eligible spouses, and eligible dependents shall be afforded continued health  
 397 insurance coverage as provided in this section, the cost of which shall be paid by the nonparticipating  
 398 employer to the Department of Human Resource Management or from the Fund on behalf of a participating  
 399 employer, *contributing nonprofit private institution of higher education, or contributing private police*  
 400 *department*, as applicable. If any disabled person or eligible spouse is receiving the benefits described in this  
 401 section and would otherwise qualify for the health insurance credit described in Chapter 14 (§ 51.1-1400 et  
 402 seq.) of Title 51.1, the amount of such credit shall be deposited into the Line of Duty Death and Health  
 403 Benefits Trust Fund or paid to the nonparticipating employer, as applicable, from the health insurance credit  
 404 trust fund, in a manner prescribed by VRS.

405 B. 1. The continued health insurance coverage provided by this section for all disabled persons, eligible  
 406 spouses, and eligible dependents shall be through separate plans, referred to as the LODA Health Benefits  
 407 Plans (the Plans), administered by the Department of Human Resource Management. The Plans shall comply  
 408 with all applicable federal and state laws and shall be modeled upon state employee health benefits program  
 409 plans. Funding of the Plans' reserves and contingency shall be provided through a line of credit, the amount  
 410 of which shall be based on an actuarially determined estimate of liabilities. The Department of Human  
 411 Resource Management shall be reimbursed for health insurance premiums and all reasonable costs incurred  
 412 and associated, directly and indirectly, in performing the duties pursuant to this section (i) from the Line of  
 413 Duty Death and Health Benefits Trust Fund for costs related to disabled persons, deceased persons, eligible  
 414 dependents, and eligible spouses on behalf of participating employers, *contributing nonprofit private*  
 415 *institutions of higher education, and contributing private police departments* and (ii) from a nonparticipating  
 416 employer for premiums and costs related to disabled persons, deceased persons, eligible dependents, and  
 417 eligible spouses for which the nonparticipating employer is responsible. If any nonparticipating employer  
 418 fails to remit such premiums and costs, the Department of Human Resource Management shall inform the  
 419 State Comptroller and the affected nonparticipating employer of the delinquent amount. In calculating the  
 420 delinquent amount, the Department of Human Resource Management may impose an interest rate of one  
 421 percent per month of delinquency. The State Comptroller shall forthwith transfer such delinquent amount,  
 422 plus interest, from any moneys otherwise distributable to such nonparticipating employer.

423 2. In the event that temporary health care insurance coverage is needed for disabled persons, eligible  
 424 spouses, and eligible dependents during the period of transition into the LODA Health Benefits Plans, the  
 425 Department of Human Resource Management is authorized to acquire and provide temporary transitional  
 426 health insurance coverage. The type and source of the transitional health plans shall be within the sole  
 427 discretion of the Department of Human Resource Management. Transitional coverage for eligible dependents

428 shall comply with the eligibility criteria of the transitional plans until enrollment in the LODA Health  
429 Benefits Plan can be completed.

430 C. 1. a. Except as provided in subdivision 2 and any other law, continued health insurance coverage in any  
431 LODA Health Benefits Plans shall not be provided to any person (i) whose coverage under the Plan is based  
432 on a deceased person's death or a disabled person's disability occurring on or after July 1, 2017 and (ii) who is  
433 eligible for Medicare due to age.

434 b. Coverage in the LODA Health Benefits Plans shall also cease for any person upon his death.

435 2. The provisions of subdivision 1 a shall not apply to any disabled person who is eligible for Medicare  
436 due to disability under Social Security Disability Insurance or a Railroad Retirement Board Disability  
437 Annuity. The Department of Human Resource Management may provide such disabled person coverage  
438 under a LODA Health Benefits Plan that is separate from the plan for other persons.

439 3. Continued health insurance under this section shall also terminate upon the disabled person's return to  
440 full duty in any position listed in the definition of deceased person in § 9.1-400. Such disabled person shall  
441 promptly notify the participating or nonparticipating employer, *the contributing nonprofit private institution*  
442 *of higher education, or the contributing private police department and VRS*; and the Department of Human  
443 Resource Management upon his return to work.

444 4. Such continued health insurance shall be suspended for the Plan year following a calendar year in  
445 which the disabled person whose coverage under the Plan is based on a disability occurring on or after July 1,  
446 2017, has earned income in an amount equal to or greater than the salary of the position held by the disabled  
447 person at the time of disability, indexed annually based upon the annual increases in the United States  
448 Average Consumer Price Index for all items, all urban consumers (CPI-U), as published by the Bureau of  
449 Labor Statistics of the U.S. Department of Labor. Such suspension shall cease the Plan year following a  
450 calendar year in which the disabled person has not earned such amount of income. The disabled person shall  
451 notify the participating or nonparticipating employer, *the contributing nonprofit private institution of higher*  
452 *education, or the contributing private police department and VRS*; and the Department of Human Resource  
453 Management no later than March 1 of the year following any year in which he earns income of such amount;  
454 and shall notify the participating or nonparticipating employer, *the contributing nonprofit private institution*  
455 *of higher education, or the contributing private police department and VRS*; and the Department of Human  
456 Resource Management when he no longer is earning such amount. Upon request, a disabled person shall  
457 provide VRS and the Department of Human Resource Management with documentation of earned income.

458 **§ 9.1-402. Payments to beneficiaries of certain deceased law-enforcement officers, firefighters, etc.,**  
459 **and retirees.**

460 A. The beneficiary of a deceased person whose death occurred on or before December 31, 2005, while in  
461 the line of duty as the direct or proximate result of the performance of his duty shall be entitled to receive the  
462 sum of \$75,000, which shall be paid by the nonparticipating employer or from the Fund on behalf of a  
463 participating employer, *a contributing nonprofit private institution of higher education, or a contributing*  
464 *private police department*, as applicable, in gratitude for and in recognition of his sacrifice on behalf of the  
465 people of the Commonwealth.

466 B. The beneficiary of a deceased person whose death occurred on or after January 1, 2006, while in the  
467 line of duty as the direct or proximate result of the performance of his duty shall be entitled to receive the  
468 sum of \$100,000, which shall be paid by the nonparticipating employer, *the contributing nonprofit private*  
469 *institution of higher education, or the contributing private police department* or from the Fund on behalf of a  
470 participating employer, as applicable, in gratitude for and in recognition of his sacrifice on behalf of the  
471 people of the Commonwealth.

472 C. Subject to the provisions of § 27-40.1, 27-40.2, 51.1-813, or 65.2-402, if the deceased person's death (i)  
473 arose out of and in the course of his employment or (ii) was within five years from his date of retirement, his  
474 beneficiary shall be entitled to receive the sum of \$25,000 or, if the deceased person's death occurred on or  
475 after January 1, 2025, \$75,000, which shall be paid by the nonparticipating employer or from the Fund on  
476 behalf of a participating employer, *a contributing nonprofit private institution of higher education, or a*  
477 *contributing private police department*, as applicable. *For a campus police officer employed by a*  
478 *contributing nonprofit private institution of higher education or a private police officer employed by a*  
479 *contributing private police department, such officer's date of retirement shall be determined by VRS in*  
480 *consultation with the contributing nonprofit private institution of higher education or the contributing private*  
481 *police department, respectively.*

482 **§ 9.1-402.1. Payments for burial expenses.**

483 It is the intent of the General Assembly that expeditious payments for burial expenses be made for  
484 deceased persons whose death is determined to be a direct and proximate result of their performance in the  
485 line of duty as defined by the Line of Duty Act. Upon the approval of VRS, at the request of the family of a  
486 person who may be subject to the line of duty death benefits, payments shall be made to a funeral service  
487 provider for burial and transportation costs by the nonparticipating employer or from the Fund on behalf of a  
488 participating employer, *a contributing nonprofit private institution of higher education, or a contributing*

489 *private police department*, as applicable. These payments would be advanced from the death benefit that  
 490 would be due to the beneficiary of the deceased person if it is determined that the person qualifies for line of  
 491 duty coverage. Expenses advanced under this provision shall not exceed the coverage amounts outlined in §  
 492 65.2-512. In the event *that* a determination is made that the death is not subject to the line of duty benefits *(i)*  
 493 *in the case of an employer that is a state agency or political subdivision of the Commonwealth*, VRS or other  
 494 Virginia governmental retirement fund of which the deceased is a member will deduct from benefit payments  
 495 otherwise due to be paid to the beneficiaries of the deceased payments previously paid for burial and related  
 496 transportation expenses and return such funds to the nonparticipating employer or to the Fund on behalf of a  
 497 participating employer, as applicable, *and (ii) in the case of a contributing nonprofit private institution of*  
 498 *higher education or a contributing private police department*, VRS *(a) will deduct from benefit payments*  
 499 *otherwise due to be paid to the beneficiaries of the deceased payments previously paid for burial and related*  
 500 *transportation expenses and return such funds to the Fund and (b) may employ reasonable methods,*  
 501 *including the procedures set forth in the Virginia Debt Collection Act (§ 2.2-4800 et seq.), to recover from*  
 502 *the deceased person's estate any payments previously paid for burial and related transportation expenses and*  
 503 *return such funds to the Fund.* The Virginia Retirement System shall have the right to file a claim with the  
 504 Virginia Workers' Compensation Commission against any employer to recover burial and related  
 505 transportation expenses advanced under this provision.

506 **§ 9.1-403. Claim for payment; costs.**

507 A. Every beneficiary, disabled person or his spouse, or dependent of a deceased or disabled person shall  
 508 present his claim to the chief officer, or his designee, of the employer for which the disabled or deceased  
 509 person last worked on forms to be provided by VRS. Upon receipt of a claim, the chief officer or his designee  
 510 shall forward the claim to VRS within seven days. The Virginia Retirement System shall determine eligibility  
 511 for benefits under this chapter. The Virginia Retirement System may request assistance in obtaining  
 512 information necessary to make an eligibility determination from the Department of State Police. The  
 513 Department of State Police shall take action to conduct the investigation as expeditiously as possible. The  
 514 Department of State Police shall be reimbursed from the Fund or the nonparticipating employer, as  
 515 applicable, for the cost of searching for and obtaining information requested by VRS. The Virginia  
 516 Retirement System shall be reimbursed for the reasonable costs incurred for making eligibility determinations  
 517 by nonparticipating employers or from the Fund on behalf of participating employers, *contributing nonprofit*  
 518 *private institutions of higher education, or contributing private police departments*, as applicable. If any  
 519 nonparticipating employer fails to reimburse VRS for reasonable costs incurred in making an eligibility  
 520 determination, VRS shall inform the State Comptroller and the affected nonparticipating employer of the  
 521 delinquent amount. In calculating the delinquent amount, VRS may impose an interest rate of one percent per  
 522 month of delinquency. The State Comptroller shall forthwith transfer such delinquent amount, plus interest,  
 523 from any moneys otherwise distributable to such nonparticipating employer.

524 B. 1. Within 10 business days of being notified by an employee, or an employee's representative, that such  
 525 employee is permanently and totally disabled due to a work-related injury suffered in the line of duty, the  
 526 agency or department employing the employee shall provide him with information about the continued health  
 527 insurance coverage provided under this chapter and the process for initiating a claim. The employer shall  
 528 assist in filing a claim, unless such assistance is waived by the employee or the employee's representative.

529 2. Within 10 business days of having knowledge that a deceased person's surviving spouse, dependents, or  
 530 beneficiaries may be entitled to benefits under this chapter, the employer for which the deceased person last  
 531 worked shall provide the surviving spouse, dependents, or beneficiaries, as applicable, with information about  
 532 the benefits provided under this chapter and the process for initiating a claim. The employer shall assist in  
 533 filing a claim, unless such assistance is waived by the surviving spouse, dependents, or beneficiaries.

534 C. Within 30 days of receiving a claim pursuant to subsection A, an employer may submit to VRS any  
 535 evidence that could assist in determining the eligibility of a claim. However, when the claim involves a  
 536 presumption under § 65.2-402 or 65.2-402.1, VRS shall provide an employer additional time to submit  
 537 evidence as is necessary not to exceed nine months from the date the employer received a claim pursuant to  
 538 subsection A. Any such evidence submitted by the employer shall be included in the agency record for the  
 539 claim.

540 **§ 9.1-404. Order of the Virginia Retirement System.**

541 A. 1. The Virginia Retirement System shall make an eligibility determination within 45 days of receiving  
 542 all necessary information for determining eligibility for a claim filed under § 9.1-403. The Virginia  
 543 Retirement System may use a medical board pursuant to § 51.1-124.23 in determining eligibility. If benefits  
 544 under this chapter are due, VRS shall notify the nonparticipating employer, which shall provide the benefits  
 545 within 15 days of such notice, or VRS shall pay the benefits from the Fund on behalf of the participating  
 546 employer, *contributing nonprofit private institution of higher education, or contributing private police*  
 547 *department* within 15 days of the determination, as applicable. The payments shall be retroactive to the first  
 548 date that the disabled person was no longer eligible for health insurance coverage subsidized by his employer.

549 2. Two years after an individual has been determined to be a disabled person, VRS may require the

550 disabled person to renew the determination through a process established by VRS. If a disabled person  
551 refuses to submit to the determination renewal process described in this subdivision, then benefits under this  
552 chapter shall cease for the individual, any eligible dependents, and an eligible spouse until the individual  
553 complies. If such individual does not comply within six months from the date of the initial request for a  
554 renewed determination, then benefits under this chapter shall permanently cease for the individual, any  
555 eligible dependents, and an eligible spouse. If VRS issues a renewed determination that an individual is no  
556 longer a disabled person, then benefits under this chapter shall permanently cease for the individual, any  
557 eligible dependents, and an eligible spouse. If VRS issues a renewed determination that an individual remains  
558 a disabled person, then VRS may require the disabled person to renew the determination five years after such  
559 renewed determination through a process established by VRS. The Virginia Retirement System may require  
560 the disabled person to renew the determination at any time if VRS has information indicating that the person  
561 may no longer be disabled.

562 3. For any medical review conducted for the purpose of making an eligibility determination pursuant to  
563 this section, VRS shall require such review to be conducted by a licensed health practitioner. For purposes of  
564 this section, "licensed health practitioner" means a person licensed to practice medicine or osteopathic  
565 medicine pursuant to the provisions of Chapter 29 (§ 54.1-2900 et seq.) of Title 54.1, a person licensed to  
566 practice nursing pursuant to the provisions of Chapter 30 (§ 54.1-3000 et seq.) of Title 54.1, or a person  
567 licensed to practice psychology pursuant to the provisions of Chapter 36 (§ 54.1-3600 et seq.) of Title 54.1.  
568 "Licensed health practitioner" includes a person issued a comparable license, as determined by VRS, by the  
569 District of Columbia or a state that is contiguous to the Commonwealth.

570 B. The Virginia Retirement System shall be reimbursed for all reasonable costs incurred and associated,  
571 directly and indirectly, in performing the duties pursuant to this chapter (i) from the Line of Duty Death and  
572 Health Benefits Trust Fund for costs related to disabled persons, deceased persons, eligible dependents, and  
573 eligible spouses on behalf of participating employers, *contributing nonprofit private institutions of higher*  
574 *education, and contributing private police departments* and (ii) from a nonparticipating employer for  
575 premiums and costs related to disabled persons, deceased persons, eligible dependents, and eligible spouses  
576 for which the nonparticipating employer is responsible.

577 C. The Virginia Retirement System may develop policies and procedures necessary to carry out the  
578 provisions of this chapter.

590 **amended by this act, in the manner and on such forms as prescribed by the Virginia Retirement**
