Bill Number: SB1181S1 **Patron:** Deeds
Bill Title: Purchase, possession, sale, transfer, etc., of assault firearms and certain ammunition feeding devices prohibited; penalty.

Bill Summary: Creates a Class 1 misdemeanor for any person who imports, sells, manufactures, purchases, possesses, transports, or transfers an assault firearm, as that term is defined in the bill, and prohibits a person who has been convicted of such violation from purchasing, possessing, or transporting a firearm for a period of three years from the date of conviction. The bill provides that an assault firearm does not include any firearm that is an antique firearm, has been rendered permanently inoperable, is manually operated by bolt, pump, lever, or slide action, or was manufactured before July 1, 2025. The bill also prohibits the sale of a large capacity ammunition feeding device, as that term is defined in the bill. The bill provides that any person who willfully and intentionally (i) sells an assault firearm to another person or (ii) purchases an assault firearm from another person is guilty of a Class 1 misdemeanor and that any person who imports, sells, barter, or transfers a large capacity ammunition feeding device is guilty of a Class 1 misdemeanor. The bill also makes it a Class 1 misdemeanor for any person younger than 21 years of age to import, sell, manufacture, purchase, possess, transport, or transfer an assault firearm regardless of the date of manufacture of such assault firearm.

In the substituted bill, the provisions of the proposal have been updated so they do not apply to any member of a cadet corps who is recognized by a public institution of higher education while such member is in the performance of lawful military training or such member is participating in an official ceremonial event for the Commonwealth.

Budget Amendment Necessary: Yes **Items Impacted:** Item 390

The proposal would expand the potential applicability of several existing felony offenses. Under § 18.2-308.2:2(K), making a materially false statement on a consent form that is required to purchase a firearm from a licensed dealer is a Class 5 felony. Under § 18.2-308.2:2(L), it is a Class 6 felony for any firearms dealer to willfully and intentionally sell, rent, trade, or transfer a firearm in violation of this section. Per § 18.2-308.2:2(L1), any person who attempts to solicit or entice a dealer to transfer a firearm other than to the actual buyer is guilty of a Class 6 felony. Pursuant to § 18.2-308.2:2(M), purchasing a firearm with the intent to transfer it to an individual who is ineligible to purchase a firearm from a dealer is a Class 4 felony that carries a mandatory minimum term of one year. Offenders who transfer more than one firearm in violation of § 18.2-308.2:2(M) are subject to a mandatory minimum term of five years. Subsection N of § 18.2-308.2:2 makes it a Class 4 felony for any person ineligible to purchase or possess a firearm to solicit, employ, or assist any person in purchasing a firearm in violation of § 18.2-308.2:2(M); a violation of this subsection also carries a mandatory minimum term of five years. Individuals convicted of certain Class 1 misdemeanor firearm offenses who accumulate three or more such convictions may be found guilty of a Class 6 felony under § 18.2-311.2.

This proposal creates several new Class 1 misdemeanors and expands the applicability of several Class 6, 5, and 4 felonies. Anyone convicted of a Class 1 misdemeanor is subject to a sentence of up to 12 months in jail and a fine of not more than \$2,500, either or both. Anyone convicted of a Class 6 felony is subject to a term of imprisonment of not less than one year nor more than five years, or in the discretion of the jury or the court trying the case without a jury, confinement in jail for not more than 12 months and a fine of not more than \$2,500, either or both. Anyone convicted of a Class 5 felony is subject to a term of imprisonment of not less than one year nor more than 10 years, or in the discretion of the jury or the court trying the case without a jury, confinement in jail for not more than 12 months and a fine of not more than \$2,500, either or both. Anyone convicted of a Class 4 felony is subject to a term of imprisonment of not less than two years nor more than 10 years and, subject to a fine of not more than \$100,000.

There is not enough information available to reliably estimate the increase in jail population as a result of this proposal. However, any increase in jail population will increase costs to the state. The Commonwealth currently pays the localities \$5.00 a day for each misdemeanant or otherwise local-responsible prisoner held in a jail and \$15.00 a day for each state-responsible prisoner. It also funds a considerable portion of the jails' operating costs, e.g., correctional officers. The state's share of these costs on a per prisoner, per day basis varies from locality to locality. However, according to the Compensation Board's most recent Jail Cost Report (November 2024), the estimated total state support for local jails averaged \$56.38 per inmate, per day in FY 2023.

Due to the lack of data, the Virginia Criminal Sentencing Commission has concluded, pursuant to §30-19.1:4 of the Code of Virginia, that the impact of the proposed legislation on state-responsible (prison) bed space cannot be determined. In such cases, Chapter 2, 2024 Acts of Assembly, Special Session I, requires that a minimum impact of \$50,000 be assigned to the bill.

This proposal amends the criminal history record check required for purchasing a firearm from a licensed dealer (§ 18.2-308.2:2) by adding a question to the form completed by the prospective buyer. The new

question would ask the prospective buyer if he has been convicted of possessing a firearm during the three-year prohibition period following a conviction for the sale, etc., of an assault firearm. Virginia State Police confirms they can absorb the cost of changing the Firearms Purchase Background Check System (VCHECK2) to include the additional question.
