

**Department of Planning and Budget  
2025 General Assembly Session  
State Fiscal Impact Statement**

---

**PUBLISHED: 1/26/2025 1:49 PM**

**ORIGINAL**

**Bill Number:** HB2132

**Patron:** Milde

**Bill Title:** Erosion and sediment control for certain localities; bond for sediment basin.

**Bill Summary:** Limits the amount of the performance bond that an agency issuing a permit for a land-disturbing activity under the erosion and sediment control laws for certain localities can require when the final site plan includes a stormwater management facility that is built on top of a sediment basin or other sediment trap. The bill also sets a cap on the amount of the security that must be in the form of a letter of credit or cash required for performance for a sediment basin of 25 percent of the estimated cost.

**Budget Amendment Necessary:** No.

**Items Impacted:** N/A

**Explanation:** This bill involves the Department of Environmental Quality (DEQ); however, no budget action is required. See Fiscal Analysis section, below.

**Fiscal Summary:** It is anticipated that any costs DEQ may incur can be absorbed within existing resources.

**Fiscal Analysis:** This impact statement is preliminary. It is anticipated that the Department of Environmental Quality can absorb any costs associated with the implementation of this bill.

**Other:** None.
