§ 51.1-1150. Definitions.

As used in this chapter, unless the context requires a different meaning:

"Act" means the Virginia Workers' Compensation Act (§ 65.2-100 et seq.).

"Company" means an insurance company issuing a long-term disability insurance policy purchased by the Board pursuant to this chapter.

"Continuous service" means an uninterrupted period of service as a participating employee with the same employer.

"Eligible employee" means a person who is (i) not eligible for the disability program pursuant to Chapter 11 (§ 51.1-1100 et seq.) and (ii) participating in the hybrid retirement program described in § 51.1-169.

"Eligible employee" also includes an eligible dispatcher.

"Eligible dispatcher" means a person who (i) is employed by a locality participating in the retirement system pursuant to Article 5 (§ 51.1-130 et seq.) of Chapter 1 as a full-time salaried dispatcher for a public safety answering point as defined in § 56-484.12 and (ii) is not participating in the hybrid retirement program described in § 51.1-169.

"Partial disability" means a disability that exists during the first 24 months following the occurrence or commencement of an illness or injury when an employee is earning less than 80 percent of his predisability

31 earnings and, as a result of an injury or illness, is (i) able to perform one or more, but not all, of the essential

46 In addition to the definitions listed in this section, the definitions listed in § 51.1-124.3 shall, as the
47 context requires, apply to this chapter except as otherwise provided.

48 **§ 51.1-1153. Participation in the program.**

49 A. 1. All eligible employees shall become participants in this program, provided, however, that the
50 governing body of an employer may adopt a resolution on or before January 1, 2014, which shall be
51 submitted to the Board, requesting that its eligible employees not participate in the program because the
52 employer has or will establish, and continue to maintain, comparable disability coverage for such eligible
53 employees. The election by the governing body of an employer not to participate in this program shall be
54 irrevocable. The employer need not consider the provisions of § 51.1-1178 when determining the
55 comparability of its disability coverage to this program. As the context requires, the term "participating
56 employee" includes the employees of an employer electing not to participate in the program under this
57 subdivision.

58 2. *Beginning July 1, 2026, eligible dispatchers shall become participants in the program. Such*
59 *participation shall be subject to the limitations described in § 51.1-1179, and the locality employing such*

60 *eligible dispatchers shall provide the costs required for funding participation in the program pursuant to §*
61 *51.1-1183. However, if a locality made an irrevocable election not to participate in the program pursuant to*
62 *subdivision 1, such dispatchers shall not become participants in the program but shall become participants in*
63 *the comparable disability coverage established and maintained by the locality. An eligible dispatcher who is*
64 *a participant in the program or in the disability coverage provided by a locality electing not to participate in*
65 *the program shall not be eligible for disability retirement benefits pursuant to § 51.1-156.*

66 *3. Notwithstanding the provisions of subdivision 2, an eligible dispatcher shall not become a participant*
67 *in the program or in the disability coverage provided by a locality electing not to participate in the program*
68 *but shall remain subject to the provisions governing disability retirement if the eligible dispatcher was (i)*
69 *awarded disability retirement benefits pursuant to § 51.1-156 prior to July 1, 2026, and continued to receive*
70 *such disability retirement benefits on or after July 1, 2026, or (ii) employed on June 30, 2025, and on July 1,*
71 *2025, and made an irrevocable election no later than March 31, 2026, to remain covered by disability*
72 *retirement benefits pursuant to § 51.1-156. If an election is not made by March 31, 2026, such eligible*
73 *dispatcher shall be deemed to have elected to become a participant in the program or in the comparable*
74 *disability coverage provided by the locality.*

75 B. The effective date of participation in the program for participating employees shall be their first day of
76 employment or the effective date of their participation in the hybrid retirement program described in §
77 51.1-169, whichever is later. *The effective date of participation for eligible dispatchers shall be July 1, 2026,*
78 *or their first date of employment, whichever is later.*

80 Article 2 (§ 51.1-1154 et seq.) until the participating employee completes one year of continuous service.

81 D. Eligibility for participation in the program shall terminate upon the earliest to occur of an employee's
82 (i) termination of employment or (ii) death. Eligibility for participation in the program shall be suspended
83 during periods that an employee is placed on nonpay status, including leave without pay, if such nonpay
84 status is due to suspension pending investigation or outcome of employment-related court or disciplinary
85 action.

86 **§ 51.1-1161. Cessation of disability benefits; service retirement.**

87 A. Disability benefits shall cease to be paid to a participating employee upon the first to occur of the

108 by the Board, from the date of the commencement of the disability to the date of retirement.

109 D. The creditable service of a participating full-time employee taking service retirement pursuant to this
110 section shall include periods during which the employee received disability benefits.

111 **§ 51.1-1169. Cessation of supplemental disability benefits; service retirement.**

112 A. Supplemental disability benefits shall cease to be paid to a participating employee upon the first to
