(Proposed by Senator Perry  
on January 27, 2025)

(Patron Prior to Substitute—Senator Perry)

A BILL to amend and reenact §§ 16.1-228 and 18.2-308.1:8 of the Code of Virginia, relating to purchase, possession, or transportation of firearm; assault and battery of a family or household member; penalties.

Be it enacted by the General Assembly of Virginia:

1. That §§ 16.1-228 and 18.2-308.1:8 of the Code of Virginia are amended and reenacted as follows:

§ 16.1-228. Definitions.

As used in this chapter, unless the context requires a different meaning:

"Abused or neglected child" means any child:

1. Whose parents or other person responsible for his care creates or inflicts, threatens to create or inflict, or allows to be created or inflicted upon such child a physical or mental injury by other than accidental means, or creates a substantial risk of death, disfigurement or impairment of bodily or mental functions, including, but not limited to, a child who is with his parent or other person responsible for his care either (i) during the manufacture or attempted manufacture of a Schedule I or II controlled substance, or (ii) during the unlawful sale of such substance by that child's parents or other person responsible for his care, where such manufacture, or attempted manufacture or unlawful sale would constitute a felony violation of § 18.2-248;

2. Whose parents or other person responsible for his care neglects or refuses to provide care necessary for his health; however, no child who in good faith is under treatment solely by spiritual means through prayer in accordance with the tenets and practices of a recognized church or religious denomination shall for that reason alone be considered to be an abused or neglected child. Further, a decision by parents who have legal authority for the child or, in the absence of parents with legal authority for the child, any person with legal authority for the child who refuses a particular medical treatment for a child with a life-threatening condition shall not be deemed a refusal to provide necessary care if (i) such decision is made jointly by the parents or other person with legal authority and the child; (ii) the child has reached 14 years of age and is sufficiently mature to have an informed opinion on the subject of his medical treatment; (iii) the parents or other person with legal authority and the child have considered alternative treatment options; and (iv) the parents or other person with legal authority and the child believe in good faith that such decision is in the child's best interest. No child whose parent or other person responsible for his care allows the child to engage in independent activities without adult supervision shall for that reason alone be considered to be an abused or neglected child, provided that (a) such independent activities are appropriate based on the child's age, maturity, and physical and mental abilities and (b) such lack of supervision does not constitute conduct that is so grossly negligent as to endanger the health or safety of the child. Such independent activities include traveling to or from school or nearby locations by bicycle or on foot, playing outdoors, or remaining at home for a reasonable period of time. Nothing in this subdivision shall be construed to limit the provisions of § 16.1-278.4;

3. Whose parents or other person responsible for his care abandons such child;

4. Whose parents or other person responsible for his care, or an intimate partner of such parent or person, commits or allows to be committed any act of sexual exploitation or any sexual act upon a child in violation of the law;

5. Who is without parental care or guardianship caused by the unreasonable absence or the mental or physical incapacity of the child's parent, guardian, legal custodian, or other person standing in loco parentis;

6. Whose parents or other person responsible for his care creates a substantial risk of physical or mental injury by knowingly leaving the child alone in the same dwelling, including an apartment as defined in § 55.1-2000, with a person to whom the child is not related by blood or marriage and who the parent or other person responsible for his care knows has been convicted of an offense against a minor for which registration is required as a Tier III offender pursuant to § 9.1-902; or

7. Who has been identified as a victim of sex trafficking or severe forms of trafficking as defined in the federal Trafficking Victims Protection Act of 2000, 22 U.S.C. § 7102 et seq., and in the federal Justice for Victims of Trafficking Act of 2015, 42 U.S.C. § 5101 et seq.

If a civil proceeding under this chapter is based solely on the parent having left the child at a hospital or emergency medical services agency, it shall be an affirmative defense that such parent safely delivered the child within 30 days of the child's birth to (i) a hospital that provides 24-hour emergency services, (ii) an attended emergency medical services agency that employs emergency medical services personnel, or (iii) a newborn safety device located at and operated by such hospital or emergency medical services agency. For purposes of terminating parental rights pursuant to § 16.1-283 and placement for adoption, the court may find such a child is a neglected child upon the ground of abandonment.
