All assessments, except initial assessments, for the Fund shall be deposited within three ~~work days~~ workdays after their receipt by the Director, in one or more federally insured banks, savings and loan associations, or savings banks located in the Commonwealth. Funds deposited in banks, savings institutions,

or savings banks, to the extent in excess of insurance afforded by the Federal Deposit Insurance Corporation or other federal insurance agency, shall be secured under the Virginia Security for Public Deposits Act (§ 2.2-4400 et seq.). The deposit of these funds in federally insured banks, savings and loan associations, or savings banks located in the Commonwealth shall not be considered investment of such funds for purposes of this section. Funds maintained by the Director may be invested in securities that are legal investments for fiduciaries under the provisions of § 64.2-1502.

B. The minimum balance of the Fund shall be \$400,000. Whenever the Director determines that the balance of the Fund is or will be less than this minimum balance, the Director shall immediately inform the Board, which shall assess each regulant at the time of his license renewal a sum sufficient to bring the balance of the Fund to an amount of not less than \$400,000, when combined with similar assessments of other regulants. No regulant shall be assessed a total amount of more than ~~fifty dollars~~ \$50 during any biennium.

Notice to regulants of these assessments shall be by first-class mail, and payment of such assessments shall be made by first-class mail addressed to the Director within ~~forty-five~~ 45 days after the mailing of the notice to regulants.

C. If any regulant fails to remit the required assessment mailed in accordance with subsection B within ~~forty-five~~ 45 days of such mailing, the Director shall notify such regulant by first-class mail at the latest address of record filed with the Board. If no payment has been received by the Director within ~~thirty~~ 30 days after mailing the second notice, the license of the regulant shall be automatically suspended and shall be restored only upon the actual receipt by the Director of the delinquent assessment.

Interest earned on the deposits constituting the Fund shall be used for administering the Fund. The remainder of this interest may be used for the purposes of providing educational programs about the Uniform Statewide Building Code (§ 36-97 et seq.), for providing education on subjects of benefit to licensees or members of the public relating to contracting, or shall accrue to the Fund.

**§ 54.1-1123. Limitations upon recovery from Fund; certain actions not a bar to recovery.**

A. The maximum claim of one claimant against the Fund based upon an unpaid judgment arising out of the improper or dishonest conduct of one regulant in connection with a single transaction involving contracting is limited to ~~\$20,000~~ \$30,000, including any amount paid from a contractor's surety bond under § 54.1-1120.1, regardless of the amount of the unpaid judgment of the claimant.

B. The aggregate of claims against the Fund based upon unpaid judgments arising out of the improper or dishonest conduct of any one regulant involving contracting, is limited by the Board to ~~\$40,000~~ \$100,000 during any biennium. If a claim has been made against the Fund, and the Board has reason to believe there may be additional claims against the Fund from other transactions involving the same regulant, the Board may withhold any payment(s) from the Fund involving such regulant for a period of not more than one year from the date on which the claimant is awarded in a court of competent jurisdiction in the Commonwealth the final judgment on which his claim against the Fund is based. After this one-year period, if the aggregate of claims against the regulant exceeds ~~\$40,000~~ \$100,000, during a biennium, ~~\$40,000~~ \$100,000 shall be prorated by the Board among the claimants and paid from the Fund, less the amount of any applicable contractor's bond, in proportion to the amounts of their judgments against the regulant remaining unpaid. Claims shall be prorated only after any applicable contractor's bond has been exhausted.

C. Excluded from the amount of any unpaid judgment upon which a claim against the Fund is based shall be any sums representing interest, or punitive damages, or any amounts that do not constitute actual monetary loss to the claimants. Such claim against the Fund may include court costs and attorney fees.

D. If, at any time, the amount of the Fund is insufficient to fully satisfy any claims or claim filed with the Board and authorized by this Act, the Board shall pay such claims, claim, or portion thereof to the claimants in the order that the claims were filed with the Board.

E. Failure of a claimant to comply with the provisions of subdivisions B 1 and 2 and subsection C of § 54.1-1120 and the provisions of § 54.1-1124 shall not be a bar to recovery under this Act if the claimant is otherwise entitled to such recovery.

F. The Board shall have the authority to deny any claim which otherwise appears to meet the requirements of the Act if it finds by clear and convincing evidence that the claimant has presented false information or engaged in collusion to circumvent any of the requirements of the Act.
