655 *A. Except for temporary tobacco retail permits issued pursuant to § 4.1-254, before the Board may*
 656 *impose a civil penalty or suspend or revoke any tobacco retail permit, reasonable notice of such proposed or*
 657 *contemplated action shall be given to the permittee in accordance with the provisions of § 2.2-4020 of the*
 658 *Administrative Process Act (§ 2.2-4000 et seq.).*

659 *Notwithstanding the provisions of § 2.2-4022, the Board shall, upon written request by the permittee,*
 660 *permit the permittee to inspect and copy or photograph all (i) written or recorded statements made by the*
 661 *permittee or copies thereof or the substance of any oral statements made by the permittee or a previous or*
 662 *present employee of the permittee to any law-enforcement officer, the existence of which is known by the*
 663 *Board and upon which the Board intends to rely as evidence in any adversarial proceeding under this*
 664 *chapter against the permittee and (ii) designated books, papers, documents, tangible objects, buildings, or*
 665 *places, or copies or portions thereof, that are within the possession, custody, or control of the Board and*
 666 *upon which the Board intends to rely as evidence in any adversarial proceeding under this chapter against*
 667 *the permittee. In addition, any subpoena for the production of documents issued to any person at the request*
 668 *of the permittee or the Board pursuant to § 4.1-103 shall provide for the production of the documents sought*
 669 *within 10 working days, notwithstanding anything to the contrary in § 4.1-103.*

670 *If the Board fails to provide for inspection or copying under this section for the permittee after a written*
 671 *request, the Board shall be prohibited from introducing into evidence any items the permittee would have*

672 lawfully been entitled to inspect or copy under this section.

673 The action of the Board in suspending or revoking any tobacco retail permit or in imposing a civil penalty
674 shall be subject to judicial review in accordance with the Administrative Process Act (§ 2.2-4000 et seq.).
675 Such review shall extend to the entire evidential record of the proceedings provided by the Board in
676 accordance with the Administrative Process Act. An appeal shall lie to the Court of Appeals from any order
677 of the court. Notwithstanding § 8.01-676.1, the final judgment or order of the circuit court shall not be
678 suspended, stayed, or modified by such circuit court pending appeal to the Court of Appeals. Neither
679 mandamus nor injunction shall lie in any such case.

680 B. In suspending any tobacco retail permit, the Board may impose, as a condition precedent to the
681 removal of such suspension or any portion thereof, a requirement that the permittee pay the cost incurred by
682 the Board in investigating the permittee and in holding the proceeding resulting in such suspension, or it may
683 impose and collect such civil penalties as it deems appropriate. In no event shall the Board impose a civil
684 penalty exceeding \$2,000 for the first violation occurring within five years immediately preceding the date of
685 the violation or \$5,000 for the second violation occurring within five years immediately preceding the date of
686 the second violation. However, if the violation involved selling tobacco products to a person prohibited from
687 purchasing tobacco products, the Board may impose a civil penalty not to exceed \$3,000 for the first
688 violation occurring within five years immediately preceding the date of the violation and \$6,000 for a second
689 violation occurring within five years immediately preceding the date of the second violation in lieu of such
690 suspension or any portion thereof, or both. The Board may also impose a requirement that the permittee pay
691 for the cost incurred by the Board not exceeding \$25,000 in investigating the permittee and in holding the
692 proceeding resulting in the violation in addition to any suspension or civil penalty incurred.

693 C. Following notice to (i) the permittee of a hearing that may result in the suspension or revocation of his
694 permit or (ii) the applicant of a hearing to resolve a contested application, the Board may accept a consent
695 agreement as authorized in subdivision 21 of § 4.1-103. The notice shall advise the permittee or applicant of
696 the option to (a) admit the alleged violation or the validity of the objection; (b) waive any right to a hearing
697 or an appeal under the Virginia Administrative Process Act (§ 2.2-4000 et seq.); and (c) (1) accept the
698 proposed restrictions for operating under the permit, (2) accept the period of suspension of the permitted
699 privileges within the Board's parameters, (3) pay a civil penalty in lieu of the period of suspension, or any
700 portion of the suspension as applicable, or (4) proceed to a hearing.

701 D. The Board may, by regulation or written order:

702 1. Designate those (i) objections to an application or (ii) alleged violations that will proceed to an initial
703 hearing;

704 2. Designate the violations for which a waiver of a hearing and payment of a civil charge in lieu of
705 suspension may be accepted for a first offense occurring within three years immediately preceding the date of
706 the violation;

707 3. Establish a schedule of penalties for such offenses, prescribing the appropriate suspension of a license
708 and the civil charge acceptable in lieu of such suspension; and

709 4. Establish a schedule of offenses for which any penalty may be waived upon a showing that the
710 permittee has had no prior violations within five years immediately preceding the date of the violation. No
711 waiver shall be granted by the Board, however, for a permittee's willful and knowing violation of this article
712 or Board regulations.

713 E. Notwithstanding any provisions to the contrary in this section or in Article 3 (§ 2.2-4018 et seq.) of the
714 Administrative Process Act, tobacco retail permittees shall be subject to the provisions of § 4.1-225.1.

715 **§ 4.1-253. Suspension or revocation; disposition of tobacco products on hand; termination.**

716 A. Tobacco products owned by or in possession of, or for sale by, any retail tobacco permittee at the time
717 the retail tobacco permit of such person is suspended or revoked may be disposed of as follows:

718 1. Sold by such person to the Board at prices and terms agreed upon by the Board and such person;

719 2. Sold to persons in the Commonwealth permitted to sell such tobacco products; or

720 3. Upon permits granted by the Board and conditions specified by the Board, sold to persons outside the
721 Commonwealth for resale outside the Commonwealth upon permits granted by the Board.

722 B. Upon permits granted by the Board and upon payment of any excise tax due thereon, tobacco products
723 owned and in possession of, or either, or for sale by, any tobacco retail permittee at the time the license of
724 such person is suspended or revoked may be sold to any person authorized to purchase the same for resale.

725 C. All tobacco products owned by or in possession of any person whose tobacco retail permit is
726 suspended or revoked shall be disposed of by such person in accordance with the provisions of this section
727 within 60 days from the date of such suspension or revocation.

728 D. Tobacco products owned by, or in possession of, or for sale by persons whose tobacco retail permits
729 have been terminated other than by suspension or revocation may be disposed of in accordance with
730 subsection A or B within such time as the Board deems proper. Such period shall not be less than 60 days.

731 E. All tobacco products owned by or remaining in the possession of any person described in subsection A,
732 B, or D after the expiration of such period shall be deemed contraband and forfeited to the Commonwealth in

733 accordance with the provisions of § 4.1-338.

734 **§ 4.1-254. Continuation of tobacco retail permittee operations in certain instances; temporary permits.**

735 A. The Board may grant the following temporary permits which shall authorize:

736 1. Any person who purchases at a foreclosure, secured creditor's or judicial auction sale the premises or
737 property of a person permitted as a tobacco retailer by the Board and who has become lawfully entitled to
738 the possession of the permitted premises to continue to operate the establishment to the same extent as a
739 person holding such tobacco retail permits for a period not to exceed 60 days or for such longer period as
740 determined by the Board. Such permit shall be temporary and shall confer the privileges of any tobacco retail
741 permits held by the previous owner to the extent determined by the Board. Such temporary permit may be
742 issued in advance, conditioned on the above requirements.

743 2. Any person who, through contract, lease, concession, license, management or similar agreement
744 (hereinafter referred to as the contract), becomes lawfully entitled to the use and control of the premises of a
745 person permitted as a tobacco retailer by the Board to continue to operate the establishment to the same
746 extent as a person holding such tobacco retail permits, provided such person has made application to the
747 Board for a tobacco retail permit at the same premises. The temporary permit shall (i) confer the privileges
748 of any tobacco retail permits held by the previous owner to the extent determined by the Board and (ii) be
749 valid for a period of 120 days or for such longer period as may be necessary as determined by the Board
750 pending the completion of the processing of the temporary permittee's tobacco retail permit application. No
751 temporary permit shall be issued without the written consent of the previous tobacco retail permittee. No
752 temporary permit shall be issued under the provisions of this subdivision if the previous tobacco retail
753 permittee owes any state or local taxes, or has any pending charges for violation of this subtitle or any Board
754 regulation, unless the temporary permittee agrees to assume the liability of the previous tobacco retail
755 permittee for the taxes or any penalty for the pending charges. An application for a temporary permit may be
756 filed prior to the effective date of the contract, in which case the temporary permit when issued shall become
757 effective on the effective date of the contract. Upon the effective date of the temporary permit, (a) the
758 temporary permittee shall be responsible for compliance with the provisions of this subtitle and any Board
759 regulation and (b) the previous tobacco retail permittee shall not be held liable for any violation of this
760 subtitle or any Board regulation committed by, or any errors or omissions of, the temporary permittee.

761 B. Every application for a temporary permit granted pursuant to this section shall be on a form provided
762 by the Board. The fee for a temporary permit shall be one-twelfth of the combined tobacco retail permit
763 application fee and tobacco retail permit fee computed to the nearest cent and multiplied by the number of
764 months for which the permit is granted.

765 C. The decision to refuse to grant a temporary permit shall not be subject to a hearing. A temporary
766 permit may be revoked summarily by the Board for any cause set forth in § 4.1-250 without complying with
767 subsection A of § 4.1-252. Revocation of a temporary permit shall be effective upon service of the order of
768 revocation upon the permittee or upon the expiration of three business days after the order of the revocation
769 has been mailed to the permittee at either his residence or the address given for the business in the license
770 application. No further notice shall be required.

771 **§ 4.1-255. Tobacco products underage decoy operations; frequency.**

772 For each tobacco retail permittee, the Board shall conduct an unannounced underage decoy operation at
773 least once every 24 months to verify that the tobacco retail permittee is not selling retail tobacco products to
774 persons under 21 years of age. If the Board determines, subject to §§ 4.1-250 and 4.1-252, that the tobacco
775 retail permittee has violated § 4.1-357, the Board shall conduct an additional underage decoy operation of
776 the tobacco retail permittee within six months of a board order substantiating such violation.

 842 permittee for the conduct of his agent or employee who violates subsection A.

843 C. Any tobacco products purchased or possessed in violation of this section shall be deemed contraband
 844 and may be seized by a law-enforcement officer. Any such product, the lawful possession of which is not

1141 exempt from the Administrative Process Act (§ 2.2-4000 et seq. of the Code of Virginia), except that the
1142 Authority shall provide an opportunity for public comment on the regulations prior to adoption.
