 27 operating condition of primary and secondary state highways, including location and average duration of
 28 incidents;

29 5. A listing of prioritized pavement and bridge needs based on the priority ranking system developed by
 30 the Board pursuant to § 33.2-369 and a description of the priority ranking system;

31 6. A description of actions taken to improve highway operations within the Commonwealth, ~~including the~~
 32 ~~use of funds in the Innovation and Technology Transportation Fund established pursuant to § 33.2-1531;~~

33 7. The use of funds in the Special Structure Fund established pursuant to § 33.2-1532;

34 8. The status of the Interstate Operations and Enhancement Program, including, at a minimum, the
 35 allocation of revenues for the program, the current and projected performance of each interstate highway
 36 corridor, and the anticipated benefits of funded strategies, capital improvements, and services by the interstate
 37 highway; and

38 9. A review of the Department's collaboration with the private sector in delivering services.

39 C. The Office of Intermodal Planning and Investment of the Secretary of Transportation shall provide to
 40 each recipient specified in subsection A, no later than November 1 of each odd-numbered year, a report, the
 41 content of which shall be specified by the Board and shall contain, at a minimum:

42 1. A list of transportation projects approved or modified during the prior fiscal year, including whether
 43 each such project was evaluated pursuant to § 33.2-214.1 and the program from which each such project
 44 received funding;

45 2. The results of the most recent project evaluations pursuant to § 33.2-214.1, including a comparison of
 46 (i) projects selected for funding with projects not selected for funding, (ii) funding allocated by district and by
 47 mode of transportation, and (iii) the size of projects selected for funding;

48 3. The current performance of the Commonwealth's surface transportation system, the targets for future
 49 performance, and the progress toward such targets based on the measures developed pursuant to § 2.2-229;

50 4. The status of the Virginia Transportation Infrastructure Bank, including the balance in the Bank,
 51 funding commitments made over the prior fiscal year, and performance of the current loan portfolio;

52 5. The status of the Toll Facilities Revolving Account, including the balance in the account, project
 53 commitments from the account, repayment schedules, and the performance of the current loan portfolio; and

54 6. Progress made toward achieving the performance targets established by the Commonwealth
 55 Transportation Board.

56 D. The purpose of the reports required pursuant to this section is to ensure transparency and accountability

57 in the use of transportation funds. Reports required by this section shall be made available to the public on the
58 website of the Commonwealth Transportation Board.
59 **2. That the second and third enactments of Chapter 783 of the Acts of Assembly of 2012 are repealed.**
