Bill Number: HB 2116 ER

Patron: Keys-Gamarra

Bill Title: Driver's licenses and identification cards; indication of non-apparent disability.

Bill Summary: This bill adds non-apparent disabilities, defined in the bill, to the list of conditions that the Department of Motor Vehicles, when requested by an applicant and upon presentation of a signed statement by a licensed physician confirming the applicant's condition, is required to indicate on such applicant's driver's license. Such requirement is also extended to identification cards. Such an indication on a person's driver's license allows for the voluntary indication of a disability that can impair communication on a motor vehicle registration.

Budget Amendment Necessary: No.

Items Impacted: N/A

Explanation: None.

Fiscal Summary: Implementation of this bill will require five hours of system programming at a cost of \$381, which the agency will implement using existing resources.

Other: None.
