Fiscal Analysis: This bill provides that all primaries for offices to be filled at the November election in presidential election years shall be held on the date of the presidential primary. The Department of Elections (ELECT) expects a fiscal impact to Campaign Finance due to the provisions of this bill. ELECT expects issues implementing the new function due to current issues implementing a system with similar logic to the provisions of this bill. Funds are allocated in the Governors Introduced Budget to begin planning a new Campaign Finance System that will include the capabilities to have different schedules.

Other: Similar legislation includes SB1119.
