Bill Number: SB880ER **Patron:** Ebbin
Bill Title: Carrying assault firearms in public areas prohibited; penalty.

Bill Summary: Prohibits the carrying of certain semi-automatic center-fire rifles and shotguns on any public street, road, alley, sidewalk, or public right-of-way or in any public park or any other place of whatever nature that is open to the public, with certain exceptions. Under current law, the current prohibition on carrying certain shotguns and semi-automatic center-fire rifles and pistols applies to a narrower range of firearms, only in certain localities, and only when such firearms are loaded.

Budget Amendment Necessary: Yes **Items Impacted:** Item 390
Explanation: See below

Fiscal Summary:

Proposal requires minimum “Woodrum” impact funding per § 30-19.1:4, Code of Virginia, to account for a possible increase in the need for state prison beds due to this legislation.

General Fund Expenditure Impact:

<u>Agency</u>	<u>FY2025</u>	<u>FY2026</u>	<u>FY2027</u>	<u>FY2028</u>	<u>FY2029</u>	<u>FY2030</u>
Dept. of Corrections		\$50,000				
TOTAL		\$50,000				

Fiscal Analysis:

This proposal expands the applicability of a Class 1 misdemeanor under § 18.2-287.4. Pursuant to § 18.2-311.2, a third or subsequent Class 1 misdemeanor weapon violation (defined in Article 4, 5, 6, or 7 of Chapter 7 of Title 18.2) is punishable as a Class 6 felony. Therefore, this proposal could result in an increase in the number of persons sentenced to jail or prison.

There is not enough information available to reliably estimate the increase in jail population as a result of this proposal. However, any increase in jail population will increase costs to the state. The Commonwealth currently pays the localities \$5.00 a day for each misdemeanant or otherwise local-responsible prisoner held in a jail and \$15.00 a day for each state-responsible prisoner. It also funds a considerable portion of the jails’ operating costs, e.g., correctional officers. The state’s share of these costs on a per prisoner, per day basis

varies from locality to locality. However, according to the Compensation Board's most recent Jail Cost Report (November 2024), the estimated total state support for local jails averaged \$56.38 per inmate, per day in FY 2023.

Due to the lack of data, the Virginia Criminal Sentencing Commission has concluded, pursuant to §30-19.1:4 of the Code of Virginia, that the impact of the proposed legislation on state-responsible (prison) bed space cannot be determined. In such cases, Chapter 2, 2024 Acts of Assembly, Special Session I, requires that a minimum impact of \$50,000 be assigned to the bill.
