

VIRGINIA ACTS OF ASSEMBLY — CHAPTER

An Act to amend and reenact § 20-108.2 of the Code of Virginia, relating to determination of child support.

[S 805]

Approved

Be it enacted by the General Assembly of Virginia:

1. That § 20-108.2 of the Code of Virginia is amended and reenacted as follows:

§ 20-108.2. Guideline for determination of child support; quadrennial review by Child Support Guidelines Review Panel; executive summary.

A. There shall be a rebuttable presumption in any judicial or administrative proceeding for child support under this title or Title 16.1 or 63.2, including cases involving split custody, shared custody, or multiple custody arrangements pursuant to subdivisions G 4, 5, and 6, that the amount of the award which would result from the application of the guidelines set forth in this section is the correct amount of child support to be awarded. In order to rebut the presumption, the court shall make written findings in the order as set out in § 20-108.1, which findings may be incorporated by reference, that the application of the guidelines would be unjust or inappropriate in a particular case as determined by relevant evidence pertaining to the factors set out in § 20-108.1. The Department of Social Services shall set child support at the amount resulting from computations using the guidelines set out in this section pursuant to the authority granted to it in Chapter 19 (§ 63.2-1900 et seq.) of Title 63.2 and subject to the provisions of § 63.2-1918.

B. For purposes of application of the guideline, a basic child support obligation shall be computed using the schedule set out below. For combined monthly gross income amounts falling between amounts shown in the schedule, basic child support obligation amounts shall be extrapolated. However, unless one of the following exemptions applies where the sole custody child support obligation as computed pursuant to subdivision G 1 is less than the statutory minimum per month, there shall be a presumptive minimum child support obligation of the statutory minimum per month payable by the payor parent. If the gross income of the obligor is equal to or less than 150 percent of the federal poverty level promulgated by the U.S. Department of Health and Human Services from time to time, then the court, upon hearing evidence that there is no ability to pay the presumptive statutory minimum, may set an obligation below the presumptive statutory minimum provided doing so does not create or reduce a support obligation to an amount which seriously impairs the custodial parent's ability to maintain minimal adequate housing and provide other basic necessities for the child. Exemptions from this presumptive minimum monthly child support obligation shall include: parents unable to pay child support because they lack sufficient assets from which to pay child support and who, in addition, are institutionalized in a psychiatric facility; are imprisoned for life with no chance of parole; are medically verified to be totally and permanently disabled with no evidence of potential for paying child support, including recipients of Supplemental Security Income (SSI); or are otherwise involuntarily unable to produce income. "Number of children" means the number of children for whom the parents share joint legal responsibility and for whom support is being sought. The guidelines worksheet relied upon by the court or the Department of Social Services to compute a child support obligation for a support order issued by such court or the Department shall be placed in the court's file or the Department's file, and a copy of such guidelines worksheet shall be provided to the parties.

1591 C. For purposes of this section, "gross income" means all income from all sources, and shall include, but
 1592 not be limited to, income from salaries, wages, commissions, royalties, bonuses, dividends, severance pay,
 1593 pensions, interest, trust income, annuities, capital gains, social security benefits except as listed below,
 1594 workers' compensation benefits, unemployment insurance benefits, disability insurance benefits, veterans'
 1595 benefits, spousal support, rental income except as listed below, gifts, prizes, or awards.

1596 If a parent's gross income includes disability insurance benefits, it shall also include any amounts paid to
 1597 or for the child who is the subject of the order and derived by the child from the parent's entitlement to
 1598 disability insurance benefits. To the extent that such derivative benefits are included in a parent's gross
 1599 income, that parent shall be entitled to a credit against his or her ongoing basic child support obligation for
 1600 any such amounts, and, if the amount of the credit exceeds the parent's basic child support obligations, the
 1601 credit may be used to reduce arrearages.

1602 Gross income shall be subject to deduction of reasonable business expenses for persons with income from
 1603 self-employment, a partnership, or a closely held business. Gross rental income from any property owned
 1604 individually, jointly, or by any entity shall be subject to deduction of reasonable expenses; however, the
 1605 deduction shall not include the cost of acquisition, depreciation, or the principal portion of any mortgage
 1606 payment. The party claiming any deduction for reasonable business expenses or reasonable expenses for
 1607 rental property shall have the burden of proof to establish such expenses by a preponderance of the evidence.

1608 "Gross income" shall not include:

- 1609 1. Benefits from public assistance and social services programs as defined in § 63.2-100;
- 1610 2. Federal supplemental security income benefits;
- 1611 3. Child support received; or

1612 4. Income received by the payor from secondary employment income not previously included in "gross
 1613 income," where the payor obtained the income to discharge a child support arrearage established by a court or
 1614 administrative order and the payor is paying the arrearage pursuant to the order. "Secondary employment
 1615 income" includes but is not limited to income from an additional job, from self-employment, or from
 1616 overtime employment. The cessation of such secondary income upon the payment of the arrearage shall not
 1617 be the basis for a material change in circumstances upon which a modification of child support may be based.

1618 For purposes of this subsection: (i) spousal support received shall be included in gross income and spousal
 1619 support paid shall be deducted from gross income when paid pursuant to an order or written agreement and
 1620 (ii) one-half of any self-employment tax paid shall be deducted from gross income.

1621 Where there is an existing court or administrative order or written agreement relating to the child or
 1622 children of a party to the proceeding, who are not the child or children who are the subject of the present
 1623 proceeding, then there is a presumption that there shall be deducted from the gross income of the party
 1624 subject to such order or written agreement, the amount that the party is actually paying for the support of a
 1625 child or children pursuant to such order or agreement.

1626 Where a party to the proceeding has a natural or adopted child or children in the party's household or
 1627 primary physical custody, and the child or children are not the subject of the present proceeding, there is a
 1628 presumption that there shall be deducted from the gross income of that party the amount as shown on the
 1629 Schedule of Monthly Basic Child Support Obligations contained in subsection B that represents that party's
 1630 support obligation based solely on that party's income as being the total income available for the natural or
 1631 adopted child or children in the party's household or primary physical custody, who are not the subject of the
 1632 present proceeding. Provided, however, that the existence of a party's financial responsibility for such a child
 1633 or children shall not of itself constitute a material change in circumstances for modifying a previous order of
 1634 child support in any modification proceeding. Any adjustment to gross income under this subsection shall not
 1635 create or reduce a support obligation to an amount which seriously impairs the custodial parent's ability to
 1636 maintain minimal adequate housing and provide other basic necessities for the child, as determined by the
 1637 court.

1638 In cases in which retroactive liability for support is being determined, the court or administrative agency
 1639 may use the gross monthly income of the parties averaged over the period of retroactivity.

1640 D. Except for good cause shown or the agreement of the parties, in addition to any other child support
 1641 obligations established pursuant to this section, any child support order shall provide that the parents pay in
 1642 proportion to their gross incomes, as used for calculating the monthly support obligation, any reasonable and
 1643 necessary unreimbursed medical or dental expenses. The method of payment of those expenses shall be
 1644 contained in the support order. Each parent shall pay his respective share of expenses as those expenses are
 1645 incurred. Any amount paid under this subsection shall not be adjusted by, nor added to, the child support
 1646 calculated in accordance with subsection G. For the purposes of this section, medical or dental expenses shall
 1647 include but not be limited to eyeglasses, prescription medication, prosthetics, orthodontics, and mental health
 1648 or developmental disabilities services, including but not limited to services provided by a social worker,
 1649 psychologist, psychiatrist, counselor, or therapist.

1650 D1. In any initial child support proceeding commenced within six months of the birth of a child, except
 1651 for good cause shown or the agreement of the parties, in addition to any other child support obligations
 1652 established pursuant to this section, the child support order shall provide that the parents pay in proportion to
 1653 their gross incomes, as used for calculating the monthly support obligation, any reasonable and necessary
 1654 unpaid expenses of the mother's pregnancy and the delivery of such child. Any amount paid under this
 1655 subsection shall not be adjusted by, nor added to, the child support calculated in accordance with subsection
 1656 G.

1657 E. The costs for health care coverage as defined in § 63.2-1900, vision care coverage, and dental care
 1658 coverage for the child or children who are the subject of the child support order that are being paid by a
 1659 parent or that parent's spouse shall be added to the basic child support obligation. To determine the cost to be
 1660 added to the basic child support obligation, the cost per person shall be applied to the child or children who
 1661 are subject of the child support order. If the per child cost is provided by the insurer, that is the cost per
 1662 person. Otherwise, to determine the cost per person, the cost of individual coverage for the policy holder shall
 1663 be subtracted from the total cost of the coverage, and the remaining amount shall be divided by the number of
 1664 remaining covered persons.

1665 F. Any child-care costs incurred on behalf of the child or children due to employment of the custodial
 1666 parent shall be added to the basic child support obligation. Child-care costs shall not exceed the amount
 1667 required to provide quality care from a licensed source. When requested by the noncustodial parent, the court
 1668 may require the custodial parent to present documentation to verify the costs incurred for child care under this
 1669 subsection. Where appropriate, the court shall consider the willingness and availability of the noncustodial
 1670 parent to provide child care personally in determining whether child-care costs are necessary or excessive.
 1671 Upon the request of either party, and upon a showing of the tax savings a party derives from child-care cost
 1672 deductions or credits, the court shall factor actual tax consequences into its calculation of the child-care costs
 1673 to be added to the basic child support obligation.

1674 G. 1. Sole custody support. The sole custody total monthly child support obligation shall be established by
 1675 adding (i) the monthly basic child support obligation, as determined from the schedule contained in
 1676 subsection B, (ii) costs for health care coverage to the extent allowable by subsection E, and (iii) work-related
 1677 child-care costs and taking into consideration all the factors set forth in subsection B of § 20-108.1. The total
 1678 monthly child support obligation shall be divided between the parents in the same proportion as their monthly
 1679 gross incomes bear to their monthly combined gross income. The monthly obligation of each parent shall be
 1680 computed by multiplying each parent's percentage of the parents' monthly combined gross income by the
 1681 total monthly child support obligation.

1682 However, the monthly obligation of the noncustodial parent shall be reduced by the cost for health care
 1683 coverage to the extent allowable by subsection E when paid directly by the noncustodial parent or that
 1684 parent's spouse. Unreimbursed medical and dental expenses shall be calculated and allocated in accordance
 1685 with subsection D.

1686 2. Split custody support. In cases involving split custody, the amount of child support to be paid shall be
 1687 the difference between the amounts owed by each parent as a noncustodial parent, computed in accordance
 1688 with subdivision 1, with the noncustodial parent owing the larger amount paying the difference to the other
 1689 parent. Unreimbursed medical and dental expenses shall be calculated and allocated in accordance with
 1690 subsection D.

1691 For the purpose of this section and § 20-108.1, split custody shall be limited to those situations where each
 1692 parent has physical custody of a child or children born of the parents, born of either parent and adopted by the
 1693 other parent or adopted by both parents. For the purposes of calculating a child support obligation where split
 1694 custody exists, a separate family unit exists for each parent, and child support for that family unit shall be
 1695 calculated upon the number of children in that family unit who are born of the parents, born of either parent
 1696 and adopted by the other parent or adopted by both parents. Where split custody exists, a parent is a custodial
 1697 parent to the children in that parent's family unit and is a noncustodial parent to the children in the other
 1698 parent's family unit.

1699 3. Shared custody support.

(a) Where a party has custody or visitation of a child or children for more than 90 days of the year, as such days are defined in subdivision G 3 (c), a shared custody child support amount based on the ratio in which the parents share the custody and visitation of any child or children shall be calculated in accordance with this subdivision. The presumptive support to be paid shall be the shared custody support amount, unless a party affirmatively shows that the sole custody support amount calculated as provided in subdivision G 1 is less than the shared custody support amount. If so, the lesser amount shall be the support to be paid. For the purposes of this subsection, the following shall apply:

(i) Income share. "Income share" means a parent's percentage of the combined monthly gross income of both parents. The income share of a parent is that parent's gross income divided by the combined gross incomes of the parties.

(ii) Custody share. "Custody share" means the number of days that a parent has physical custody, whether by sole custody, joint legal or joint residential custody, or visitation, of a shared child per year divided by the number of days in the year. The actual or anticipated "custody share" of the parent who has or will have fewer days of physical custody shall be calculated for a one-year period. The "custody share" of the other parent shall be presumed to be the number of days in the year less the number of days calculated as the first parent's "custody share." For purposes of this calculation, the year may begin on such date as is determined in the discretion of the court, and the day may begin at such time as is determined in the discretion of the court. For purposes of this calculation, a day shall be as defined in subdivision G 3 (c).

(iii) Shared support need. "Shared support need" means the presumptive guideline amount of needed support for the shared child or children calculated pursuant to subsection B of this section, for the combined gross income of the parties and the number of shared children, multiplied by 1.4.

(iv) Sole custody support. "Sole custody support" means the support amount determined in accordance with subdivision G 1.

(b) Support to be paid. The shared support need of the shared child or children shall be calculated pursuant to subdivision G 3 (a) (iii). This amount shall then be multiplied by the other parent's custody share. To that sum for each parent shall be added the other parent's or that parent's spouse's cost of health care coverage to the extent allowable by subsection E, plus the other parent's work-related child-care costs to the extent allowable by subsection F. This total for each parent shall be multiplied by that parent's income share. The support amounts thereby calculated that each parent owes the other shall be subtracted one from the other and the difference shall be the shared custody support one parent owes to the other, with the payor parent being the one whose shared support is the larger. Unreimbursed medical and dental expenses shall be calculated and allocated in accordance with subsection D.

(c) Definition of a day. For the purposes of this section, "day" means a period of 24 hours; however, where the parent who has the fewer number of overnight periods during the year has an overnight period with a child, but has physical custody of the shared child for less than 24 hours during such overnight period, there is a presumption that each parent shall be allocated one-half of a day of custody for that period.

(d) Minimum standards. Any calculation under this subdivision shall not create or reduce a support obligation to an amount which seriously impairs the custodial parent's ability to maintain minimal adequate housing and provide other basic necessities for the child. If the gross income of either party is equal to or less than 150 percent of the federal poverty level promulgated by the U.S. Department of Health and Human Services from time to time, then the shared custody support calculated pursuant to this subsection shall not be the presumptively correct support and the court may consider whether the sole custody support or the shared custody support is more just and appropriate.

(e) Support modification. When there has been an award of child support based on the shared custody formula and one parent consistently fails to exercise custody or visitation in accordance with the parent's custody share upon which the award was based, there shall be a rebuttable presumption that the support award should be modified.

(f) In the event that the shared custody support calculation indicates that the net support is to be paid to the parent who would not be the parent receiving support pursuant to the sole custody calculation, then the shared support shall be deemed to be the lesser support.

4. Multiple shared custody support. In cases with different shared custody arrangements for two or more minor children of the parties, the procedures in subdivision G 3 shall apply, except that one shared guideline shall be used to determine the total amount of child support owed by one parent to the other by:

(a) Calculating each parent's custody share by adding the total number of days, as defined in subdivision G 3 (c), that each parent has with each child and dividing such total number of days by the number of children of the parties to determine the average number of shared custody days; and

(b) Using each parent's custody share as determined in subdivision G 4 (a) for each parent to calculate the child support owed, in accordance with the provisions of subdivision G 3.

5. Sole and shared custody support. In cases where one parent has sole custody of one or more minor children of the parties, and the parties share custody of one or more other minor children of the parties, the procedures in subdivisions G 1 and 3 shall apply, except that one sole custody support guideline calculation

1761 and one shared custody support guideline calculation shall be used to determine the total amount of child
 1762 support owed by one parent to the other by:

1763 (a) Calculating the sole custody support obligation by:

1764 (i) Calculating the per child monthly basic child support obligation by determining, for the number of
 1765 children of the parties, the scheduled monthly basic child support obligation and dividing that amount by the
 1766 number of children of the parties;

1767 (ii) Calculating the sole custody pro rata monthly basic child support obligation by multiplying the per
 1768 child monthly basic child support obligation determined in subdivision G 5 (a) (i) by the number of children
 1769 subject to the sole custody support obligation; and

1770 (iii) Applying the sole custody pro rata monthly basic child support obligation determined in subdivision
 1771 G 5 (a) (ii) to the procedures in subdivision G 1.

1772 (b) Calculating the shared custody child support obligation by:

1773 (i) Calculating the per child monthly basic child support obligation by determining, for the number of
 1774 children of the parties, the scheduled monthly basic child support obligation and dividing that amount by the
 1775 number of children of the parties;

1776 (ii) Calculating the shared custody pro rata monthly basic child support obligation by multiplying the per
 1777 child monthly basic child support obligation determined in subdivision G 5 (b) (i) by the number of children
 1778 subject to the shared custody support obligation; and

1779 (iii) Applying the shared custody pro rata monthly basic child support obligation determined in
 1780 subdivision G 5 (b) (ii) to the procedures in subdivision G 3.

1781 (c) Determining the total amount of child support owed by one parent to the other. Where one parent owes
 1782 both the sole custody support obligation and the shared custody support obligation to the other parent, the
 1783 total of both such obligations calculated pursuant to subdivisions G 5 (a) and G 5 (b) shall be added to
 1784 determine the total amount of child support owed by one parent to the other. Where one parent owes one such
 1785 obligation to the other parent, and such other parent owes the other such obligation to the other such parent,
 1786 the parent owing the greater obligation amount to the other parent shall pay the difference between the
 1787 obligations to such other parent.

1788 6. Split and shared custody support. In cases where the parents have split custody of two or more children,
 1789 and there is a shared custody arrangement with one or more other minor children of the parties, the
 1790 procedures set forth in subdivisions G 2 and G 3 shall apply, except that one split custody child support
 1791 guideline calculation and one shared custody child support guideline calculation shall be used to calculate the
 1792 total amount of child support owed by one parent to the other by:

1793 (a) Calculating the split custody child support obligation by:

1794 (i) Calculating the per child monthly basic child custody support obligation by determining, for the
 1795 number of children of the parties, the scheduled monthly basic child support obligation and dividing that
 1796 amount by the number of children of the parties;

1797 (ii) Calculating the split custody pro rata monthly basic child support obligation by multiplying the per
 1798 child monthly basic child support obligation determined in subdivision G 6 (a) (i) by the number of children
 1799 subject to the split custody support obligation; and

1800 (iii) Applying the split custody pro rata monthly basic child support obligation determined in subdivision
 1801 G 6 (a) (ii) for each parent to the procedures in subdivision G 2.

1802 (b) Calculating the shared custody child support obligation by:

1803 (i) Calculating the per child monthly basic child custody support obligation by determining, for the
 1804 number of children of the parties, the scheduled monthly basic child support obligation and dividing that
 1805 amount by the number of children of the parties;

1806 (ii) Calculating the shared custody pro rata monthly basic child custody support obligation by multiplying
 1807 the per child monthly basic child support obligation determined in subdivision G 6 (b) (i) by the number of
 1808 children subject to the shared custody support obligation; and

1809 (iii) Applying the shared custody pro rata monthly basic child support obligation determined in
 1810 subdivision G 6 (b) (ii) to the procedures in subdivision G 3.

1811 (c) Determining the total amount of child support owed by one parent to the other. Where one parent owes
 1812 both the split custody support obligation and the shared custody support obligation to the other parent, the
 1813 total of both such obligations calculated pursuant to subdivisions G 6 (a) and G 6 (b) shall be added to
 1814 determine the total amount of child support owed by one parent to the other. Where one parent owes one such
 1815 obligation to the other parent, and such other parent owes the other such obligation to the other such parent,
 1816 the parent owing the greater obligation amount to the other parent shall pay the difference between the
 1817 obligations to such other parent.

1818 H. The Secretary of Health and Human Resources shall ensure that the guideline set out in this section is
 1819 reviewed by October 31, 2001, and every four years thereafter, by the Child Support Guidelines Review
 1820 Panel, consisting of 15 members comprised of four legislative members and 11 nonlegislative citizen
 1821 members. Members shall be appointed as follows: three members of the House Committee for Courts of

Justice, upon the recommendation of the Chairman of such committee, to be appointed by the Speaker of the House of Delegates in accordance with the principles of proportional representation contained in the Rules of the House of Delegates; one member of the Senate Committee for Courts of Justice, upon the recommendation of the Chairman of such committee, to be appointed by the Senate Committee on Rules; and one representative of a juvenile and domestic relations district court, one representative of a circuit court, one representative of the Department of Social Services' Division of Child Support Enforcement, three members of the Virginia State Bar, two custodial parents, two noncustodial parents, and one child advocate, upon the recommendation of the Secretary of Health and Human Resources, to be appointed by the Governor. The Panel shall determine the adequacy of the guideline for the determination of appropriate awards for the support of children by considering current research and data on the cost of and expenditures necessary for rearing children, and any other resources it deems relevant to such review. The Panel shall report its findings to the General Assembly as provided in the procedures of the Division of Legislative Automated Systems for the processing of legislative documents and reports before the General Assembly next convenes following such review.

Legislative members shall serve terms coincident with their terms of office. Nonlegislative citizen members shall serve at the pleasure of the Governor. All members may be reappointed. Appointments to fill vacancies, other than by expiration of a term, shall be made for the unexpired terms. Vacancies shall be filled in the same manner as the original appointments.

Legislative members shall receive such compensation as provided in § 30-19.12, and nonlegislative citizen members shall receive such compensation for the performance of their duties as provided in § 2.2-2813. All members shall be reimbursed for all reasonable and necessary expenses incurred in the performance of their duties as provided in §§ 2.2-2813 and 2.2-2825. Funding for the costs of compensation and expenses of the members shall be provided by the Department of Social Services.

The Department of Social Services shall provide staff support to the Panel. All agencies of the Commonwealth shall provide assistance to the Panel, upon request.

The chairman of the Panel shall submit to the Governor and the General Assembly a quadrennial executive summary of the interim activity and work of the Panel no later than the first day of 2006 regular session of the General Assembly and every four years thereafter. The executive summary shall be submitted as provided in the procedures of the Division of Legislative Automated Systems for the processing of legislative documents and reports and shall be posted on the General Assembly's website.

2. That the Child Support Guidelines Review Panel, in collaboration with the Division of Child Support Enforcement, shall examine the current outstanding amount of child support arrearages and make recommendations to the General Assembly about measures the General Assembly can consider regarding (i) helping child support obligors pay outstanding arrearages and (ii) whether existing penalties that place restrictions on such obligors' drivers licenses or other professional restrictions unnecessarily impair the obligor's ability to repay outstanding child support arrearages. The Child Support Guidelines Review Panel shall report its conclusions to the Chairmen of the House and Senate Committees for Courts of Justice by November 15, 2025.
