Bill Number: SB822ER Patron: VanValkenburg

Bill Title: Public elementary and secondary school teachers; certain training activities; requirements

and limitations.

Bill Summary: Prohibits any public elementary or secondary school teacher from being required to participate in any non-academic training activity, as that term is defined in the bill, more frequently than once within six months of employment with the applicable school board and once every five years thereafter, except in the case of certain training relating to secure mandatory test violations upon determination by the school board or division superintendent that additional training is necessary. The bill also provides that the total frequency and duration of non-academic training activities in which each such teacher is required to participate pursuant to (i) state law or regulation or (ii) policy or regulation of the school board shall not exceed 25 hours every five years. The bill provides that this does not apply to any non-academic training activity or other training activity in which any public school teacher is required to participate pursuant to federal law or regulation or to any non-academic training activity in which a public elementary or secondary school teacher voluntarily participates.
