Bill Number: HB1587 ER **Patron:** Wachsmann
Bill Title: Drug Control Act; Schedule I; Schedule IV.

Bill Summary: Adds certain chemicals to Schedules I and IV of the Drug Control Act. The Board of Pharmacy has added these substances in an expedited regulatory process. A substance added via this process is removed from the schedule after 18 months unless a general law is enacted adding the substance to the schedule.

Budget Amendment Necessary: No **Items Impacted:** n/a
Explanation: There is no anticipated impact to existing resources, and this bill does not require that language updates be made to the proposed Appropriation Act.

Fiscal Summary: There is no anticipated impact to state resources resulting from this bill.

Fiscal Analysis: The Board of Pharmacy has already promulgated emergency regulations adding the substances included in this bill to Schedules I and IV, and thus has already absorbed any costs associated with promulgating such regulations. Enacting a general law that codifies the designations for these substances is not expected to incur additional costs to the Board.
