Department of Planning and Budget 2025 General Assembly Session State Fiscal Impact Statement

PUBLISHED: 3/10/2025 3:23 PM ORIGINAL

Bill Number: HB2503ER Patron: Wiley

Bill Title: Virginia coordinate systems; federal updates.

Bill Summary: Updates several references in Code to the Virginia Coordinate System of 2022 and aligns state law with federal changes with respect to measurement standards. The bill replaces the U.S. survey foot with the international foot. The provisions of the bill become effective upon the official release by the National Oceanic and Atmospheric Administration's National Geodetic Survey of the State Plane Coordinate System of 2022 and certification in writing to the Virginia Code Commission that such contingency has been met.

Budget Amendment Necessary: No Items Impacted: None

Explanation: This bill updates several references in the Code of Virginia regarding the Virginia Coordinate

System of 2022. There is no anticipated state fiscal impact.

Fiscal Summary: The bill creates a certification requirement for Old Dominion University in its capacity as the authorized state agency for Virginia coordinate systems. There is no anticipated state fiscal impact to Old Dominion University as a result of the requirements of this bill.

Other: Companion to SB1173
