For the purposes of this section, convictions for any barrier crime as defined in § 19.2-392.02 shall include prior adult convictions and juvenile convictions or adjudications of delinquency based on a crime that would be a felony if committed by an adult within or outside the Commonwealth.

Whenever the Department conducts inspections or investigations in response to complaints received from the public, the identity of the complainant and the identity of any child who is the subject of the complaint, or identified therein, shall be confidential and shall not be open to inspection by members of the public. Identities of the complainant and child who is the subject of the complaint shall be revealed only if a court order so requires. Nothing contained herein shall prevent the Department, in its discretion, from disclosing to the Center the nature of the complaint or the identity of the child who is the subject of the complaint. Nothing contained herein shall prevent the Department or its employees from making reports under Chapter 15 (§ 63.2-1501 et seq.) or Article 2 (§ 63.2-1603 et seq.) of Chapter 16 of Title 63.2. If the Department intends to rely, in whole or in part, on any statements made by the complainant at any administrative proceeding brought against the Center, the Department shall disclose the identity of the complainant to the Center a reasonable time in advance of such proceeding.

§ 32.1-162.15:1.15. Retaliation or discrimination against complainants.

No Center may retaliate or discriminate in any manner against any person who (i) in good faith complains or provides information to, or otherwise cooperates with, the Department or any other agency of government or any person or entity operating under contract with an agency of government having responsibility for protecting the rights of children in Centers; (ii) attempts to assert any right protected by state or federal law; or (iii) assists any person in asserting such right.

§ 32.1-162.15:1.16. Retaliation against reports of child or adult abuse or neglect.

No Center may retaliate in any manner against any person who in good faith reports adult or child abuse or neglect pursuant to Chapter 15 (§ 63.2-1501 et seq.) or Article 2 (§ 63.2-1603 et seq.) of Chapter 16 of Title 63.2.

§ 32.1-162.15:1.17. Employment for compensation of persons or use of volunteers convicted of certain offenses prohibited; background check required; penalty.

A. No Center may hire for compensated employment, continue to employ persons, or permit persons to serve as volunteers who (i) have been convicted of any barrier crime as defined in § 19.2-392.02 or (ii) are the subject of a founded complaint of child abuse or neglect within or outside the Commonwealth. All persons interested in volunteering at a Center and all applicants for employment at a Center shall undergo background checks pursuant to subsection B. For the purposes of this section, convictions for any barrier crime as defined in § 19.2-392.02 shall include prior adult convictions and juvenile convictions or adjudications of delinquency based on a crime that would be a felony if committed by an adult within or outside the Commonwealth.

B. Background checks pursuant to subsection A require:

A sworn statement or affirmation disclosing whether the person has a criminal conviction or is the subject of any pending criminal charges within or outside the Commonwealth and whether or not the person has been the subject of a founded complaint of child abuse or neglect within or outside the Commonwealth;

2. A criminal history records check through the Central Criminal Records Exchange pursuant to § 19.2-389; and

3. A search of the central registry maintained pursuant to § 63.2-1515 for any founded complaint of child abuse and neglect.

D. A Center shall obtain (i) an original criminal record clearance with respect to any barrier crime as defined in § 19.2-392.02 or an original criminal history record from the Central Criminal Records Exchange for any compensated employees within 30 days of employment and any volunteer within 30 days of commencement of volunteer service and (ii) a copy of the information from the central registry for any compensated employee within 30 days of employment. However, no employee or volunteer may be permitted to work in a position that involves direct contact with a child receiving services until an original criminal record clearance or original criminal history record has been received, unless such person works under the direct supervision of an employee for whom a background check has been completed in accordance with the requirements of this section. If an applicant is denied employment or if a volunteer is denied service because of information from the central registry or convictions appearing on his criminal history record, the Center

shall provide a copy of the information obtained from the central registry or the Central Criminal Records Exchange or both to the applicant or volunteer.

E. Further dissemination of the background check information is prohibited other than to the Commissioner's representative or a federal or state authority or court as may be required to comply with an express requirement of law for such further dissemination.

F. No person who complies in good faith with the provisions of this section shall be liable for any civil damages for any act or omission in the performance of duties under this section unless the act or omission was the result of gross negligence or willful misconduct.

§ 32.1-162.15:1.18. Revocation or denial of renewal based on background checks; failure to obtain background check.

A. The Commissioner may revoke or deny renewal of the license of a Center if the Center has knowledge that a person specified in § 32.1-162.15:1.17 required to have a background check (i) has been convicted of any barrier crime as defined in § 19.2-392.02 or (ii) is the subject of a founded complaint of child abuse or neglect within or outside the Commonwealth, and the Center refuses to separate such person from employment or volunteer service.

B. Failure to obtain background checks pursuant to § 32.1-162.15:1.17 shall be grounds for denial, revocation, or termination of a license. No violation shall occur if the Center has applied for the background check timely and it has not been obtained due to administrative delay. The provisions of this section shall be enforced by the Department.

§ 32.1-162.15:1.19. Offenses; penalty.

Any person, and each officer and each member of the governing board of any association or corporation that operates a Center, is guilty of a Class 1 misdemeanor if he:

1. Interferes with any representative of the Commissioner in the discharge of his duties under this article;

2. Makes to the Commissioner or any representative of the Commissioner any report or statement, with respect to the operation of any Center, that is known by such person to be false;

3. Operates or engages in the conduct of a Center without first obtaining a license as required by this article or after such license has been revoked or suspended or has expired and not been renewed. No violation shall occur if the Center applied to the Department for renewal prior to the expiration date of the license. Each day's violation of this subdivision shall constitute a separate offense; or

4. Operates or engages in the conduct of a Center serving more persons than the maximum stipulated in the license.

§ 32.1-162.15:1.20. Disciplinary action; civil penalties.

A. The Commissioner may impose disciplinary action (i) for violation of any of the provisions of this article or any regulation adopted under any provision of this article for which that violation adversely affects, or is an imminent and substantial threat to, the health, safety, or welfare of the person cared for therein or (ii) for permitting, aiding, or abetting the commission of any illegal act in a Center.

B. The disciplinary action that the Commissioner may impose includes:

1. Revoking or refusing to renew a license;

2. Suspending or refusing to reinstate a license;

3. Placing a licensee on probation upon finding that the licensee is substantially out of compliance with the terms of its license and that the health and safety of children are at risk;

4. Reducing licensed capacity or prohibiting new admissions or enrollments when the Commissioner concludes that the licensee cannot make necessary corrections to achieve compliance with regulations except by a temporary restriction of its scope of service;

5. Mandating training for the licensee or licensee's employees or volunteers, with any costs to be borne by the licensee, when the Commissioner concludes that the lack of such training has led directly to violations of regulations;

6. Assessing monetary penalties of not more than \$1,000 per violation per day, not to exceed \$100,000 for a series of related incidents of noncompliance, upon finding that the Center is substantially out of compliance with the terms of its license and the health and safety of children are at risk; however, no monetary penalty shall be imposed pursuant to this subdivision on any Center operated by an agency of the Commonwealth;

7. Requiring licensees to contact parents, guardians, or other responsible persons in writing regarding health and safety violations; and

8. Requiring submission of and compliance with plans of corrective action, with or without actions directed by the Commissioner.

C. Any monetary penalties collected under this section shall be paid in equal portions to the Physician Loan Repayment Program established in § 32.1-122.6:1, the Nurse Loan Repayment Program established in § 32.1-122.6:04, and the Nursing Scholarship and Loan Repayment Fund established in § 54.1-3011.2 after deduction of the administrative costs of the Commissioner and the Department in furtherance of this section.

D. Except as provided in § 32.1-162.15:1.21, the Commissioner shall take no action to impose disciplinary action against a Center that is not operated by an agency of the Commonwealth except after reasonable notice and an opportunity to be heard in no fewer than 30 days by the Commissioner's presiding

officer in accordance with § 2.2-4019. Such disciplinary action may be in addition to any penalty imposed by law for the violation.

1. All requests for an opportunity to be heard following a notice of imposition of disciplinary action shall be received in writing within 15 days of the date of receipt of such notice.

2. All administrative proceedings under this section shall be separate from the regulatory office of the Department that conducted the inspection, investigation, examination, or review.

3. The presiding officer shall provide a recommendation to the Commissioner, including findings of fact, conclusions, and appropriate disciplinary action.

4. The Commissioner may affirm, modify, or reverse such recommendation and shall issue a final case decision.

E. Whenever the Commissioner refuses to issue a license or to renew a license or revokes a license for a Center other than a Center operated by an agency of the Commonwealth, the provisions of the Administrative Process Act (§ 2.2-4000 et seq.) shall apply.

F. Except as provided in § 32.1-162.15:1.22, the Commissioner shall take no action to impose disciplinary action against a Center operated by an agency of the Commonwealth except after reasonable notice and an opportunity to be heard in accordance with § 32.1-162.15:1.23.

G. An appeal, taken as provided in this section, shall operate to stay any criminal prosecution for operation without a license.

H. A monetary penalty that is not appealed becomes due on the first day after the appeal period expires. The license of a Center that has failed to pay a civil penalty due under this section shall not be renewed until the civil penalty has been paid in full, with interest, provided that the Commissioner may renew a license when an unpaid monetary penalty is the subject of a pending appeal.

I. If a license is revoked or refused renewal, a new license may be issued by the Commissioner after:

1. Satisfactory evidence is submitted to him that the conditions upon which the revocation or refusal was based have been corrected; and

2. Proper inspection has been made and compliance with all provisions of this article, regulations promulgated pursuant to this article, and applicable state and federal law and regulations hereunder has been obtained.

J. The Board shall promulgate regulations to implement the provisions of this section that include:

1. Criteria for when the imposition of disciplinary action or initiation of court proceedings as specified in § 32.1-27, or a combination thereof, are appropriate in order to ensure prompt correction of violations involving noncompliance with requirements of any order of the Board or Commissioner or any provision of or regulation promulgated pursuant to this article;

2. Criteria for the imposition of disciplinary action based upon the severity, pervasiveness, duration, and degree of risk to the health, safety, or welfare of children;

3. Provisions allowing the Commissioner (i) to accept a plan of correction, including a schedule of compliance, from a Center prior to assessing a monetary penalty pursuant to subdivision B 6 or (ii) to reduce or abate the monetary penalty amount if the Center complies with the plan of correction within its terms; and

4. Procedures for imposition of disciplinary action consistent with the Administrative Process Act (§ 2.2-4000 et seq.).

§ 32.1-162.15:1.21. Summary suspension; privately operated Centers.

A. Pursuant to the procedures set forth in this section and in addition to the authority for other disciplinary actions provided in this title, the Commissioner may issue a notice of summary suspension of the license of any Center in conjunction with any proceeding for revocation, denial, or other action when conditions or practices exist in the Center that pose an immediate and substantial threat to the health, safety, and welfare of the children receiving care and the Commissioner believes the operation of the Center should be suspended during the pendency of such proceeding.

B. A notice of summary suspension issued by the Commissioner to a Center shall set forth (i) the summary suspension procedures; (ii) hearing and appeal rights as provided in this section; (iii) facts and evidence that formed the basis for the summary suspension; and (iv) the time, date, and location of a hearing to determine whether the summary suspension is appropriate. Such notice shall be served on the Center or its designee as soon as practicable thereafter by personal service or certified mail, return receipt requested, to the address of record of the Center.

C. The summary suspension hearing shall be presided over by a hearing officer selected by the Commissioner from a list prepared by the Executive Secretary of the Supreme Court of Virginia and shall be held as soon as practicable, but in no event later than 15 business days following service of the notice of summary suspension; however, the hearing officer may grant a written request for a continuance, not to exceed an additional 10 business days, for good cause shown. Within 10 business days after such hearing, the hearing officer shall provide to the Commissioner written findings and conclusions, together with a recommendation as to whether the license should be summarily suspended.

D. Within 10 business days of the receipt of the hearing officer's findings, conclusions, and recommendation, the Commissioner may issue a final order of summary suspension or an order that such

summary suspension is not warranted by the facts and circumstances presented. The Commissioner shall adopt the hearing officer's recommended decision unless to do so would be an error of law or Department policy. If the Commissioner rejects the hearing officer's findings, conclusions, or recommendation, the Commissioner shall state with particularity the basis for rejection. In issuing a final order of summary suspension, the Commissioner may choose to suspend the license of the Center or to suspend only certain authority of the Center to operate, including the authority to provide certain services or perform certain functions that the Commissioner determines should be restricted or modified in order to protect the health, safety, or welfare of the children receiving care. A final order of summary suspension shall include notice that the licensee may appeal the Commissioner's decision to the appropriate circuit court no later than 10 business days following service of the order. The sole issue before the court shall be whether the Commissioner had reasonable grounds to require the licensee to cease operations during the pendency of the concurrent revocation, denial, or other proceeding. The concurrent revocation, denial, or other proceeding shall not be affected by the outcome of any hearing on the appropriateness of the summary suspension.

E. A copy of any final order of summary suspension shall be prominently displayed by the Center at each public entrance of the facility, or in lieu thereof, the Center may display a written statement summarizing the terms of the order in a prominent location, printed in a clear and legible size and typeface, and identifying the location within the facility where the final order of summary suspension may be reviewed.

F. The provisions of this subsection shall not apply to any Center operated by an agency of the Commonwealth, which shall instead be governed by the provisions of § 32.1-162.15:1.22.

§ 32.1-162.15:1.22. Summary suspension; Centers operated by an agency of the Commonwealth.

Whenever the Commissioner issues a summary order of suspension of the license to operate a Center operated by an agency of the Commonwealth:

1. Before such summary order of suspension shall take effect, the Commissioner shall issue to the Center a notice of summary order of suspension setting forth (i) the procedures for a hearing and right of review as provided in this section and (ii) the facts and evidence that formed the basis on which the summary order of suspension is sought. Such notice shall be served on the licensee or its designee as soon as practicable thereafter by personal service or certified mail, return receipt requested, to the address of record of the licensee. The notice shall state the time, date, and location of a hearing to determine whether the suspension is appropriate. Such hearing shall be held no later than three business days after the issuance of the notice of the summary order of suspension and shall be convened by the Commissioner or his designee. After such hearing, the Commissioner may issue a final order of summary suspension or may find that such summary suspension is not warranted by the facts and circumstances presented.

2. A final order of summary suspension shall include notice that the licensee may request, in writing and within three business days after receiving the Commissioner's decision, that the Commissioner refer the matter to the Secretary of Health and Human Resources for resolution within three business days of the referral. Any determination by the Secretary shall be final and not subject to judicial review. If the final order of summary suspension is upheld, it shall take effect immediately, and a copy of the final order of summary suspension shall be prominently displayed by the licensee at each public entrance of the Center. Any concurrent revocation, denial, or other proceedings shall not be affected by the outcome of any determination by the Secretary.

§ 32.1-162.15:1.23. Right to appeal notice of imposition of disciplinary action; Centers operated by agencies of the Commonwealth.

A Center operated by an agency of the Commonwealth shall have the right to appeal any notice of imposition of disciplinary action as follows:

1. Within 30 days after receiving a notice of imposition of disciplinary action, the licensee shall request in writing that the Commissioner review the intended disciplinary action and may submit, together with such request, relevant information, documentation, or other pertinent data supporting its appeal. The Commissioner shall issue a decision within 60 days after receiving the request and shall have the authority to uphold the disciplinary action or take whatever action he deems appropriate to resolve the controversy.

2. If the Center disputes the Commissioner's decision, the licensee shall request, within 30 days of receiving the Commissioner's decision, that the Commissioner refer the matter to the Secretary of Health and Human Resources. The Secretary shall issue a decision within 60 days of receiving the request for review. The Secretary's decision shall be final and shall not be subject to judicial review.

2. That the Board of Health shall promulgate regulations to implement the provisions of this act to be effective within 280 days of its enactment.

3. That the provisions of this act shall become effective on July 1, 2026.
