Bill Number: SB1283ER Patron: Ebbin

Bill Title: Corrections Private Management Act; name change; private management prohibited.

Bill Summary: The bill removes the authority of the Director of the Department of Corrections, pursuant to the Corrections Private Management Act (the Act), as well as regional jail authorities, to enter into contracts with prison contractors for the operation of facilities, including management, custody of inmates, and provision of security. Specifically, for the Department of Corrections, the bill does not affect the Director's authority pursuant to the Act, renamed by the bill as the Corrections Private Services Act, to enter into private contracts for other correctional services, including those related to food service, medical care, transportation, sanitation, information systems, education and training programs, recreational or religious activities, financing, construction, or maintenance.

The bill allows for the Department of Corrections and regional jail authorities to enter contracts for the private operation and management of facilities with the approval of the General Assembly.
