ENROLLED

Bill Number: HB1822

Patron: Reid

Bill Title: Electric utilities; construction of electrical transmission lines; advanced conductors.

Bill Summary: Requires the State Corporation Commission to consider the prudence of using advanced conductors in making any determination regarding need, corridor, route, or method of installation as it relates to certain applications for the construction of transmission lines of 138 kilovolts or more. The bill updates the definition of advanced conductors.

The bill has a delayed effective date of January 1, 2026.
