A nursing home sanctioned by the Commissioner pursuant to subsection C shall retain responsibility for the health, safety, and welfare of any person under such nursing home's care, including the timely transfer or relocation of any persons under such nursing home's care as may be deemed necessary by the Commissioner.*

*1. Prior to imposing sanctions pursuant to subsection C, the Commissioner shall first require the submission of and compliance with a plan of correction. Such plan of correction shall include mandated training for the nursing home's employees, with all costs borne by the facility, when the Commissioner concludes that the lack of training has led directly to noncompliance.*

*2. Upon expiration of the initial plan of correction, the Commissioner may extend the time period for the plan of correction or may impose sanctions pursuant to subsection C.*

*E. The Commissioner shall impose a sanction pursuant to subsection C only after the person subject to such disciplinary action is provided reasonable notice and an opportunity to be heard within no fewer than 30 days from the day of such notice by the Commissioner's presiding officer in accordance with § 2.2-4019. If the Centers for Medicare and Medicaid Services fail to issue a sanction to a nursing home in the Commonwealth for conduct described in subsection A within 60 days, the Commissioner may issue a sanction under this section if he determines that issuing such sanction is necessary to protect the public health and welfare or the health and safety of the nursing home's clients. In the event the Centers for Medicare and Medicaid Services issue a sanction on a violation for which the Commissioner has issued a sanction pursuant to this section, the sanction issued by the Commissioner shall be nullified with any civil penalty imposed refunded to the nursing home within 60 days.*

*G. If a license of any nursing home issued pursuant to Chapter 5 (§ 32.1-123 et seq.) is revoked, a new license may be issued by the Commissioner after:*
