[H 1924]

Approved April 2, 2025

Be it enacted by the General Assembly of Virginia:

1. That § 22.1-296.1 of the Code of Virginia is amended and reenacted as follows:

§ 22.1-296.1. Data on convictions for certain crimes and child abuse and neglect required; penalty.

A. As a condition of employment for all of its public school employees, whether full-time or part-time, permanent, or temporary, every school board shall require on its application for employment certification of whether the applicant has been convicted of any violent felony set forth in the definition of barrier crime in subsection A of § 19.2-392.02; any offense involving the sexual molestation, physical or sexual abuse, or rape of a child, or the solicitation of any such offense; or any crime of moral turpitude. Any individual making a materially false statement regarding any such offense is guilty of a Class 1 misdemeanor and, in the case of a teacher, upon conviction, the fact of such conviction is grounds for the Board to revoke his license to teach.

B. No school board shall employ any individual who has been convicted of ~~any violent felony set forth in the definition of barrier crime in subsection A of § 19.2-392.02 or any offense:~~

1. *Offense involving the sexual molestation of, physical or sexual abuse, or rape of a child, or the solicitation of any such offense.*

2. *Violent felony or crime of moral turpitude set forth in the definition of barrier crime in subsection A of § 19.2-392.02, provided, however, that any school board may employ such an individual if (i) such felony conviction does not involve the sexual molestation, physical or sexual abuse, or rape of a child, or the solicitation of any such offense; (ii) such an individual (a) has had his civil rights restored by the Governor; (b) has completed all terms of supervision and has been released from supervision for more than 20 years; (c) is, in the opinion of the school board, of upstanding character; and (d) has demonstrated commitment to public or community service and rehabilitation after completing all terms of supervision; and (iii) the school board certifies in writing that such an individual meets the requirements set forth in this subsection.*

C. Any school board may employ any individual who has been convicted of any felony or crime of moral turpitude that is not set forth in the definition of barrier crime in subsection A of § 19.2-392.02 and does not involve the sexual molestation, physical or sexual abuse, or rape of a child, or the solicitation of any such offense, provided that in the case of a felony conviction, such individual has had his civil rights restored by the Governor.

D. Every school board shall also require on its application for employment, as a condition of employment requiring direct contact with students, whether full-time or part-time, permanent, or temporary, certification that the applicant has not been the subject of a founded case of child abuse and neglect. Any person making a materially false statement regarding a finding of child abuse and neglect is guilty of a Class 1 misdemeanor and upon conviction, the fact of such conviction is grounds for the Board to revoke such person's license to teach.

E. As a condition of awarding a contract for the provision of services that require the contractor or his employees to have direct contact with students on school property during regular school hours or during school-sponsored activities, the school board shall require the contractor to provide certification of whether any individual who will provide such services has been convicted of any violent felony set forth in the definition of barrier crime in subsection A of § 19.2-392.02; any offense involving the sexual molestation, physical or sexual abuse, or rape of a child, or the solicitation of any such offense; or any crime of moral turpitude.

Any individual making a materially false statement regarding any such offense is guilty of a Class 1 misdemeanor and, upon conviction, the fact of such conviction is grounds for the revocation of the contract to provide such services and, when relevant, the revocation of any license required to provide such services. School boards shall not be liable for materially false statements regarding the certifications required by this subsection.

This subsection shall not apply to a contractor or his employees providing services to a school division in an emergency or exceptional situation, such as when student health or safety is endangered or when repairs are needed on an urgent basis to ensure that school facilities are safe and habitable, when it is reasonably anticipated that the contractor or his employees will have no direct contact with students.

F. No school board shall award a contract for the provision of services that require the contractor or his employees to have direct contact with students on school property during regular school hours or during

school-sponsored activities when any individual who provides such services has been convicted of any ~~violent felony set forth in the definition of barrier crime in subsection A of § 19.2-392.02 or any offense:~~

1. *Offense involving the sexual molestation, physical or sexual abuse, or rape of a child, or the solicitation of any such offense.*

2. *Violent felony or crime of moral turpitude set forth in the definition of barrier crime in subsection A of § 19.2-392.02, provided, however, that any school board may award a contract for the provision of such services if (i) such felony conviction does not involve the sexual molestation, physical or sexual abuse, or rape of a child, or the solicitation of any such offense; (ii) such an individual (a) has had his civil rights restored by the Governor; (b) has completed all terms of supervision and has been released from supervision for more than 20 years; (c) is, in the opinion of the school board, of upstanding character; and (d) has demonstrated commitment to public or community service and rehabilitation after completing all terms of supervision; and (iii) the school board certifies in writing that such an individual meets the requirements set forth in this subsection.*

G. Any school board may award a contract for the provision of services that require the contractor or his employees to have direct contact with students on school property during regular school hours or during school-sponsored activities when any individual who provides such services has been convicted of any felony or crime of moral turpitude that is not set forth in the definition of barrier crime in subsection A of § 19.2-392.02 and does not involve the sexual molestation, physical or sexual abuse, or rape of a child, or the solicitation of any such offense, provided that in the case of a felony conviction, such individual has had his civil rights restored by the Governor.
