

COMMONWEALTH of VIRGINIA

Office of the Governor

Glenn Youngkin
Governor

May 2, 2025

TO: HOUSE OF DELEGATES

HOUSE BILL NO. 1934

While I am strongly opposed to the Virginia Clean Economy Act (VCEA) and its renewable portfolio standard framework, I recognize the benefit this bill could provide to schools in lieu of the law's repeal. This bill will not result in a different outcome than the existing law related to the number of renewable energy certificates purchased, costs which will ultimately be paid for by Virginia's residents and businesses.

Sincerely,

A handwritten signature in blue ink, reading "Glenn Youngkin".
