8 Be it enacted by the General Assembly of Virginia:

9 1. That § 51.1-155 of the Code of Virginia is amended and reenacted as follows:

10 12. **§ 51.1-155. Service retirement allowance.**11 A. Retirement allowance. — A member shall receive an annual retirement allowance, payable for life, as
12 follows:13 1. Normal retirement. — The allowance shall equal 1.70 percent of his average final compensation
14 multiplied by the amount of his creditable service. Notwithstanding the foregoing, for a member who (i) is a
15 person who becomes a member on or after July 1, 2010, or (ii) does not have at least 60 months of creditable
16 service as of January 1, 2013, the allowance shall equal the sum of (a) 1.65 percent of his average final
17 compensation multiplied by the amount of his creditable service performed or purchased on or after January
18 1, 2013, and (b) 1.70 percent of his average final compensation multiplied by the amount of all other
19 creditable service.20 2. Early retirement; applicable to teachers, state employees, and certain others. — The allowance shall be
21 determined in the same manner as for normal retirement with creditable service and average final
22 compensation being determined as of the date of actual retirement. If the member has less than 30 years of
23 service at retirement, the amount of the retirement allowance shall be reduced on an actuarial equivalent basis
24 for the period by which the actual retirement date precedes the earlier of (i) his normal retirement date or (ii)
25 the first date on which he would have completed a total of 30 years of creditable service. The provisions of
26 this subdivision shall apply to teachers and state employees. These provisions shall also apply to employees
27 of any political subdivision that participates in the retirement system if the political subdivision makes the
28 election provided in subdivision 3.29 3. Early retirement; applicable to employees of certain political subdivisions, any person who becomes a
30 member on or after July 1, 2010, and any member who does not have at least 60 months of creditable service
31 as of January 1, 2013. — The allowance shall be determined in the same manner as for normal retirement
32 with creditable service and average final compensation being determined as of the date of actual retirement. If
33 the creditable service of the member equals 30 or more years but the sum of his age at retirement plus his
34 creditable service at retirement is less than 90, the amount of the retirement allowance shall be reduced on an
35 actuarial equivalent basis for the period by which the actual retirement date precedes the earlier of (i) his
36 normal retirement date or (ii) the first date on which the sum of his then attained age plus his then creditable
37 service would have been equal to 90 or more had he remained in service until such date. If the member has
38 less than 30 years of creditable service, the retirement allowance shall be reduced for the period by which the
39 actual retirement date precedes the earlier of (i) his normal retirement date or (ii) the first date on which he
40 would have completed a total of at least 30 years of creditable service and his then creditable service plus his
41 then attained age would have been equal to 90 or more.42 The provisions of this subdivision shall apply to the employees of any political subdivision that
43 participates in the retirement system and any other employees as provided by law. The participating political
44 subdivision may, however, elect to provide its employees with the early retirement allowance set forth in
45 subdivision 2. No such election shall be made for a person who becomes a member on or after July 1, 2010,
46 or a member who does not have at least 60 months of creditable service as of January 1, 2013. Any election
47 pursuant to this subdivision shall be set forth in a legally adopted resolution.48 Notwithstanding the foregoing, a political subdivision by legally adopted resolution may declare to the
49 Board that, for purposes of this subdivision, subdivisions B 1 and B 3 and subsection D of § 51.1-153, any
50 person who meets the definition of "emergency medical services personnel" in § 32.1-111.1 or is employed as
51 a firefighter or law-enforcement officer as those terms are defined in § 15.2-1512.2 (i) shall not be considered
52 a person who becomes a member on or after July 1, 2010, and (ii) shall be deemed to have at least 60 months
53 of creditable service as of January 1, 2013. Such resolution shall be irrevocable.54 4. Additional allowance. — In addition to the allowance payable under subdivisions 1, 2, and 3, a member
55 shall receive an additional allowance which shall be the actuarial equivalent, for his attained age at the time
56 of retirement, of the excess of his accumulated contributions transferred from the abolished system to the

60 transfer to the date of retirement, over the annual amounts equal to four percent of his annual creditable
61 compensation at the date of abolishment for a period equal to his period of membership in the abolished
62 system.

63 5. 50/10 retirement. — The allowance shall be payable in a monthly stream of payments equal to the
64 greater of (i) the actuarial equivalent of the benefit the member would have received had he terminated
65 service and deferred retirement to age 55 or (ii) the actuarially calculated present value of the member's
66 accumulated contributions, including accrued interest.

67 B. Beneficiary serving in position covered by this title.

79 any other members of the retirement system. Upon ceasing to serve in the General Assembly, members of the
80 General Assembly receiving a retirement allowance based on their creditable service and average final
81 compensation for service other than as a member of the General Assembly shall have their retirement

121 such employment, nor shall such person be eligible to receive any retirement benefits available to him
122 pursuant to Chapter 6.1 (§ 51.1-607 et seq.). In addition, the employer shall include the person's
