333 to vote.**

334 A. Any registered voter may cancel his registration and have his name removed from the central
335 registration records by signing an authorization for cancellation and mailing or otherwise submitting the
336 signed authorization to the general registrar. When submitted by any means other than when notarized or in
337 person, such cancellation must be made at least 22 days prior to an election in order to be valid in that

 371 made a false statement on his registration application with respect to his having been convicted of serving a
 372 period of incarceration for a felony conviction, the general registrar shall report the fact to the attorney for
 373 the Commonwealth for prosecution under § 24.2-1016 for a false statement made on his registration
 374 application.

375 E. The general registrar may cancel the registration of any person for whom a notice has been submitted

 412 improvement report documenting the delivery of health care services, along with any improvements made to
 413 those services, to the Board. The Board shall make such reports available to the public on its website. The
