3 Prefiled January 13, 2026

4 *A BILL to amend and reenact § 32.1-23.6 of the Code of Virginia, relating to Department of Health;*  
5 *collection and annual publication of food insecurity information.*

6 Patron—Maldonado

7 Committee Referral Pending

8 **Be it enacted by the General Assembly of Virginia:**9 **1. That § 32.1-23.6 of the Code of Virginia is amended and reenacted as follows:**10 **§ 32.1-23.6. Information and data related to social determinants of health; food security.**

11 A. As used in this section:

12 "Demographic data" means data and information regarding the race, ethnicity, age, and gender of  
13 residents of the Commonwealth.14 "Social determinants of health" means conditions that affect health risks and health outcomes, including  
15 health care access and quality, education access and quality, social and community context, economic  
16 stability, and neighborhood and built environment.17 B. The Department shall (i) collect and analyze information regarding demographics and the social  
18 determinants of health and their impacts on health and health risks of residents of the Commonwealth and (ii)  
19 make such information and analyses available to the public on its website. Nothing in this section shall allow  
20 for the release of personal health information or any other confidential information.21 C. *The Department shall, as part of its participation in the Behavioral Risk Factor Surveillance System,  
22 collect information pursuant to the U.S. Household Food Security Survey Module: Six-Item Short Form  
23 developed by the Economic Research Service of the U.S. Department of Agriculture and shall organize such  
24 information based on the locality of the respondent. The Department shall annually, by November 1, publish  
25 such information it collects organized by locality pursuant to this subsection publicly on its website.*
