9 **1. That § 15.2-2254 of the Code of Virginia is amended and reenacted as follows:**

10 **§ 15.2-2254. Statutory provisions effective after ordinance adopted.**

11 After the adoption of a subdivision ordinance in accordance with this chapter, the following provisions  
12 shall be effective in the territory to which the ordinance applies:

13 1. No person shall subdivide land without making and recording a plat of the subdivision and without  
14 fully complying with the provisions of this article and of the subdivision ordinance.

15 2. No plat of any subdivision shall be recorded unless and until it has been submitted to and approved by  
16 the designated agent, of the locality wherein the land to be subdivided is located; or by the designated agents,  
17 as the case may be, of each locality having a subdivision ordinance, in which any part of the land lies.

18 3. No person shall sell or transfer any land of a subdivision, before a plat has been duly approved and  
19 recorded as provided herein, unless the subdivision was lawfully created prior to the adoption of a  
20 subdivision ordinance applicable thereto. *Any subdivision created (i) 40 or more years prior to such sale or*  
21 *transfer of residential property or (ii) 60 or more years prior to such sale or transfer of commercial property*  
22 *and other nonresidential property shall be deemed to be lawful.* However, nothing herein contained shall be  
23 construed as preventing the recordation of the instrument by which such land is transferred or the passage of  
24 title as between the parties to the instrument.

25 4. Any person violating the foregoing provisions of this section shall be subject to a fine of not more than  
26 \$500 for each lot or parcel of land so subdivided, transferred or sold and shall be required to comply with all  
27 provisions of this article and the subdivision ordinance. The description of the lot or parcel by metes and  
28 bounds in the instrument of transfer or other document used in the process of selling or transferring shall not  
29 exempt the transaction from the penalties or remedies herein provided.

30 5. No clerk of any court shall file or record a plat of a subdivision required by this article to be recorded  
31 until the plat has been approved as required herein. The penalties provided by § 17.1-223 shall apply to any  
32 failure to comply with the provisions of this subsection.
