14 blocking access to and preventing use of curb ramps, fire hydrants, and mailboxes on public or private  
15 property. Such ordinances may also include the installation and maintenance of parking meters. The  
16 ordinance may require the deposit of a coin of a prescribed denomination, determine the length of time a  
17 vehicle may be parked, and designate a department, official, or employee of the local government to  
18 administer the provisions of the ordinance. The ordinance may delegate to that department, official, or  
19 employee the authority to make and enforce any additional regulations concerning parking that may be

32 spaces designated, marked, and sized for four-wheel vehicles.33 If any ordinance regulates parking on an interstate highway or any arterial highway or any extension of an  
34 arterial highway, it shall be subject to the approval of the Commissioner of Highways.35 In any prosecution charging a violation of the ordinance or regulation, proof that the vehicle described in  
36 the complaint, summons, parking ticket citation, or warrant was parked in violation of the ordinance or  
37 regulation, together with proof that the defendant was at the time the registered owner of the vehicle, as  
38 required by Chapter 6 (§ 46.2-600 et seq.), shall constitute in evidence a *prima facie* presumption that the  
39 registered owner of the vehicle was the person who committed the violation. Violators of local ordinances  
40 adopted by Chesterfield County or James City County pursuant to this section shall be subject to a civil  
41 penalty not to exceed \$75, the proceeds from which shall be paid into the locality's general fund.
