1 **HOUSE BILL NO. 828**

2 Offered January 14, 2026

3 Prefiled January 13, 2026

4 *A BILL to amend the Code of Virginia by adding a section numbered 56-249.01, relating to electric utilities;*
5 *disconnection reports; State Corporation Commission database; annual summary.*

6 Patron—Herring

7 Committee Referral Pending

8 **Be it enacted by the General Assembly of Virginia:**9 **1. That the Code of Virginia is amended by adding a section numbered 56-249.01 as follows:**10 **§ 56-249.01. Disconnection reports by electric utilities; Commission database; annual summary.**11 A. As used in this section, "electric utility" means an investor-owned electric utility or electric cooperative
12 formed under Article 1 of Chapter 9.1 (§ 56-231.15 et seq.).13 B. Each electric utility operating in the Commonwealth shall provide a monthly report on residential
14 customer disconnections to the Commission. Such report shall include the following information with totals
15 based on the last day of the month:

16 1. The total number of residential customers served by the electric utility;

17 2. The total number of residential customers involuntarily disconnected due to nonpayment;

18 3. The number of residential customers involuntarily disconnected due to nonpayment within each 5-digit
19 ZIP code, unless the utility is exempted by the Commission from providing such information in the report to
20 protect customer privacy;21 4. The number of residential customers involuntarily disconnected due to nonpayment that were
22 reconnected to service (i) within less than 24 hours, (ii) in 24 hours or more but less than 48 hours, (iii) in 48
23 hours or more but less than 72 hours, or (iv) in 72 hours or more from the time of disconnection;24 5. The average and total amounts of arrearages owed by residential customers involuntarily disconnected
25 due to nonpayment;26 6. The number of residential customers involuntarily disconnected due to nonpayment that have arrearage
27 amounts of (i) less than \$100, (ii) \$100 or more but less than \$500, (iii) \$500 or more but less than \$1000,
28 and (iv) \$1,000 or more;29 7. The number of residential customers involuntarily disconnected due to nonpayment that participate in a
30 payment assistance program, including utility-funded programs, the Low-Income Home Energy Assistance
31 Program, or the Percentage of Income Payment Program;32 8. The number of residential customers involuntarily disconnected due to nonpayment that have a serious
33 medical condition certification form on file with the electric utility;

34 9. The total number of residential customers that have arrearage amounts but are not disconnected; and

35 10. The average and total amounts of arrearages owed by residential customers that have arrearage
36 amounts but are not disconnected.37 C. The monthly report required to be submitted by an electric utility under subsection B shall be filed with
38 the Commission within 60 days following the close of the reference month.39 D. The Commission shall publish the information pursuant to subsection B in a comprehensive and easily
40 accessible online database with the information displayed separately for each electric utility.41 E. The Commission may promulgate new regulations or updates to existing regulations related to the
42 monthly report required to be submitted by an electric utility under subsection B, including by prescribing the
43 form and manner of submission and any processes needed to facilitate uniform monthly reporting of the
44 information outlined in subsection B.45 F. No later than September 1, 2026, and annually thereafter, the Commission shall submit an executive
46 summary to the Commission on Electric Utility Regulation and the Governor on trends in electric utility
47 disconnections based on information from reports submitted pursuant to this section. The executive summary
48 shall include the following information:49 1. Any seasonal, annual, or long-term changes in the number of residential customers involuntarily
50 disconnected from service due to nonpayment;

51 2. Any notable differences between electric utilities and their disconnection rates;

52 3. The geographic locations of residential customers involuntarily disconnected from service due to
53 nonpayment;54 4. The average length of time between disconnection and reconnection for residential customers
55 involuntarily disconnected from service due to nonpayment;

56 5. The average and total amounts of arrearages owed by residential customers involuntarily disconnected

INTRODUCED

HB828

59 *from service due to nonpayment;*
60 6. *The average and total amounts of arrearages owed by residential customers that are not disconnected*
61 *from service;*
62 7. *The number of residential customers involuntarily disconnected from service due to nonpayment that*
63 *are participating in payment assistance programs, as known to the utility;*
64 8. *The number of residential customers involuntarily disconnected from service due to nonpayment that*
65 *have a serious medical condition certification form on file with the electric utility; and*
66 9. *Any other information that the Commission deems relevant to assessing electric utility disconnections*
67 *for residential customers in the Commonwealth.*
