1. § 1. *That the Department of Social Services, the Department of Agriculture and Consumer Services, the Department of Health, the Department for Aging and Rehabilitative Services, and any other relevant state agencies shall convene a stakeholder work group to develop a statewide survey on food insecurity and hunger. In designing the survey, the work group shall coordinate, where possible, with statewide and national anti-hunger groups to consider appropriate survey questions to replace data lost from the discontinuation of the United States Department of Agriculture Household Food Security Report. Additionally, the work group shall prioritize efforts to align survey questions with states of similar population and diversity to the Commonwealth in order to establish comparative benchmarks. The work group shall report its findings to the Governor and the General Assembly by December 1, 2026.*
