59 defendant was at the time of such violation the owner, lessee, or renter of the vehicle, shall constitute in  
60 evidence a rebuttable presumption that such owner, lessee, or renter of the vehicle was the person who  
61 committed the violation. Such presumption shall be rebutted if the owner, lessee, or renter of the vehicle (i)  
62 files an affidavit by regular mail with the clerk of the general district court that he was not the operator of the  
63 vehicle at the time of the alleged violation and provides the name and address of the person who was  
64 operating the vehicle at the time of the alleged violation or (ii) testifies in open court under oath that he was  
65 not the operator of the vehicle at the time of the alleged violation and provides the name and address of the  
66 person who was operating the vehicle at the time of the alleged violation. Such presumption shall also be  
67 rebutted if a certified copy of a police report showing that the vehicle had been reported to the police as  
68 stolen prior to the time of the alleged violation of a parking ordinance adopted by such locality is presented,  
69 prior to the return date established on the summons issued pursuant to this section, to the court adjudicating  
70 the alleged violation.

71 E. No information obtained through the use of authorized equipment as permitted by this section shall be  
72 subject to disclosure under the Virginia Freedom of Information Act (§ 2.2-3700 et seq.).

73 F. Prior to or upon the implementation of the use of authorized equipment for the enforcement of  
74 violations of parking ordinances, the authorized county shall conduct a public awareness campaign  
75 regarding the implementation of the use of such authorized equipment.

76 G. If information collected by authorized equipment pursuant to this section shows that a vehicle is  
77 owned, leased, or rented by the authorized county, such authorized county may use such information for  
78 employee disciplinary purposes. An authorized county using authorized equipment pursuant to this section  
79 may enter into an agreement with another locality for the provision of information collected by such  
80 authorized equipment related to any vehicle owned, leased, or rented by such other locality, whereby such  
81 other locality may access and use such information for employee disciplinary purposes.

82 H. Any authorized county may contract with and compensate a private vendor to perform activities  
83 related to the use of authorized equipment for the enforcement of violations of parking ordinances pursuant  
84 to this section on behalf of the authorized county and any associated activities, including consulting,  
85 operations, and administration. Any such agreement shall require such private vendor to comply with the  
86 requirements of this section. Any such agreement for compensation shall be based on the value of the goods  
87 and services provided and not on the number of violations paid or monetary penalties imposed. Any such  
88 private vendor contracting with an authorized county pursuant to this subsection may assess fees to  
89 compensate for activities authorized by this section. However, the mere assessment of such fees shall not  
90 render invalid or in violation of this section a contract entered into pursuant to this subsection based on the  
91 number of violations paid or monetary penalties imposed. Any private vendor contracting with an authorized  
92 county pursuant to this subsection may enter into an agreement with the Department of Motor Vehicles, in  
93 accordance with the provisions of subdivision B 35 of § 46.2-208, to obtain vehicle owner information  
94 regarding the registered owners of vehicles who committed a violation of a parking ordinance adopted by  
95 such authorized county. Any such information provided to such private vendor shall be protected in a  
96 database.

105 B. The Commissioner shall release such information only under the following conditions:

106 1. Notwithstanding other provisions of this section, medical information included in personal information  
107 shall be released only to a physician, a physician assistant, or an advanced practice registered nurse in  
108 accordance with a proceeding under §§ 46.2-321 and 46.2-322.

109 2. 3. [Repealed.]

110 4. Upon the request of (i) the subject of the information, (ii) the parent of a minor who is the subject of the  
111 information, (iii) the guardian of the subject of the information, (iv) the authorized agent or representative of  
112 the subject of the information, or (v) the owner of the vehicle that is the subject of the information, the  
113 Commissioner shall provide him with the requested information and a complete explanation of it. Requests  
114 for such information need not be made in writing or in person and may be made orally or by telephone,  
115 provided that the Department is satisfied that there is adequate verification of the requester's identity. When  
116 so requested in writing by (a) the subject of the information, (b) the parent of a minor who is the subject of  
117 the information, (c) the guardian of the subject of the information, (d) the authorized agent or representative  
118 of the subject of the information, or (e) the owner of the vehicle that is the subject of the information, the  
119 Commissioner shall verify and, if necessary, correct the personal information provided and furnish driver,  
120 special identification card, or vehicle information. If the requester is requesting such information in the scope

121 of his official business as counsel from a public defender's office or as counsel appointed by a court, such  
 122 records shall be provided free of charge.

123 5. Upon the written request of any insurance carrier or surety, or authorized agent of either, the  
 124 Commissioner shall furnish to such requester information in the record of any person subject to the  
 125 provisions of this title. The transcript shall include any record of any conviction of a violation of any  
 126 provision of any statute or ordinance relating to the operation or ownership of a motor vehicle or of any  
 127 injury or damage in which he was involved and a report filed pursuant to § 46.2-373. No such report of any  
 128 conviction or crash shall be made after 60 months from the date of the conviction or crash unless the  
 129 Commissioner or court used the conviction or crash as a reason for the suspension or revocation of a driver's  
 130 license or driving privilege, in which case the revocation or suspension and any conviction or crash pertaining  
 131 thereto shall not be reported after 60 months from the date that the driver's license or driving privilege has  
 132 been reinstated. The response of the Commissioner under this subdivision shall not be admissible in evidence  
 133 in any court proceedings.

134 6. Upon the written request of any business organization or its authorized agent, in the conduct of its  
 135 business, the Commissioner shall compare personal information supplied by the requester with that contained  
 136 in the Department's records and, when the information supplied by the requester is different from that  
 137 contained in the Department's records, provide the requester with correct information as contained in the  
 138 Department's records. Personal information provided under this subdivision shall be used solely for the  
 139 purpose of pursuing remedies that require locating an individual.

140 7. Upon the written request of any business organization or its authorized agent, the Commissioner shall  
 141 provide vehicle information to the requester. Disclosures made under this subdivision shall not include any  
 142 personal information, driver information, or special identification card information and shall not be subject to  
 143 the limitations contained in subdivision 6.

144 8. Upon the written request of any motor vehicle rental or leasing company or its authorized agent, the  
 145 Commissioner shall (i) compare personal information supplied by the requester with that contained in the  
 146 Department's records and, when the information supplied by the requester is different from that contained in  
 147 the Department's records, provide the requester with correct information as contained in the Department's  
 148 records and (ii) provide the requester with driver information of any person subject to the provisions of this  
 149 title. Such information shall include any record of any conviction of a violation of any provision of any  
 150 statute or ordinance relating to the operation or ownership of a motor vehicle or of any injury or damage in  
 151 which the subject of the information was involved and a report of which was filed pursuant to § 46.2-373. No  
 152 such information shall include any record of any conviction or crash more than 60 months after the date of  
 153 such conviction or crash unless the Commissioner or court used the conviction or crash as a reason for the  
 154 suspension or revocation of a driver's license or driving privilege, in which case the revocation or suspension  
 155 and any conviction or crash pertaining thereto shall cease to be included in such information after 60 months  
 156 from the date on which the driver's license or driving privilege was reinstated. The response of the  
 157 Commissioner under this subdivision shall not be admissible in evidence in any court proceedings.

158 9. Upon the request of any federal, state, or local governmental entity, local government group self-  
 159 insurance pool, law-enforcement officer, attorney for the Commonwealth, or court, or the authorized agent of  
 160 any of the foregoing, the Commissioner shall compare personal information supplied by the requester with  
 161 that contained in the Department's records and, when the information supplied by the requester is different  
 162 from that contained in the Department's records, provide the requester with correct information as contained  
 163 in the Department's records. The Commissioner shall also provide driver, special identification card, and  
 164 vehicle information as requested pursuant to this subdivision. The Commissioner may release other  
 165 appropriate information to the governmental entity upon request. Upon request in accordance with this  
 166 subdivision, the Commissioner shall furnish a certificate, under seal of the Department, setting forth a  
 167 distinguishing number or license plate of a motor vehicle, trailer, or semitrailer, together with the name and  
 168 address of its owner. The certificate shall be *prima facie* evidence in any court in the Commonwealth of the  
 169 ownership of the vehicle, trailer, or semitrailer to which the distinguishing number or license plate has been  
 170 assigned by the Department. However, the Commissioner shall not release any photographs pursuant to this  
 171 subdivision unless the requester provides the depicted individual's name and other sufficient identifying  
 172 information contained on such individual's record. The information in this subdivision shall be provided free  
 173 of charge.

174 The Department shall release to a requester information that is required for a requester to carry out the  
 175 requester's official functions in accordance with this subdivision. If the requester has entered into an  
 176 agreement with the Department, such agreement shall be in a manner prescribed by the Department, and such  
 177 agreement shall contain the legal authority that authorizes the performance of the requester's official  
 178 functions and a description of how such information will be used to carry out such official functions. If the  
 179 Commissioner determines that sufficient authority has not been provided by the requester to show that the  
 180 purpose for which the information shall be used is one of the requester's official functions, the Commissioner  
 181 shall refuse to enter into any agreement. If the requester submits a request for information in accordance with  
 182 this subdivision without an existing agreement to receive the information, the request shall be in a manner

183 prescribed by the Department, and such request shall contain the legal authority that authorizes the  
184 performance of the requester's official functions and a description of how such information will be used to  
185 carry out such official functions. If the Commissioner determines that sufficient authority has not been  
186 provided by the requester to show that the purpose for which such information shall be used is one of the  
187 requester's official functions, the Commissioner shall deny such request.

188 Notwithstanding the provisions of this subdivision, the Department shall not disseminate to any federal,  
189 state, or local government entity, law-enforcement officer, or law-enforcement agency any privileged  
190 information for any purposes related to civil immigration enforcement unless (i) the subject of the  
191 information provides consent or (ii) the requesting agency presents a lawful judicial order, judicial subpoena,  
192 or judicial warrant. When responding to a lawful judicial order, judicial subpoena, or judicial warrant, the  
193 Department shall disclose only those records or information specifically requested. Within three business  
194 days of receiving a request for information for the purpose of civil immigration enforcement, the  
195 Commissioner shall send a notification to the individual about whom such information was requested that  
196 such a request was made and the identity of the entity that made such request.

197 The Department shall not enter into any agreement pursuant to subsection E with a requester pursuant to  
198 this subdivision unless the requester certifies that the information obtained will not be used for civil  
199 immigration purposes or knowingly disseminated to any third party for any purpose related to civil  
200 immigration enforcement.

201 10. Upon the request of the driver licensing authority in any foreign country, the Commissioner shall  
202 provide whatever driver and vehicle information the requesting authority shall require to carry out its official  
203 functions. The information shall be provided free of charge.

204 11. a. For the purpose of obtaining information regarding noncommercial driver's license holders, upon  
205 the written request of any employer, prospective employer, or authorized agent of either, and with the written
