8 **Be it enacted by the General Assembly of Virginia:**9 **1. That § 10.1-2211.2 of the Code of Virginia is amended and reenacted as follows:**10 **§ 10.1-2211.2. Disbursement of funds appropriated for caring for historical African American**  
11 **cemeteries and graves.**

12 A. For purposes of this section:

13 "Fund" means the Historical African American Cemeteries and Graves Fund created pursuant to  
14 § 10.1-2211.3.15 "Historical African American cemetery" means a cemetery that was established prior to January 1, 1948,  
16 for interments of African Americans.17 "Qualified organization" means a charitable corporation, charitable association, or charitable trust that has  
18 been granted tax-exempt status under § 501(c)(3) of the Internal Revenue Code and whose primary purpose is  
19 the preservation of historical cemeteries and graves, any person or locality that owns a historical African  
20 American cemetery, *any authority created pursuant to the Park Authorities Act (§ 15.2-5700 et seq.)*, or any  
21 locality whose purpose for applying for funding pursuant to this section is to maintain a neglected historical  
22 African American cemetery, or a portion thereof, that is located within its jurisdictional bounds.23 B. At the direction of the Director, the Comptroller of the Commonwealth shall draw an annual warrant  
24 upon the State Treasurer from any sum that may be provided to the Department in the general appropriation  
25 act for the purpose of maintaining qualifying cemeteries and graves pursuant to this section. Any  
26 representative of a qualified organization desiring to receive funding from such appropriation for the  
27 maintenance of qualifying cemeteries and graves pursuant to this section shall submit an application to the  
28 Department on or before May 30 each year. Such appropriations shall be allocated on the bases of both (i) the  
29 number of graves, monuments, and markers in a cemetery of African Americans who were alive prior to  
30 January 1, 1900, regardless of the date of interment, and (ii) the number of graves, monuments, and markers  
31 in a cemetery of African Americans who were born on or after January 1, 1900, and interred in such cemetery  
32 prior to January 1, 1948, the dates to be determined by reference to grave markers or, at the discretion of the  
33 Director, other historical records. Such number of graves, monuments, and markers, as documented by the  
34 qualified organization, shall be multiplied by the rate of \$5 or the average actual cost of routine maintenance  
35 of a grave, monument, or marker, whichever is greater, to determine the amount of the allocation. The  
36 Department shall determine the average actual cost of routine maintenance of a grave, monument, or marker  
37 in a biennial survey of at least four properly maintained cemeteries, each located in a different geographical  
38 region of the Commonwealth. The Director shall deposit any appropriated funds that are not disbursed during  
39 the same fiscal year into the Fund.

C. In addition to any sum provided to a qualified organization as set forth in subsection B, the Director may disburse funds to any qualified organization to fund maintenance and care of additional historical African American graves in the Commonwealth that have been certified by the Department and documented in the Department's cultural resources database. Funds disbursed under this subsection shall be disbursed at the rate set forth in subsection B.

D. A qualified organization receiving funds shall expend the funds for the routine maintenance of its historical African American cemetery, associated graves, and graves certified by the Department and documented in the Department's cultural resources database and the erection of and caring for markers, memorials, and monuments to the memory of such African Americans.

E. Each qualified organization, through its proper officer, shall after July 1 of each year submit to the Director a certified statement that the funds appropriated to the organization during the preceding fiscal year were or will be expended for the purposes set forth in subsection D. No organization that fails to comply with any of the requirements of this section shall receive moneys allocated under this section for any subsequent fiscal year until the organization fully complies with the requirements.

F. In addition to funds that may be provided pursuant to subsection B or C, any organization that receives funds pursuant to subsection B or C may apply to the Director for a grant to perform extraordinary maintenance, renovation, repair, or reconstruction of any of its historical African American cemeteries and graves. However, a locality that is eligible for funding pursuant to subsection B or C may apply to the Director for such a grant without having received funding pursuant to subsection B or C. A locality's application for the grant shall not preclude another qualified organization from applying for funding pursuant to subsection B or C for the same cemetery or grave. A grant made pursuant to this subsection shall be made from any appropriation made available by the General Assembly for such purpose or from the Fund.

G. Any locality may receive and hold funds drawn pursuant to subsection B or C on behalf of any qualified organization until such time as the organization is able to receive or utilize such funds. No local

**124** matching funds shall be required for any grants made pursuant to this section.

**125** H. The owner of a historical African American cemetery shall reasonably cooperate with a qualified  
**126** organization that receives funds pursuant to subsection B or C.
