

**Department of Planning and Budget  
2026 General Assembly Session  
State Fiscal Impact Statement**

---

**PUBLISHED: 1/16/2026 1:54 PM**

**ORIGINAL**

**Bill Number:** HB573                    **Patron:** Glass  
**Bill Title:** Board of Medicine; breast implant patient decision checklist.

**Bill Summary:** Directs the Board of Medicine to develop a patient decision checklist for breast implant procedures, including information on the potential risks that are associated with such breast implant procedures and alternatives to such procedures.

**Budget Amendment Necessary:** No                    **Items Impacted:** n/a

**Fiscal Summary:** Minimal/absorbable fiscal impact.

**Fiscal Analysis:** This legislation requires the Board of Medicine to develop a patient checklist including specific information for individuals considering breast implants. The Department of Health Professions reports that any time, workload, or fiscal impacts associated with developing such a checklist are minimal and absorbable within existing resources.

**Other:** n/a
