 309 of the foregoing provisions shall be determined based on all of the relevant facts and circumstances,
 310 including, but not limited to, the issuance of a favorable determination letter by the United States Internal

 316 retirement plan as a participant, beneficiary, contingent annuitant, alternate payee, or otherwise.

317 C. The exemption provided under subsection B shall not apply to claims made against an individual by the
 318 alternate payee of such individual or to claims made against such individual by the Commonwealth in

 322 subsection B of an interest under the same retirement plan or plans and such individuals are jointly subject to
 323 creditor process as to the same debt or obligation and the debt or obligation arose during the marriage, then
 324 the exemption provided under subsection B as to such debts or obligations shall not exceed, in the aggregate,
 325 the exemption permitted under federal bankruptcy law for such a plan. The exemption permitted under
 326 federal bankruptcy law shall be allocated among such persons in the same proportion as their respective
 327 interests in the retirement plan or plans.

330 **§ 40.1-28.7:7. Misclassification of workers.**

331 A. An individual who has not been properly classified as an employee may bring a civil action for
 332 damages against his employer for failing to properly classify the employee if the employer had knowledge of
 333 the individual's misclassification. An individual's representative may bring the action on behalf of the
 334 individual. If the court finds that the employer has not properly classified the individual as an employee, the
 335 court may award the individual damages in the amount of any wages, salary, employment benefits, including
 336 expenses incurred by the employee that would otherwise have been covered by insurance, or other
 337 compensation lost to the individual, a reasonable attorney fee, and the costs incurred by the individual in
 338 bringing the action.

339 B. In a proceeding under subsection A, an individual who performs services for a person for remuneration
 340 shall be presumed to be an employee of the person that paid such remuneration, and the person that paid such
 341 remuneration shall be presumed to be the employer of the individual who was paid for performing the

344 C. As used in this section, "Internal Revenue Service guidelines" means the most recent version of the
 345 guidelines published by the Internal Revenue Service for evaluating independent contractor status, including
 346 its interpretation of common law doctrine on independent contractors, and any regulations that the Internal
 347 Revenue Service may promulgate regarding determining whether an employee is an independent contractor,
 348 including 26 C.F.R. § 31.3121(d)-1.

349 D. In a proceeding under subsection A, a hiring party providing an individual with personal protective
 350 equipment in response to a disaster caused by a communicable disease of public health threat for which a
 351 state of emergency has been declared pursuant to § 44-146.17 shall not be considered in any determination
 352 regarding whether such individual is an employee or independent contractor. For the purposes of this
 353 subsection, the terms "communicable disease of public health threat," "disaster," and "state of emergency"
 354 have the same meaning as provided in § 44-146.16.

355 E. In a proceeding under subsection A, contributions by a hiring party to an individual's *ImABLE* account
 356 established pursuant to Chapter 7.1 (§ 23.1-714 *et seq.*) of Title 23.1 shall not be considered in any
 357 determination regarding whether such individual is an employee or independent contractor, regardless of the
 358 amount, frequency, or regularity of such contributions and whether such contributions are made pursuant to
 359 a written agreement, policy, or informal arrangement.

360 **§ 40.1-28.7:12. *ImABLE* account contributions; effect on employment classification; liberal**
 361 **construction.**

362 A. No agency, department, board, commission, or political subdivision of the Commonwealth shall use the
 363 existence of, amount of, or frequency of contributions by any hiring party to an *ImABLE* account established
 364 pursuant to Chapter 7.1 (§ 23.1-714 *et seq.*) of Title 23.1 as a factor in determining whether an individual is
 365 an employee or an independent contractor.

366 B. This section applies to all determinations of employment classification for any purpose under Virginia
 367 law, including (i) unemployment compensation under Title 60.2, (ii) workers' compensation under Title 65.2,
 368 (iii) minimum wage requirements under § 40.1-28.10, (iv) tax withholding obligations, and (v) any other

369 *employment-related benefits or obligations.*

370 *C. Nothing in this section shall (i) alter the underlying tests for determining employment classification*
 371 *under Virginia law, (ii) prevent enforcement of proper worker classification based on other factors, or (iii)*
 372 *create a presumption of independent contractor status solely based on the existence of ImABLE account*
 373 *contributions.*

374 *D. This section shall be liberally construed to effectuate its remedial purpose of ensuring that the*
 375 *existence and use of an ImABLE account, as established pursuant to Chapter 7.1 (§ 23.1-714 et seq.) of Title*
 376 *23.1, does not impede worker flexibility or create unintended employment relationships.*

436 year in which the subtraction is taken.

437 15. Fifteen thousand dollars of military basic pay for military service personnel on extended active duty
438 for periods in excess of 90 days; however, the subtraction amount shall be reduced dollar-for-dollar by the
439 amount by which the taxpayer's military basic pay exceeds \$15,000 and shall be reduced to zero if such
440 military basic pay amount is equal to or exceeds \$30,000.

441 16. The first \$15,000 of salary for each federal and state employee whose total annual salary from all

460 subdivisions b and c if a credit, exemption, subtraction, or deduction is claimed for the same income pursuant
461 to subdivision a or any other provision of Virginia or federal law.

462 19. Items of income attributable to, derived from, or in any way related to (i) assets stolen from, hidden
463 from, or otherwise lost by an individual who was a victim or target of Nazi persecution or (ii) damages,

466 and direct aftermath. This subtraction shall not apply to assets acquired with such items of income or with the
467 proceeds from the sale of assets stolen from, hidden from, or otherwise lost to, during World War II and its
468 prelude and direct aftermath, a victim or target of Nazi persecution. The provisions of this subdivision shall
469 only apply to an individual who was the first recipient of such items of income and who was a victim or

471 As used in this subdivision:

472 "Nazi regime" means the country of Nazi Germany, areas occupied by Nazi Germany, those European

483 military personnel killed in the line of duty, pursuant to 10 U.S.C. Chapter 75; however, the subtraction

485 income in accordance with § 134 of the Internal Revenue Code.

486 21. The death benefit payments from an annuity contract that are received by a beneficiary of such
487 contract, provided that (i) the death benefit payment is made pursuant to an annuity contract with an

498 from an airport or spaceport in Virginia.

499 24. Any income taxed as a long-term capital gain for federal income tax purposes, or any income taxed as
500 investment services partnership interest income (otherwise known as investment partnership carried interest

502 shall be attributable to an investment in a "qualified business," as defined in § 58.1-339.4, or in any other
503 technology business approved by the Secretary of Administration, provided that the business has its principal
504 office or facility in the Commonwealth and less than \$3 million in annual revenues in the fiscal year prior to
505 the investment. To qualify for a subtraction under this subdivision, the investment shall be made between the
506 dates of April 1, 2010, and June 30, 2020. No taxpayer who has claimed a tax credit for an investment in a

512 income or other income for federal income tax purposes attributable to such person's first-time home buyer
513 savings account.

514 Notwithstanding the statute of limitations on assessments contained in § 58.1-312, any subtraction taken
515 under this subdivision shall be subject to recapture in the taxable year or years in which moneys or funds
516 withdrawn from the first-time home buyer savings account were used for any purpose other than the payment
517 of eligible costs by or on behalf of a qualified beneficiary, as provided under § 36-174. The amount subject to
518 recapture shall be a portion of the amount withdrawn in the taxable year that was used for other than the
519 payment of eligible costs, computed by multiplying the amount withdrawn and used for other than the
520 payment of eligible costs by the ratio of the aggregate earnings in the account at the time of the withdrawal to
521 the total balance in the account at such time.

522 However, recapture shall not apply to the extent of moneys or funds withdrawn that were (i) withdrawn by
523 reason of the qualified beneficiary's death or disability; (ii) a disbursement of assets of the account pursuant
524 to a filing for protection under the United States Bankruptcy Code, 11 U.S.C. §§ 101 through 1330; or (iii)
525 transferred from an account established pursuant to Chapter 12 (§ 36-171 et seq.) of Title 36 into another

535 before December 31, 2023. No subtraction shall be allowed under this subdivision for an investment in a
536 company that is owned or operated by a family member or an affiliate of the taxpayer. No subtraction shall
537 be allowed under this subdivision for a taxpayer who has claimed a subtraction under subdivision 24 or a tax
538 credit under § 58.1-339.4 for the same investment.

539 b. As used in this subdivision 27:

540 "Qualified portfolio company" means a company that (i) has its principal place of business in the
541 Commonwealth; (ii) has a primary purpose of production, sale, research, or development of a product or
542 service other than the management or investment of capital; and (iii) provides equity in the company to the

550 of professional experience in venture capital investment or substantially equivalent experience. "Substantially
551 equivalent experience" includes, but is not limited to, an undergraduate degree from an accredited college or
552 university in economics, finance, or a similar field of study. The Department may require an investment fund
553 to provide documentation of the investor's training, education, or experience as deemed necessary by the

554 Department to determine substantial equivalency. If the Department determines that the investment fund
555 employs at least one investor with the experience set forth herein, the Department shall certify the investment
556 fund as a Virginia venture capital account at such time as the investment fund actually invests at least 50
557 percent of the capital committed to its fund in qualified portfolio companies.

558 28. a. Income attributable to an investment in a Virginia real estate investment trust. To qualify for a
559 subtraction under this subdivision, the investment shall be made on or after January 1, 2019, but before

572 December 31, 2024, indicating that it intends to invest at least 90 percent of trust funds in Virginia and at
573 least 40 percent of trust funds in real estate in localities that are distressed or double distressed. If the
574 Department determines that the trust satisfies the preceding criteria, the Department shall certify the trust as a
575 Virginia real estate investment trust at such time as the trust actually invests at least 90 percent of trust funds
576 in Virginia and at least 40 percent of trust funds in real estate in localities that are distressed or double
577 distressed.

588 *seq.) of Title 23.1, including any earnings, appreciation, or other gains realized within such account. This*
589 *subtraction shall apply to all qualified distributions as described in § 23.1-718 from such account regardless*
590 *of the purpose for which such distribution is made or the length of time the funds were held in such account.*

591 **§ 58.1-322.03. Virginia taxable income; deductions.**

592 In computing Virginia taxable income pursuant to § 58.1-322, there shall be deducted from Virginia
593 adjusted gross income as defined in § 58.1-321:

594 1. a. The amount allowable for itemized deductions for federal income tax purposes where the taxpayer
595 has elected for the taxable year to itemize deductions on his federal return, but reduced by the amount of
596 income taxes imposed by the Commonwealth or any other taxing jurisdiction and deducted on such federal
597 return and increased by an amount that, when added to the amount deducted under § 170 of the Internal
598 Revenue Code for mileage, results in a mileage deduction at the state level for such purposes at a rate of 18
599 cents per mile; or

600 b. Provided that the taxpayer has not itemized deductions for the taxable year on his federal income tax
601 return: (i) for taxable years beginning before January 1, 2019, and on and after January 1, 2027, \$3,000 for

606 1, 2022, but before January 1, 2024, \$8,000 for single individuals and \$16,000 for married persons (one-half
607 of such amounts in the case of a married individual filing a separate return); (iv) for taxable years beginning
608 on and after January 1, 2024, but before January 1, 2025, \$8,500 for single individuals and \$17,000 for

613 another taxpayer's return for the taxable year may compute the deduction only with respect to earned income.

614 2. a. A deduction in the amount of \$930 for each personal exemption allowable to the taxpayer for federal
615 income tax purposes.

616 b. Each blind or aged taxpayer as defined under § 63(f) of the Internal Revenue Code shall be entitled to
617 an additional personal exemption in the amount of \$800.

618 The additional deduction for blind or aged taxpayers allowed under this subdivision shall be allowable
619 regardless of whether the taxpayer itemizes deductions for the taxable year for federal income tax purposes.

620 3. A deduction equal to the amount of employment-related expenses upon which the federal credit is
621 based under § 21 of the Internal Revenue Code for expenses for household and dependent care services
622 necessary for gainful employment.

623 4. An additional \$1,000 deduction for each child residing for the entire taxable year in a home under
624 permanent foster care placement as defined in § 63.2-908, provided that the taxpayer can also claim the child
625 as a personal exemption under § 151 of the Internal Revenue Code.

626 5. a. A deduction in the amount of \$12,000 for individuals born on or before January 1, 1939.

627 b. A deduction in the amount of \$12,000 for individuals born after January 1, 1939, who have attained the
628 age of 65. This deduction shall be reduced by \$1 for every \$1 that the taxpayer's adjusted federal adjusted
629 gross income exceeds \$50,000 for single taxpayers or \$75,000 for married taxpayers. For married taxpayers
630 filing separately, the deduction shall be reduced by \$1 for every \$1 that the total combined adjusted federal

641 subdivision b, the amount deducted on any individual income tax return in any taxable year shall be limited to
642 \$4,000 per prepaid tuition contract or college savings trust account. No deduction shall be allowed pursuant
643 to this subdivision 7 if such payments or contributions are deducted on the purchaser's or contributor's federal
