

Fiscal Impact Statement for Proposed Legislation

Virginia State Corporation Commission

Published: January 19, 2026

House Bill 369

Version: Introduced

Patron: Reid

Title: Electric utilities; renewable portfolio standard program; zero-carbon electricity; accelerated renewable energy buyers.

Summary: Amends the definition of zero-carbon electricity for purposes of the renewable energy portfolio standard to include electricity generated by fusion and nuclear energy and adds zero-carbon electricity to certain provisions relate to accelerated renewable energy buyers. The bill also directs Dominion Energy to file a petition with the State Corporation Commission proposing standard terms and conditions under which an eligible customer may be certified as an advanced clean energy buyer, as defined in current law, by December 31, 2026.

Effective Date(s): July 1, 2026

Amendment Necessary: ☐ Budget, Item ###
☐ Technical, see *Technical Note* below
☒ None

Fiscal Summary

The State Corporation Commission does not anticipate a fiscal impact.
