SENATE BILL NO. 171
AMENDMENT IN THE NATURE OF A SUBSTITUTE
(Proposed by the Senate Committee on Education and Health
on January 22, 2026)
(Patron Prior to Substitute—Senator Favola)

A BILL to amend and reenact §§ 16.1-346.1, 32.1-127.1:03, and 37.2-505 of the Code of Virginia, relating to discharge plans for minors admitted to inpatient treatment; copies provided to public elementary and secondary schools; notification to parents; health records privacy exemption.

Be it enacted by the General Assembly of Virginia:

1. That §§ 16.1-346.1, 32.1-127.1:03, and 37.2-505 of the Code of Virginia are amended and reenacted as follows:

§ 16.1-346.1. Discharge plan.

A. Prior to discharge of any minor admitted to inpatient treatment, including a minor in detention or shelter care pursuant to an order of a juvenile and domestic relations district court, a discharge plan shall be formulated, provided and explained to the minor, and copies thereof shall be sent (i) to the minor's parents or (ii) if the minor is in the custody of the local department of social services, to the department's director or the director's designee or (iii) to the minor's parents and (a) if the juvenile is to be housed in a detention home upon discharge, to the court in which the petition has been filed and the facility superintendent, or (b) if the minor is in custody of the local department of social services, to the department.

B. Except as provided in subsection C, if the minor admitted to inpatient treatment is a student at a public elementary or secondary school and the facility to which the minor is admitted deems that (i) additional educational services are needed or (ii) the minor poses a threat of violence or physical harm to self or others at the time of the discharge, the facility shall notify the mental health professional or school counselor at such minor's school prior to or at the time of discharge, but discharge from a facility may not be withheld solely for the purpose of this disclosure.

C. Prior to providing notification of any discharge information to a public elementary or secondary school's mental health professional or school counselor in accordance with the provisions of subsection B, each facility shall provide reasonable notice to the minor's parent of the parent's right to decline disclosure. Such notice shall include (i) the content of the disclosure that would be provided to the mental health professional or school counselor pursuant to subsection B and (ii) the period of time within which the parent shall provide written notice to decline any or all portions of such disclosure.

D. A copy of the *discharge* plan shall also be provided, upon request, to the minor's attorney and guardian

ad litem. If the minor was admitted to a state facility, the discharge plan shall be contained in a uniform discharge document developed by the Department of Behavioral Health and Developmental Services. The plan shall, at a minimum, (i) specify the services required by the released minor in the community to meet his needs for treatment, housing, nutrition, physical care, and safety; (ii) specify any income subsidies for which the minor is eligible; (iii) identify all local and state agencies which will be involved in providing treatment and support to the minor; and (iv) specify services which would be appropriate for the minor's treatment and support in the community but which are currently unavailable. A minor in detention or shelter care prior to admission to inpatient treatment shall be returned to the detention home, shelter care, or other facility approved by the Department of Juvenile Justice within 24 hours by the sheriff serving the jurisdiction where the minor was detained upon release from the treating facility, unless the juvenile and domestic relations district court having jurisdiction over the case has provided written authorization for release of the minor, prior to the scheduled date of release.

§ 32.1-127.1:03. Health records privacy.

A. There is hereby recognized an individual's right of privacy in the content of his health records. Health records are the property of the health care entity maintaining them, and, except when permitted or required by this section or by other provisions of state law, no health care entity, or other person working in a health care setting, may disclose an individual's health records.

Pursuant to this subsection:

1. Health care entities shall disclose health records to the individual who is the subject of the health record, including an audit trail of any additions, deletions, or revisions to the health record, if specifically requested, except as provided in subsections E and F and subsection B of § 8.01-413.

2. Health records shall not be removed from the premises where they are maintained without the approval of the health care entity that maintains such health records, except in accordance with a court order or subpoena consistent with subsection C of § 8.01-413 or with this section or in accordance with the regulations relating to change of ownership of health records promulgated by a health regulatory board established in Title 54.1.

3. No person to whom health records are disclosed shall redisclose or otherwise reveal the health records of an individual, beyond the purpose for which such disclosure was made, without first obtaining the individual's specific authorization to such redisclosure. This redisclosure prohibition shall not, however, prevent (i) any health care entity that receives health records from another health care entity from making

subsequent disclosures as permitted under this section and the federal Department of Health and Human Services regulations relating to privacy of the electronic transmission of data and protected health information promulgated by the United States Department of Health and Human Services as required by the Health Insurance Portability and Accountability Act (HIPAA) (42 U.S.C. § 1320d et seq.) or (ii) any health care entity from furnishing health records and aggregate or other data, from which individually identifying prescription information has been removed, encoded or encrypted, to qualified researchers, including, but not limited to, pharmaceutical manufacturers and their agents or contractors, for purposes of clinical, pharmaco-epidemiological, pharmaco-economic, or other health services research.

4. Health care entities shall, upon the request of the individual who is the subject of the health record, disclose health records to other health care entities, in any available format of the requester's choosing, as provided in subsection E.

B. As used in this section:

"Agent" means a person who has been appointed as an individual's agent under a power of attorney for health care or an advance directive under the Health Care Decisions Act (§ 54.1-2981 et seq.).

"Certification" means a written representation that is delivered by hand, by first-class mail, by overnight delivery service, or by facsimile if the sender obtains a facsimile-machine-generated confirmation reflecting that all facsimile pages were successfully transmitted.

"Guardian" means a court-appointed guardian of the person.

"Health care clearinghouse" means, consistent with the definition set out in 45 C.F.R. § 160.103, a public or private entity, such as a billing service, repricing company, community health management information system or community health information system, and "value-added" networks and switches, that performs either of the following functions: (i) processes or facilitates the processing of health information received from another entity in a nonstandard format or containing nonstandard data content into standard data elements or a standard transaction; or (ii) receives a standard transaction from another entity and processes or facilitates the processing of health information into nonstandard format or nonstandard data content for the receiving entity.

"Health care entity" means any health care provider, health plan or health care clearinghouse.

"Health care provider" means those entities listed in the definition of "health care provider" in § 8.01-581.1, except that state-operated facilities shall also be considered health care providers for the

purposes of this section. Health care provider shall also include all persons who are licensed, certified, registered or permitted or who hold a multistate licensure privilege issued by any of the health regulatory boards within the Department of Health Professions, except persons regulated by the Board of Funeral Directors and Embalmers or the Board of Veterinary Medicine.

"Health plan" means an individual or group plan that provides, or pays the cost of, medical care. "Health plan" includes any entity included in such definition as set out in 45 C.F.R. § 160.103.

"Health record" means any written, printed or electronically recorded material maintained by a health care entity in the course of providing health services to an individual concerning the individual and the services provided. "Health record" also includes the substance of any communication made by an individual to a health care entity in confidence during or in connection with the provision of health services or information otherwise acquired by the health care entity about an individual in confidence and in connection with the provision of health services to the individual.

"Health services" means, but shall not be limited to, examination, diagnosis, evaluation, treatment, pharmaceuticals, aftercare, habilitation or rehabilitation and mental health therapy of any kind, as well as payment or reimbursement for any such services.

"Individual" means a patient who is receiving or has received health services from a health care entity.

"Individually identifying prescription information" means all prescriptions, drug orders or any other prescription information that specifically identifies an individual.

"Parent" means a biological, adoptive or foster parent.

"Psychotherapy notes" means comments, recorded in any medium by a health care provider who is a mental health professional, documenting or analyzing the contents of conversation during a private counseling session with an individual or a group, joint, or family counseling session that are separated from the rest of the individual's health record. "Psychotherapy notes" does not include annotations relating to medication and prescription monitoring, counseling session start and stop times, treatment modalities and frequencies, clinical test results, or any summary of any symptoms, diagnosis, prognosis, functional status, treatment plan, or the individual's progress to date.

C. The provisions of this section shall not apply to any of the following:

1. The status of and release of information governed by §§ 65.2-604 and 65.2-607 of the Virginia Workers' Compensation Act;

2. Except where specifically provided herein, the health records of minors;

3. The release of juvenile health records to a secure facility or a shelter care facility pursuant to § 16.1-248.3; ~~or~~

4. The release of health records to a state correctional facility pursuant to § 53.1-40.10 or a local or regional correctional facility pursuant to § 53.1-133.03*; or*

5. The notice of a minor's discharge plan to a public elementary or secondary school in accordance with §§ 16.1-346.1 and 37.2-505.

D. Health care entities may, and, when required by other provisions of state law, shall, disclose health records:

1. As set forth in subsection E, pursuant to the written authorization of (i) the individual or (ii) in the case of a minor, (a) his custodial parent, guardian or other person authorized to consent to treatment of minors pursuant to § 54.1-2969 or (b) the minor himself, if he has consented to his own treatment pursuant to § 54.1-2969, or (iii) in emergency cases or situations where it is impractical to obtain an individual's written authorization, pursuant to the individual's oral authorization for a health care provider or health plan to discuss the individual's health records with a third party specified by the individual;

2. In compliance with a subpoena issued in accord with subsection H, pursuant to a search warrant or a grand jury subpoena, pursuant to court order upon good cause shown or in compliance with a subpoena issued pursuant to subsection C of § 8.01-413. Regardless of the manner by which health records relating to an individual are compelled to be disclosed pursuant to this subdivision, nothing in this subdivision shall be construed to prohibit any staff or employee of a health care entity from providing information about such individual to a law-enforcement officer in connection with such subpoena, search warrant, or court order;

3. In accord with subsection F of § 8.01-399 including, but not limited to, situations where disclosure is reasonably necessary to establish or collect a fee or to defend a health care entity or the health care entity's employees or staff against any accusation of wrongful conduct; also as required in the course of an investigation, audit, review or proceedings regarding a health care entity's conduct by a duly authorized law-enforcement, licensure, accreditation, or professional review entity;

4. In testimony in accordance with §§ 8.01-399 and 8.01-400.2;

5. In compliance with the provisions of § 8.01-413;

6. As required or authorized by law relating to public health activities, health oversight activities, serious threats to health or safety, or abuse, neglect or domestic violence, relating to contagious disease, public safety, and suspected child or adult abuse reporting requirements, including, but not limited to, those

contained in §§ 16.1-248.3, 32.1-36, 32.1-36.1, 32.1-40, 32.1-41, 32.1-127.1:04, 32.1-276.5, 32.1-283, 32.1-283.1, 32.1-320, 37.2-710, 37.2-839, 53.1-40.10, 53.1-133.03, 54.1-2400.6, 54.1-2400.7, 54.1-2400.9, 54.1-2403.3, 54.1-2506, 54.1-2966, 54.1-2967, 54.1-2968, 54.1-3408.2, 63.2-1509, and 63.2-1606;

7. Where necessary in connection with the care of the individual;

8. In connection with the health care entity's own health care operations or the health care operations of another health care entity, as specified in 45 C.F.R. § 164.501, or in the normal course of business in accordance with accepted standards of practice within the health services setting; however, the maintenance, storage, and disclosure of the mass of prescription dispensing records maintained in a pharmacy registered or permitted in Virginia shall only be accomplished in compliance with §§ 54.1-3410, 54.1-3411, and 54.1-3412;

9. When the individual has waived his right to the privacy of the health records;

10. When examination and evaluation of an individual are undertaken pursuant to judicial or administrative law order, but only to the extent as required by such order;

11. To the guardian ad litem and any attorney representing the respondent in the course of a guardianship proceeding of an adult patient who is the respondent in a proceeding under Chapter 20 (§ 64.2-2000 et seq.) of Title 64.2;

12. To the guardian ad litem and any attorney appointed by the court to represent an individual who is or has been a patient who is the subject of a commitment proceeding under § 19.2-169.6, Article 5 (§ 37.2-814 et seq.) of Chapter 8 of Title 37.2, Article 16 (§ 16.1-335 et seq.) of Chapter 11 of Title 16.1, or a judicial authorization for treatment proceeding pursuant to Chapter 11 (§ 37.2-1100 et seq.) of Title 37.2;

13. To a magistrate, the court, the evaluator or examiner required under Article 16 (§ 16.1-335 et seq.) of Chapter 11 of Title 16.1 or § 37.2-815, a community services board or behavioral health authority or a designee of a community services board or behavioral health authority, or a law-enforcement officer participating in any proceeding under Article 16 (§ 16.1-335 et seq.) of Chapter 11 of Title 16.1, § 19.2-169.6, or Chapter 8 (§ 37.2-800 et seq.) of Title 37.2 regarding the subject of the proceeding, and to any health care provider evaluating or providing services to the person who is the subject of the proceeding or monitoring the person's adherence to a treatment plan ordered under those provisions. Health records disclosed to a law-enforcement officer shall be limited to information necessary to protect the officer, the person, or the public from physical injury or to address the health care needs of the person. Information disclosed to a law-enforcement officer shall not be used for any other purpose, disclosed to others, or retained;

14. To the attorney and/or guardian ad litem of a minor who represents such minor in any judicial or administrative proceeding, if the court or administrative hearing officer has entered an order granting the attorney or guardian ad litem this right and such attorney or guardian ad litem presents evidence to the health care entity of such order;

15. With regard to the Court-Appointed Special Advocate (CASA) program, a minor's health records in accord with § 9.1-156;

16. To an agent appointed under an individual's power of attorney or to an agent or decision maker designated in an individual's advance directive for health care or for decisions on anatomical gifts and organ, tissue or eye donation or to any other person consistent with the provisions of the Health Care Decisions Act (§ 54.1-2981 et seq.);

17. To third-party payors and their agents for purposes of reimbursement;

18. As is necessary to support an application for receipt of health care benefits from a governmental agency or as required by an authorized governmental agency reviewing such application or reviewing benefits already provided or as necessary to the coordination of prevention and control of disease, injury, or disability and delivery of such health care benefits pursuant to § 32.1-127.1:04;

19. Upon the sale of a medical practice as provided in § 54.1-2405; or upon a change of ownership or closing of a pharmacy pursuant to regulations of the Board of Pharmacy;

20. In accord with subsection B of § 54.1-2400.1, to communicate an individual's specific and immediate threat to cause serious bodily injury or death of an identified or readily identifiable person;

21. Where necessary in connection with the implementation of a hospital's routine contact process for organ donation pursuant to subdivision B 4 of § 32.1-127;

22. In the case of substance abuse records, when permitted by and in conformity with requirements of federal law found in 42 U.S.C. § 290dd-2 and 42 C.F.R. Part 2;

23. In connection with the work of any entity established as set forth in § 8.01-581.16 to evaluate the adequacy or quality of professional services or the competency and qualifications for professional staff privileges;

24. If the health records are those of a deceased or mentally incapacitated individual to the personal representative or executor of the deceased individual or the legal guardian or committee of the incompetent or incapacitated individual or if there is no personal representative, executor, legal guardian or committee appointed, to the following persons in the following order of priority: a spouse, an adult son or daughter,

either parent, an adult brother or sister, or any other relative of the deceased individual in order of blood relationship;

25. For the purpose of conducting record reviews of inpatient hospital deaths to promote identification of all potential organ, eye, and tissue donors in conformance with the requirements of applicable federal law and regulations, including 42 C.F.R. § 482.45, (i) to the health care provider's designated organ procurement organization certified by the United States Health Care Financing Administration and (ii) to any eye bank or tissue bank in Virginia certified by the Eye Bank Association of America or the American Association of Tissue Banks;

26. To the Office of the State Inspector General pursuant to Chapter 3.2 (§ 2.2-307 et seq.) of Title 2.2;

27. To an entity participating in the activities of a local health partnership authority established pursuant to Article 6.1 (§ 32.1-122.10:001 et seq.) of Chapter 4, pursuant to subdivision 1;

28. To law-enforcement officials by each licensed emergency medical services agency, (i) when the individual is the victim of a crime or (ii) when the individual has been arrested and has received emergency medical services or has refused emergency medical services and the health records consist of the prehospital patient care report required by § 32.1-116.1;

29. To law-enforcement officials, in response to their request, for the purpose of identifying or locating a suspect, fugitive, person required to register pursuant to § 9.1-901 of the Sex Offender and Crimes Against Minors Registry Act, material witness, or missing person, provided that only the following information may be disclosed: (i) name and address of the person, (ii) date and place of birth of the person, (iii) social security number of the person, (iv) blood type of the person, (v) date and time of treatment received by the person, (vi) date and time of death of the person, where applicable, (vii) description of distinguishing physical characteristics of the person, and (viii) type of injury sustained by the person;

30. To law-enforcement officials regarding the death of an individual for the purpose of alerting law enforcement of the death if the health care entity has a suspicion that such death may have resulted from criminal conduct;

31. To law-enforcement officials if the health care entity believes in good faith that the information disclosed constitutes evidence of a crime that occurred on its premises;

32. To the State Health Commissioner pursuant to § 32.1-48.015 when such records are those of a person or persons who are subject to an order of quarantine or an order of isolation pursuant to Article 3.02 (§ 32.1-48.05 et seq.) of Chapter 2;

33. To the Commissioner of the Department of Labor and Industry or his designee by each licensed emergency medical services agency when the records consist of the prehospital patient care report required by § 32.1-116.1 and the patient has suffered an injury or death on a work site while performing duties or tasks that are within the scope of his employment;

34. To notify a family member or personal representative of an individual who is the subject of a proceeding pursuant to Article 16 (§ 16.1-335 et seq.) of Chapter 11 of Title 16.1 or Chapter 8 (§ 37.2-800 et seq.) of Title 37.2 of information that is directly relevant to such person's involvement with the individual's health care, which may include the individual's location and general condition, when the individual has the capacity to make health care decisions and (i) the individual has agreed to the notification, (ii) the individual has been provided an opportunity to object to the notification and does not express an objection, or (iii) the health care provider can, on the basis of his professional judgment, reasonably infer from the circumstances that the individual does not object to the notification. If the opportunity to agree or object to the notification cannot practicably be provided because of the individual's incapacity or an emergency circumstance, the health care provider may notify a family member or personal representative of the individual of information that is directly relevant to such person's involvement with the individual's health care, which may include the individual's location and general condition if the health care provider, in the exercise of his professional judgment, determines that the notification is in the best interests of the individual. Such notification shall not be made if the provider has actual knowledge the family member or personal representative is currently prohibited by court order from contacting the individual;

35. To a threat assessment team established by a local school board pursuant to § 22.1-79.4, by a public institution of higher education pursuant to § 23.1-805, or by a private nonprofit institution of higher education; and

36. To a regional emergency medical services council pursuant to § 32.1-116.1, for purposes limited to monitoring and improving the quality of emergency medical services pursuant to § 32.1-111.3.

Notwithstanding the provisions of subdivisions 1 through 35, a health care entity shall obtain an individual's written authorization for any disclosure of psychotherapy notes, except when disclosure by the health care entity is (i) for its own training programs in which students, trainees, or practitioners in mental health are being taught under supervision to practice or to improve their skills in group, joint, family, or individual counseling; (ii) to defend itself or its employees or staff against any accusation of wrongful conduct; (iii) in the discharge of the duty, in accordance with subsection B of § 54.1-2400.1, to take precautions to protect third parties from violent behavior or other serious harm; (iv) required in the course of

an investigation, audit, review, or proceeding regarding a health care entity's conduct by a duly authorized law-enforcement, licensure, accreditation, or professional review entity; or (v) otherwise required by law.

E. Health care records required to be disclosed pursuant to this section shall be made available electronically only to the extent and in the manner authorized by the federal Health Information Technology for Economic and Clinical Health Act (P.L. 111-5) and implementing regulations and the Health Insurance Portability and Accountability Act (42 U.S.C. § 1320d et seq.) and implementing regulations. Notwithstanding any other provision to the contrary, a health care entity shall not be required to provide records in an electronic format requested if (i) the electronic format is not reasonably available without additional cost to the health care entity, (ii) the records would be subject to modification in the format requested, or (iii) the health care entity determines that the integrity of the records could be compromised in the electronic format requested. Requests for copies of or electronic access to health records shall (a) be in writing, dated and signed by the requester; (b) identify the nature of the information requested; and (c) include evidence of the authority of the requester to receive such copies or access such records, and identification of the person to whom the information is to be disclosed; and (d) specify whether the requester would like the records in electronic format, if available, or in paper format. The health care entity shall accept a photocopy, facsimile, or other copy of the original signed by the requester as if it were an original. Within 30 days of receipt of a request for copies of or electronic access to health records, the health care entity shall do one of the following: (1) furnish such copies of or allow electronic access to the requested health records to any requester authorized to receive them in electronic format if so requested; (2) inform the requester if the information does not exist or cannot be found; (3) if the health care entity does not maintain a record of the information, so inform the requester and provide the name and address, if known, of the health care entity who maintains the record; or (4) deny the request (A) under subsection F, (B) on the grounds that the requester has not established his authority to receive such health records or proof of his identity, or (C) as otherwise provided by law. Procedures set forth in this section shall apply only to requests for health records not specifically governed by other provisions of state law.

F. Except as provided in subsection B of § 8.01-413, copies of or electronic access to an individual's health records shall not be furnished to such individual or anyone authorized to act on the individual's behalf when the individual's treating physician, clinical psychologist, clinical social worker, or licensed professional counselor has made a part of the individual's record a written statement that, in the exercise of his professional judgment, the furnishing to or review by the individual of such health records would be reasonably likely to endanger the life or physical safety of the individual or another person, or that such

health record makes reference to a person other than a health care provider and the access requested would be reasonably likely to cause substantial harm to such referenced person. If any health care entity denies a request for copies of or electronic access to health records based on such statement, the health care entity shall inform the individual of the individual's right to designate, in writing, at his own expense, another reviewing physician, clinical psychologist, clinical social worker, or licensed professional counselor whose licensure, training and experience relative to the individual's condition are at least equivalent to that of the physician, clinical psychologist, clinical social worker, or licensed professional counselor upon whose opinion the denial is based. The designated reviewing physician, clinical psychologist, clinical social worker, or licensed professional counselor shall make a judgment as to whether to make the health record available to the individual.

The health care entity denying the request shall also inform the individual of the individual's right to request in writing that such health care entity designate, at its own expense, a physician, clinical psychologist, clinical social worker, or licensed professional counselor, whose licensure, training, and experience relative to the individual's condition are at least equivalent to that of the physician, clinical psychologist, clinical social worker, or licensed professional counselor upon whose professional judgment the denial is based and who did not participate in the original decision to deny the health records, who shall make a judgment as to whether to make the health record available to the individual. The health care entity shall comply with the judgment of the reviewing physician, clinical psychologist, clinical social worker, or licensed professional counselor. The health care entity shall permit copying and examination of the health record by such other physician, clinical psychologist, clinical social worker, or licensed professional counselor designated by either the individual at his own expense or by the health care entity at its expense.

Any health record copied for review by any such designated physician, clinical psychologist, clinical social worker, or licensed professional counselor shall be accompanied by a statement from the custodian of the health record that the individual's treating physician, clinical psychologist, clinical social worker, or licensed professional counselor determined that the individual's review of his health record would be reasonably likely to endanger the life or physical safety of the individual or would be reasonably likely to cause substantial harm to a person referenced in the health record who is not a health care provider.

Further, nothing herein shall be construed as giving, or interpreted to bestow the right to receive copies of, or otherwise obtain access to, psychotherapy notes to any individual or any person authorized to act on his behalf.

G. A written authorization to allow release of an individual's health records shall substantially include the following information:

AUTHORIZATION TO RELEASE CONFIDENTIAL HEALTH RECORDS

Individual's Name _____

Health Care Entity's Name _____

Person, Agency, or Health Care Entity to whom disclosure is to be made

_____

Information or Health Records to be disclosed

_____

Purpose of Disclosure or at the Request of the Individual

_____

As the person signing this authorization, I understand that I am giving my permission to the above-named health care entity for disclosure of confidential health records. I understand that the health care entity may not condition treatment or payment on my willingness to sign this authorization unless the specific circumstances under which such conditioning is permitted by law are applicable and are set forth in this authorization. I also understand that I have the right to revoke this authorization at any time, but that my revocation is not effective until delivered in writing to the person who is in possession of my health records and is not effective as to health records already disclosed under this authorization. A copy of this authorization and a notation concerning the persons or agencies to whom disclosure was made shall be included with my original health records. I understand that health information disclosed under this authorization might be redisclosed by a recipient and may, as a result of such disclosure, no longer be protected to the same extent as such health information was protected by law while solely in the possession of the health care entity.

This authorization expires on (date) or (event) _____

Signature of Individual or Individual's Legal Representative if Individual is Unable to Sign

_____

Relationship or Authority of Legal Representative

_____

Date of Signature _____

H. Pursuant to this subsection:

1. Unless excepted from these provisions in subdivision 9, no party to a civil, criminal or administrative action or proceeding shall request the issuance of a subpoena duces tecum for another party's health records or cause a subpoena duces tecum to be issued by an attorney unless a copy of the request for the subpoena or a copy of the attorney-issued subpoena is provided to the other party's counsel or to the other party if pro se, simultaneously with filing the request or issuance of the subpoena. No party to an action or proceeding shall request or cause the issuance of a subpoena duces tecum for the health records of a nonparty witness unless a copy of the request for the subpoena or a copy of the attorney-issued subpoena is provided to the nonparty witness simultaneously with filing the request or issuance of the attorney-issued subpoena.

No subpoena duces tecum for health records shall set a return date earlier than 15 days from the date of the subpoena except by order of a court or administrative agency for good cause shown. When a court or administrative agency directs that health records be disclosed pursuant to a subpoena duces tecum earlier than 15 days from the date of the subpoena, a copy of the order shall accompany the subpoena.

Any party requesting a subpoena duces tecum for health records or on whose behalf the subpoena duces tecum is being issued shall have the duty to determine whether the individual whose health records are being sought is pro se or a nonparty.

In instances where health records being subpoenaed are those of a pro se party or nonparty witness, the party requesting or issuing the subpoena shall deliver to the pro se party or nonparty witness together with the copy of the request for subpoena, or a copy of the subpoena in the case of an attorney-issued subpoena, a statement informing them of their rights and remedies. The statement shall include the following language and the heading shall be in boldface capital letters:

NOTICE TO INDIVIDUAL

The attached document means that _____(insert name of party requesting or causing issuance of the subpoena) has either asked the court or administrative agency to issue a subpoena or a subpoena has been issued by the other party's attorney to your doctor, other health care providers _____(names of health care providers inserted here) or other health care entity _____(name of health care entity to be inserted here) requiring them to produce your health records. Your doctor, other health care provider or other health care entity is required to respond by providing a copy of your health records. If you believe your health records should not be disclosed and object to their disclosure, you have the right to file a motion with the clerk of the court or the administrative agency to quash the subpoena. If you elect to file a motion to quash, such motion

must be filed within 15 days of the date of the request or of the attorney-issued subpoena. You may contact the clerk's office or the administrative agency to determine the requirements that must be satisfied when filing a motion to quash and you may elect to contact an attorney to represent your interest. If you elect to file a motion to quash, you must notify your doctor, other health care provider(s), or other health care entity, that you are filing the motion so that the health care provider or health care entity knows to send the health records to the clerk of court or administrative agency in a sealed envelope or package for safekeeping while your motion is decided.

2. Any party filing a request for a subpoena duces tecum or causing such a subpoena to be issued for an individual's health records shall include a Notice in the same part of the request in which the recipient of the subpoena duces tecum is directed where and when to return the health records. Such notice shall be in boldface capital letters and shall include the following language:

NOTICE TO HEALTH CARE ENTITIES

A COPY OF THIS SUBPOENA DUCES TECUM HAS BEEN PROVIDED TO THE INDIVIDUAL WHOSE HEALTH RECORDS ARE BEING REQUESTED OR HIS COUNSEL. YOU OR THAT INDIVIDUAL HAS THE RIGHT TO FILE A MOTION TO QUASH (OBJECT TO) THE ATTACHED SUBPOENA. IF YOU ELECT TO FILE A MOTION TO QUASH, YOU MUST FILE THE MOTION WITHIN 15 DAYS OF THE DATE OF THIS SUBPOENA.

YOU MUST NOT RESPOND TO THIS SUBPOENA UNTIL YOU HAVE RECEIVED WRITTEN CERTIFICATION FROM THE PARTY ON WHOSE BEHALF THE SUBPOENA WAS ISSUED THAT THE TIME FOR FILING A MOTION TO QUASH HAS ELAPSED AND THAT:

NO MOTION TO QUASH WAS FILED; OR

ANY MOTION TO QUASH HAS BEEN RESOLVED BY THE COURT OR THE ADMINISTRATIVE AGENCY AND THE DISCLOSURES SOUGHT ARE CONSISTENT WITH SUCH RESOLUTION.

IF YOU RECEIVE NOTICE THAT THE INDIVIDUAL WHOSE HEALTH RECORDS ARE BEING REQUESTED HAS FILED A MOTION TO QUASH THIS SUBPOENA, OR IF YOU FILE A MOTION TO QUASH THIS SUBPOENA, YOU MUST SEND THE HEALTH RECORDS ONLY TO THE CLERK OF THE COURT OR ADMINISTRATIVE AGENCY THAT ISSUED THE SUBPOENA OR IN WHICH THE ACTION IS PENDING AS SHOWN ON THE SUBPOENA USING THE FOLLOWING PROCEDURE:

PLACE THE HEALTH RECORDS IN A SEALED ENVELOPE AND ATTACH TO THE SEALED ENVELOPE A COVER LETTER TO THE CLERK OF COURT OR ADMINISTRATIVE AGENCY WHICH STATES THAT CONFIDENTIAL HEALTH RECORDS ARE ENCLOSED AND ARE TO BE HELD UNDER SEAL PENDING A RULING ON THE MOTION TO QUASH THE SUBPOENA. THE SEALED ENVELOPE AND THE COVER LETTER SHALL BE PLACED IN AN OUTER ENVELOPE OR PACKAGE FOR TRANSMITTAL TO THE COURT OR ADMINISTRATIVE AGENCY.

3. Upon receiving a valid subpoena duces tecum for health records, health care entities shall have the duty to respond to the subpoena in accordance with the provisions of subdivisions 4, 5, 6, 7, and 8.

4. Except to deliver to a clerk of the court or administrative agency subpoenaed health records in a sealed envelope as set forth, health care entities shall not respond to a subpoena duces tecum for such health records until they have received a certification as set forth in subdivision 5 or 8 from the party on whose behalf the subpoena duces tecum was issued.

If the health care entity has actual receipt of notice that a motion to quash the subpoena has been filed or if the health care entity files a motion to quash the subpoena for health records, then the health care entity shall produce the health records, in a securely sealed envelope, to the clerk of the court or administrative agency issuing the subpoena or in whose court or administrative agency the action is pending. The court or administrative agency shall place the health records under seal until a determination is made regarding the motion to quash. The securely sealed envelope shall only be opened on order of the judge or administrative agency. In the event the court or administrative agency grants the motion to quash, the health records shall be returned to the health care entity in the same sealed envelope in which they were delivered to the court or administrative agency. In the event that a judge or administrative agency orders the sealed envelope to be opened to review the health records in camera, a copy of the order shall accompany any health records returned to the health care entity. The health records returned to the health care entity shall be in a securely sealed envelope.

5. If no motion to quash is filed within 15 days of the date of the request or of the attorney-issued subpoena, the party on whose behalf the subpoena was issued shall have the duty to certify to the subpoenaed health care entity that the time for filing a motion to quash has elapsed and that no motion to quash was filed. Any health care entity receiving such certification shall have the duty to comply with the subpoena duces tecum by returning the specified health records by either the return date on the subpoena or five days after

receipt of the certification, whichever is later.

6. In the event that the individual whose health records are being sought files a motion to quash the subpoena, the court or administrative agency shall decide whether good cause has been shown by the discovering party to compel disclosure of the individual's health records over the individual's objections. In determining whether good cause has been shown, the court or administrative agency shall consider (i) the particular purpose for which the information was collected; (ii) the degree to which the disclosure of the records would embarrass, injure, or invade the privacy of the individual; (iii) the effect of the disclosure on the individual's future health care; (iv) the importance of the information to the lawsuit or proceeding; and (v) any other relevant factor.

7. Concurrent with the court or administrative agency's resolution of a motion to quash, if subpoenaed health records have been submitted by a health care entity to the court or administrative agency in a sealed envelope, the court or administrative agency shall: (i) upon determining that no submitted health records should be disclosed, return all submitted health records to the health care entity in a sealed envelope; (ii) upon determining that all submitted health records should be disclosed, provide all the submitted health records to the party on whose behalf the subpoena was issued; or (iii) upon determining that only a portion of the submitted health records should be disclosed, provide such portion to the party on whose behalf the subpoena was issued and return the remaining health records to the health care entity in a sealed envelope.

8. Following the court or administrative agency's resolution of a motion to quash, the party on whose behalf the subpoena duces tecum was issued shall have the duty to certify in writing to the subpoenaed health care entity a statement of one of the following:

a. All filed motions to quash have been resolved by the court or administrative agency and the disclosures sought in the subpoena duces tecum are consistent with such resolution; and, therefore, the health records previously delivered in a sealed envelope to the clerk of the court or administrative agency will not be returned to the health care entity;

b. All filed motions to quash have been resolved by the court or administrative agency and the disclosures sought in the subpoena duces tecum are consistent with such resolution and that, since no health records have previously been delivered to the court or administrative agency by the health care entity, the health care entity shall comply with the subpoena duces tecum by returning the health records designated in the subpoena by the return date on the subpoena or five days after receipt of certification, whichever is later;

c. All filed motions to quash have been resolved by the court or administrative agency and the disclosures sought in the subpoena duces tecum are not consistent with such resolution; therefore, no health records shall be disclosed and all health records previously delivered in a sealed envelope to the clerk of the court or administrative agency will be returned to the health care entity;

d. All filed motions to quash have been resolved by the court or administrative agency and the disclosures sought in the subpoena duces tecum are not consistent with such resolution and that only limited disclosure has been authorized. The certification shall state that only the portion of the health records as set forth in the certification, consistent with the court or administrative agency's ruling, shall be disclosed. The certification shall also state that health records that were previously delivered to the court or administrative agency for which disclosure has been authorized will not be returned to the health care entity; however, all health records for which disclosure has not been authorized will be returned to the health care entity; or

e. All filed motions to quash have been resolved by the court or administrative agency and the disclosures sought in the subpoena duces tecum are not consistent with such resolution and, since no health records have previously been delivered to the court or administrative agency by the health care entity, the health care entity shall return only those health records specified in the certification, consistent with the court or administrative agency's ruling, by the return date on the subpoena or five days after receipt of the certification, whichever is later.

A copy of the court or administrative agency's ruling shall accompany any certification made pursuant to this subdivision.

9. The provisions of this subsection have no application to subpoenas for health records requested under § 8.01-413, or issued by a duly authorized administrative agency conducting an investigation, audit, review or proceedings regarding a health care entity's conduct.

The provisions of this subsection shall apply to subpoenas for the health records of both minors and adults.

Nothing in this subsection shall have any effect on the existing authority of a court or administrative agency to issue a protective order regarding health records, including, but not limited to, ordering the return of health records to a health care entity, after the period for filing a motion to quash has passed.

A subpoena for substance abuse records must conform to the requirements of federal law found in 42 C.F.R. Part 2, Subpart E.

I. Health care entities may testify about the health records of an individual in compliance with §§ 8.01-399 and 8.01-400.2.

J. Except as provided by subsection B7 of § 8.01-413, if an individual requests a copy of his health record from a health care entity, the health care entity may impose a reasonable cost-based fee, which shall include only the cost of supplies for and labor of copying the requested information, postage when the individual requests that such information be mailed, and preparation of an explanation or summary of such information as agreed to by the individual. For the purposes of this section, "individual" shall subsume a person with authority to act on behalf of the individual who is the subject of the health record in making decisions related to his health care.

K. Nothing in this section shall prohibit a health care provider who prescribes or dispenses a controlled substance required to be reported to the Prescription Monitoring Program established pursuant to Chapter 25.2 (§ 54.1-2519 et seq.) of Title 54.1 to a patient from disclosing information obtained from the Prescription Monitoring Program and contained in a patient's health care record to another health care provider when such disclosure is related to the care or treatment of the patient who is the subject of the record.

L. An authorization for the disclosure of health records executed pursuant to this section shall remain in effect until (i) the authorization is revoked in writing and delivered to the health care entity maintaining the record that is subject to the authorization by the person who executed the authorization, (ii) any expiration date set forth in the authorization, or (iii) the health care entity maintaining the record becomes aware of any expiration event described in the authorization, whichever occurs first. However, any revocation of an authorization for the disclosure of health records executed pursuant to this section shall not be effective to the extent that the health care entity maintaining the record has disclosed health records prior to delivery of such revocation in reliance upon the authorization or as otherwise provided pursuant to 45 C.F.R. § 164.508. A statement in an authorization for the disclosure of health records pursuant to this section that the information to be used or disclosed is "all health records" is a sufficient description for the disclosure of all health records of the person maintained by the health care provider to whom the authorization was granted. If a health care provider receives a written revocation of an authorization for the disclosure of health records in accordance with this subsection, a copy of such written revocation shall be included in the person's original health record maintained by the health care provider.

An authorization for the disclosure of health records executed pursuant to this section shall, unless

otherwise expressly limited in the authorization, be deemed to include authorization for the person named in the authorization to assist the person who is the subject of the health record in accessing health care services, including scheduling appointments for the person who is the subject of the health record and attending appointments together with the person who is the subject of the health record.

§ 37.2-505. Coordination of services for preadmission screening and discharge planning.

A. The community services board shall fulfill the following responsibilities:

1. Be responsible for coordinating the community services necessary to accomplish effective preadmission screening and discharge planning for persons referred to the community services board. When preadmission screening reports are required by the court on an emergency basis pursuant to Article 5 (§ 37.2-814 et seq.) of Chapter 8, the community services board shall ensure the development of the report for the court. To accomplish this coordination, the community services board shall establish a structure and procedures involving staff from the community services board and, as appropriate, representatives from (i) the state hospital or training center serving the board's service area, (ii) the local department of social services, (iii) the health department, (iv) the Department for Aging and Rehabilitative Services office in the board's service area, (v) the local school division, and (vi) other public and private human services agencies, including licensed hospitals.

2. Provide preadmission screening services prior to the admission for treatment pursuant to § 37.2-805 or Article 5 (§ 37.2-814 et seq.) of Chapter 8 of any person who requires emergency mental health services while in a city or county served by the community services board. In the case of inmates incarcerated in a regional jail, each community services board that serves a county or city that is a participant in the regional jail shall review any existing Memorandum of Understanding between the community services board and any other community services boards that serve the regional jail to ensure that such memorandum sets forth the roles and responsibilities of each community services board in the preadmission screening process, provides for communication and information sharing protocols between the community services boards, and provides for due consideration, including financial consideration, should there be disproportionate obligations on one of the community services boards.

3. Provide, in consultation with the appropriate state hospital or training center, discharge planning for any individual who, prior to admission, resided in a city or county served by the community services board. In the case of any individual to be discharged from Central State Hospital, Southwestern Virginia Mental Health Institute, or Southern Virginia Mental Health Institute in 30 days or less after admission, the appropriate

community services board shall implement the discharge plan developed by the state facility. Upon initiation of discharge planning, the community services board that serves the city or county where the individual resided prior to admission shall inform the individual that he may choose to return to the county or city in which he resided prior to admission or to any other county or city in the Commonwealth. If the individual is unable to make informed decisions regarding his care, the community services board shall so inform his authorized representative, who may choose the county or city in which the individual shall reside upon discharge. In either case and to the extent permitted by federal law, for individuals who choose to return to the county or city in which they resided prior to admission, the community services board shall make every reasonable effort to place the individuals in such county or city. The community services board serving the county or city in which he will reside following discharge shall be responsible for arranging transportation for the individual upon request following the discharge protocols developed by the Department.

The discharge plan shall be completed prior to the individual's discharge. The plan shall be prepared with the involvement and participation of the individual receiving services or his representative and must reflect the individual's preferences to the greatest extent possible. The plan shall include the mental health, developmental, substance abuse, social, educational, medical, employment, housing, legal, advocacy, transportation, and other services that the individual will need upon discharge into the community and identify the public or private agencies that have agreed to provide these services. *If the individual is a minor who is a student at a public elementary or secondary school, the discharge plan shall be prepared in accordance with § 16.1-346.1.*

No individual shall be discharged from a state hospital or training center without completion by the community services board of the discharge plan described in this subdivision. If state hospital or training center staff identify an individual as ready for discharge and the community services board that is responsible for the individual's care disagrees, the community services board shall document in the treatment plan within 72 hours of the individual's identification any reasons for not accepting the individual for discharge. If the state hospital or training center disagrees with the community services board and the board refuses to develop a discharge plan to accept the individual back into the community, the state hospital or training center or the community services board shall ask the Commissioner to review the state hospital's or training center's determination that the individual is ready for discharge in accordance with procedures established by the Department in collaboration with state hospitals, training centers, and community services boards. If the Commissioner determines that the individual is ready for discharge, a discharge plan shall be developed by

the Department to ensure the availability of adequate services for the individual and the protection of the community. The Commissioner also shall verify that sufficient state-controlled funds have been allocated to the community services board through the performance contract. If sufficient state-controlled funds have been allocated, the Commissioner may contract with a private provider, another community services board, or a behavioral health authority to deliver the services specified in the discharge plan and withhold allocated funds applicable to that individual's discharge plan from the community services board in accordance with subsections C and E of § 37.2-508.

4. Provide information, if available, to all hospitals licensed pursuant to Article 1 (§ 32.1-123 et seq.) of Chapter 5 of Title 32.1 about alcohol and substance abuse services available to minors.

B. The community services board may perform the functions set out in subdivision A 1 in the case of children by referring them to the locality's family assessment and planning team and by cooperating with the community policy and management team in the coordination of services for troubled youths and their families. The community services board may involve the family assessment and planning team and the community policy and management team, but it remains responsible for performing the functions set out in subdivisions A 2 and 3 in the case of children.

2. That the Department of Education shall create guidelines to place safeguards around proper use of student discharge planning information disclosed to public elementary or secondary schools to prevent further disclosure of the discharge plan beyond the purpose for which such disclosure was made.

3. That the provisions of this act shall become effective on January 1, 2027.
