ORIGINAL

Bill Number: HB1345

Patron: Nivar

Bill Title: Public schools; indoor air quality; industry-recognized uniform inspection and evaluation.

Bill Summary: Adjusts the list of individuals who may perform the industry-recognized uniform inspection and evaluation of the heating, ventilation, and air conditioning system that is required at least every four years for each public elementary and secondary school building by removing technicians with a Master HVAC License from the Department of Professional and Occupational Regulation and requiring any mechanical engineer who performs such inspection and evaluation to be certified to perform testing, adjusting, and balancing of heating, ventilation, and air conditioning systems by the Associated Air Balance Council, the National Environmental Balancing Bureau, or the Testing, Adjusting and Balancing Bureau. The bill also adds several items that are required to be included in such inspection and evaluation, including measurement of radon levels in the air and testing for moisture incursion.

Budget Amendment Necessary: No

Items Impacted: None

Explanation: There is no anticipated state fiscal impact resulting from the provisions of this bill. Any impact on local school divisions is indeterminate.

Fiscal Summary: See below.

General Fund Expenditure Impact:

Agency	FY2026	FY2027	FY2028	FY2029	FY2030	FY2031
None	\$0	\$0	\$0	\$0	\$0	\$0
TOTAL	\$0	\$0	\$0	\$0	\$0	\$0

Fiscal Analysis: This bill amends requirements on local school boards to ensure indoor air quality. Therefore, there is no anticipated state fiscal impact. Any impact on local school divisions is indeterminate.

Other: None.
