**Be it enacted by the General Assembly of Virginia:**

**1. That the Code of Virginia is amended by adding in Chapter 2 of Title 32.1 an article numbered 22.1, consisting of a section numbered 32.1-73.27:1, as follows:**

*Article 22.1.*

*Sickle Cell Coordinated Access Network.*

**§ 32.1-73.27:1. Sickie Cell Coordinated Access Network established; purpose.**

*A. As used in this section:*

*"Network" means the Sickie Cell Coordinated Access Network.*

*"Sickle cell specialist" means a health care professional who specializes in the treatment of sickie cell trait and sickie cell disease.*

*B. The Commissioner shall establish and maintain the Sickie Cell Coordinated Access Network, in collaboration with and under the Virginia Commonwealth University Health Systems Authority, for the purpose of providing health care providers in the Commonwealth with real-time consultation and support from sickie cell specialists.*

*C. The Network shall ensure that sickie cell specialists are available for telehealth consultation with health care providers at all times. Sickie cell specialists participating in the Network shall provide (i) guidance on pain management, (ii) consultation on treatment protocols, and (iii) coordination of care to health care providers.*
