"Defined time period" means any unit of time measurement equal to or less than the duration of an employee's work shift, including hours, minutes, seconds, or any fraction thereof.

"Designated employee representative" means any employee representative, including an authorized collective bargaining representative, or any individual expressly designated in writing by an employee or former employee for purposes of requesting records under this article.

"Personal work-speed data" means information that an employer collects or maintains in the ordinary course of business relating to an individual employee's performance of a quota, including quantities of tasks performed, quantities of items or materials handled or produced, rates or speeds of tasks performed, measurements or metrics of performance, and time categorized as performing tasks or not performing tasks.

"Quota" means a performance standard under which an employee is assigned or required, within a defined time period, to perform a quantified number of tasks, to handle or produce a quantified amount of material, or to perform work at a specified productivity speed, and where failure to meet such standard may result in discipline or adverse employment action.

§ 40.1-38.2. Required disclosures; quotas and automated or algorithmic management system.

A. By August 1, 2026, at the commencement of employment, and within 30 days of the implementation of a quota, an employer shall provide each employee with a written description of:

1. Each quota to which the employee is subject, including the quantified work requirement and defined time period;

2. Any incentive or bonus associated with meeting or exceeding the quota; and

3. Any potential adverse employment action that may result from failure to meet the quota.

B. If an employer changes a quota, the employer shall notify each employee before the employee is subject to the new quota and provide an updated written description within two business days.

C. If an employer uses an automated or algorithmic management system to monitor or evaluate employee performance in relation to a quota, the written description provided under subsection A shall include:

1. A plain-language statement that such a system is used; and

59 2. A general description of the types of data collected by the system and the purpose for which the data is
 60 used, without requiring disclosure of proprietary algorithms, formulas, or source code.

61 D. A written disclosure under this section shall be provided in plain English and, upon request, in any
 62 other language primarily spoken by 10 percent or more of the employer's warehouse employees in the
 63 Commonwealth.

64 E. Nothing in this article shall be construed to require an employer to adopt, modify, or eliminate any
 65 quota, automated or algorithmic management system, or productivity standard.

66 **§ 40.1-38.3. Compliance with quotas.**

67 A. No employer shall require an employee to meet a quota that:

68 1. Has not been disclosed pursuant to § 40.1-38.2; or

69 2. Has the effect of preventing the employee from complying with applicable laws relating to meal
 70 periods, rest periods, bathroom access, or workplace safety.

71 B. For the purposes of this section, the time period considered in a quota shall be deemed to include:

72 1. Rest breaks required by law or employer policy and reasonable travel time to designated locations;

73 2. Reasonable travel time to on-site meal break locations;

74 3. Time required to perform employer-mandated activities as necessary to complete assigned work;

75 4. Time to use the bathroom, including reasonable travel time; and

76 5. Time necessary to access tools, equipment, or safety devices required to perform work properly and
 77 safely.

78 C. For the purposes of this section, reasonable travel time shall be determined based on the size, layout,
 79 and geography of the warehouse facility and the employee's assigned work location.

80 **§ 40.1-38.4. Recordkeeping requirements; right to request information.**

81 A. An employer that uses a quota shall maintain, to the extent such records are collected or maintained in
 82 the ordinary course of business, records of:

83 1. Each employee's personal work-speed data;

84 2. Aggregated work-speed data for similarly situated employees; and

85 3. Written quota disclosures provided under § 40.1-38.2.

86 B. Such records shall be maintained for the duration of an employee's employment. All such records from
 87 the six-month period preceding the separation of an employee shall be preserved for at least three years
 88 following such employee's separation.

89 C. A current employee, former employee, or a designated employee representative may request at any
 90 time:

91 1. The written quota description applicable to the employee;

92 2. The employee's personal work-speed data for the preceding six months; and

93 3. Aggregated work-speed data for similarly situated employees for the same time period.

94 D. Requested records shall be provided at no cost and no later than (i) two business days after a request
 95 for quota descriptions and (ii) seven business days after a request for personal and aggregated work-speed
 96 data.

97 **§ 40.1-38.5. Retaliatory action prohibited.**

98 A. No employer shall discharge, discipline, or retaliate against an employee for requesting information,
 99 making a good faith complaint, or participating in an investigation under this article.

100 B. Any adverse employment action taken within 90 days of an employee requesting information, making a
 101 good faith complaint, or participating in an investigation under this article shall create a rebuttable
 102 presumption of retaliation, which may be rebutted by clear and convincing evidence of lawful, nonretaliatory
 103 reasons.

104 **§ 40.1-38.6. Enforcement; civil penalties.**

105 A. The Commissioner shall enforce the provisions of this article consistent with the provisions of
 106 § 40.1-49.4.

107 B. The Commissioner may adopt regulations to implement the provisions of this article, including
 108 regulations prescribing the form, manner, and reasonable timeliness for compliance.

109 C. Nothing in this article shall be construed to create a private right of action or to alter the employment
 110 at will doctrine in the Commonwealth.

111 **§ 40.1-49.4. Enforcement of this title and standards, rules, or regulations for safety and health;
 112 orders of Commissioner; proceedings in circuit court; injunctions; penalties.**

113 A. 1. If the Commissioner has reasonable cause to believe that an employer has violated any safety or
 114 health provision of Title 40.1 or any standard, rule, or regulation adopted pursuant thereto, he shall with
 115 reasonable promptness issue a citation to the employer. Each citation shall be in writing and shall describe
 116 with particularity the nature of the violation or violations, including a reference to the provision of this title or
 117 the appropriate standards, rules, or regulations adopted pursuant thereto, and shall include an order of
 118 abatement fixing a reasonable time for abatement of each violation.

119 2. The Commissioner may prescribe procedures for calling to the employer's attention de minimis
 120 violations which have no direct or immediate relationship to safety and health.

121 3. No citation may be issued under this section after the expiration of six months following the occurrence
122 of any alleged violation.

123 4. (a) The Commissioner shall have the authority to propose civil penalties for cited violations in
124 accordance with subsections G, H, I, and J. In determining the amount of any proposed penalty, he shall give
125 due consideration to the appropriateness of the penalty with respect to the size of the business of the
126 employer being charged, the gravity of the violation, the good faith of the employer, and the history of
127 previous violations. In addition, the Commissioner shall have authority to assess interest on all past-due
128 penalties and administrative costs incurred in the collection of penalties for such violations consistent with
129 § 2.2-4805.

130 (b) After, or concurrent with, the issuance of a citation and order of abatement, and within a reasonable
131 time after the termination of an inspection or investigation, the Commissioner shall notify the employer by
132 certified mail, by commercial delivery service with signed and dated acknowledgment of delivery, or by
133 personal service of the proposed penalty or that no penalty is being proposed. The proposed penalty shall be
134 deemed to be the final order of the Commissioner and not subject to review by any court or agency unless,
135 within 15 working days from the date of receipt of such notice, the employer notifies the Commissioner in
136 writing that he intends to contest the citation, order of abatement or the proposed penalty or the employee or
137 representative of employees has filed a notice in accordance with subsection B of this section and any such
138 notice of proposed penalty, citation or order of abatement shall so state.

139 B. Any employee or representative of employees of an employer to whom a citation and order of
140 abatement has been issued may, within 15 working days from the time of the receipt of the citation and order
141 of abatement by the employer, notify the Commissioner, in writing, that they wish to contest the abatement
142 time before the circuit court.

143 C. If the Commissioner has reasonable cause to believe that an employer has failed to abate a violation for
144 which a citation has been issued within the time period permitted for its abatement, which time shall not
145 begin to run until the entry of a final order in the case of any contest as provided in subsection E of this
146 section initiated by the employer in good faith and not solely for delay or avoidance of penalties, a citation
147 for failure to abate will be issued to the employer in the same manner as prescribed by subsection A. In
148 addition, the Commissioner shall notify the employer by certified mail, by commercial delivery service with
149 signed and dated acknowledgment of delivery, or by personal service of such failure and of the penalty
150 proposed to be assessed by reason of such failure. If, within 15 working days from the date of receipt of the
151 notice of the proposed penalty, the employer fails to notify the Commissioner that he intends to contest the
152 citation or proposed assessment of penalty, the citation and assessment as proposed shall be deemed a final
153 order of the Commissioner and not subject to review by any court or agency.

154 D. Civil penalties owed under this section shall be paid to the Commissioner for deposit into the general
155 fund of the Treasurer of the Commonwealth. The Commissioner shall prescribe procedures for the payment
156 of proposed assessments of penalties which are not contested by employers. Such procedures shall include
157 provisions for an employer to consent to abatement of the alleged violation and pay a proposed penalty or a
158 negotiated sum in lieu of such penalty without admission of any civil liability arising from such alleged
159 violation.

160 Final orders of the Commissioner or the circuit courts may be recorded, enforced, and satisfied as orders
161 or decrees of a circuit court upon certification of such orders by the Commissioner or the court as appropriate.

162 E. Upon receipt of a notice of contest of a citation, proposed penalty, order of abatement, or abatement
163 time pursuant to subdivision A 4 (b) or subsection B or C, the Commissioner shall immediately notify the
164 attorney for the Commonwealth for the jurisdiction wherein the violation is alleged to have occurred and
165 shall file a civil action with the circuit court. Upon issuance and service of process, the circuit court shall
166 promptly set the matter for hearing without a jury. The circuit court shall thereafter issue a written order,
167 based on findings of fact and conclusions of law, affirming, modifying or vacating the Commissioner's
168 citation or proposed penalty, or directing other appropriate relief, and such order shall become final 21 days
169 after its issuance. The circuit court shall provide affected employees or their representatives and employers an
170 opportunity to participate as parties to hearings under this subsection.

171 F. 1. In addition to the remedies set forth above, the Commissioner may file a civil action with the clerk of
172 the circuit court having equity jurisdiction over the employer or the place of employment involved asking the
173 court to temporarily or permanently enjoin any conditions or practices in any place of employment which are
174 such that a danger exists which could reasonably be expected to cause death or serious physical harm
175 immediately or before the imminence of such danger can be eliminated through the enforcement procedures
176 otherwise provided by this title. Any order issued under this section may require such steps to be taken as
177 may be necessary to avoid, correct or remove such imminent danger and prohibit the employment or presence
178 of any individual in locations or under conditions where such imminent danger exists, except individuals
179 whose presence is necessary to avoid, correct or remove such imminent danger or to maintain the capacity of
180 a continuous process operation to resume normal operations without a complete cessation of operations, or
181 where a cessation of operations is necessary, to permit such to be accomplished in a safe and orderly manner.
182 No order issued without prior notice to the employer shall be effective for more than five working days.

183 Whenever and as soon as the Commissioner concludes that conditions or practices described in this
184 subsection exist in any place of employment and that judicial relief shall be sought, he shall immediately
185 inform the affected employer and employees of such proposed course of action.

186 2. Any court described in this section shall also have jurisdiction, upon petition of the Commissioner or
187 his authorized representative, to enjoin any violations of this title or the standards, rules, or regulations
188 promulgated thereunder.

189 3. If the Commissioner arbitrarily or capriciously fails to seek relief under subdivision 1 ~~of this~~
190 ~~subsection~~, any employee who may be injured by reason of such failure, or the representative of such
191 employee, may bring an action against the Commissioner in a circuit court of competent jurisdiction for a
192 writ of mandamus to compel the Commissioner to seek such an order and for such further relief as may be
193 appropriate.

194 G. Any employer who has received a citation for a violation of any safety or health provision of this title
195 or any standard, rule, or regulation promulgated pursuant thereto and such violation is specifically determined
196 not to be of a serious nature may be assessed a civil penalty of up to \$12,471, as such amount may be
197 adjusted as provided in subsection P, for each such violation.

198 H. Any employer who has received a citation for a violation of any safety or health provision of this title
199 or any standard, rule, or regulation promulgated pursuant thereto and such violation is determined to be a
200 serious violation shall be assessed a civil penalty of up to \$12,471, as such amount may be adjusted as
201 provided in subsection P, for each such violation.

202 I. Any employer who fails to abate a violation for which a citation has been issued within the period
203 permitted for its abatement ~~€, which period shall not begin to run until the entry of the final order of the~~
204 ~~circuit court~~), may be assessed a civil penalty of not more than \$12,471, as such amount may be adjusted as
205 provided in subsection P, for each day during which such violation continues.

206 J. Any employer who willfully or repeatedly violates any safety or health provision of this title or any
207 standard, rule, or regulation promulgated pursuant thereto may be assessed a civil penalty of not more than
208 \$124,709, as such amount may be adjusted as provided in subsection P, for each such violation.

209 K. Any employer who willfully violates any safety or health provisions of this title or standards, rules, or
210 regulations adopted pursuant thereto, and that violation causes death to any employee, shall, upon conviction,
211 be punished by a fine of not more than \$70,000 or by imprisonment for not more than six months, or by both
212 such fine and imprisonment. If the conviction is for a violation committed after a first conviction of such
213 person, punishment shall be a fine of not more than \$140,000 or by imprisonment for not more than one year,
214 or by both such fine and imprisonment.

215 L. In any proceeding before a judge of a circuit court parties may obtain discovery by the methods
216 provided for in the Rules of *the* Supreme Court of Virginia.

217 M. No fees or costs shall be charged the Commonwealth by a court or any officer for or in connection
218 with the filing of the complaint, pleadings, or other papers in any action authorized by this section or
219 § 40.1-49.5.

221 open to the public, except any information subject to protection under the provisions of § 40.1-51.4:1.

222 O. The provisions of *Article 3.1* (§ 40.1-38.1 *et seq.*) and Chapter 30 (§ 59.1-406 *et seq.*) of Title 59.1
223 shall be considered safety and health standards of the Commonwealth and enforced as to employers pursuant
224 to this section by the Commissioner of Labor and Industry.

225 P. Beginning in 2018, the Commissioner annually shall adjust the maximum civil penalties stated in
226 subsections G through J each year by the percentage increase, if any, in the United States Average Consumer
227 Price Index for all Urban Consumers (CPI-U), as published by the Bureau of Labor Statistics of the United
228 States Department of Labor, from its monthly average for the previous calendar year. The amount of each
229 adjustment to the maximum civil penalties shall be rounded to the nearest whole dollar. The adjustments to
230 the maximum civil penalties shall be effective on each August 1. If the CPI-U is discontinued or revised, such
231 other historical index or computation approved by the Commissioner shall be used for purposes of this
232 section that would obtain substantially the same result as would have been obtained if the CPI-U had not been
233 discontinued or revised.
